The Saginaw Valley Champions display the victory smile!

The 1954 season proved to be a bountiful one for the P.H.S. Harriers. Four straight dual meet victories extended Pontiac's streak to 32 straight, covering 5½ years. It also kept the Saginaw Valley trophy in Pontiac hands. Rounding out the season, Pontiac claimed the Albion Invitational Runners-up trophy, the Michigan Regional trophy, and climaxed with a 3rd place in the State Meet.

Our cheerleaders take advantage of the nice weather to get ready for the approaching football season.

Walt Poe tries to gain control of the ball as Walt King waits anxiously for it to hit the floor.

At a pep assembly our band always adds to the excitement of an approaching game and possible victory.

These fans feel it's worth wet feet and sore throats to see the Chiefs win a Saginaw Valley game.

"FREEDOM GOES WHERE THE NEWSPAPER GOES"

THE TOMAHAWK

Advisor: Mr. Beauchamp.

In 1896 a paper far removed from the present Tomahawk was started at P.H.S. In the year 1922 the Tomahawk became the weekly paper and has been so ever since. Mr. Beauchamp became the faculty advisor in 1948 and holds that position at the present time.

Above Right: John Moreau, graduating business manager and treasurer, goes over the books with the incoming officer, Jim Cornforth.

Left and Above: The Tomahawk Staff checks old copies and works on the new issue. Bosses Dave Tarr and Karen Hoff will be pleased with the results.

Editor-in-Chief Beverly Barkeley has a clever eye for the slide rule as she checks on one of the sections of the book.

P.H.S. has boasted a school annual since 1898. The first edition was called "Les Dernier Des Esprits"; the second publication, two years later, became the *Quiver*. Mrs. Fournier has been the advisor since the 1948 edition.

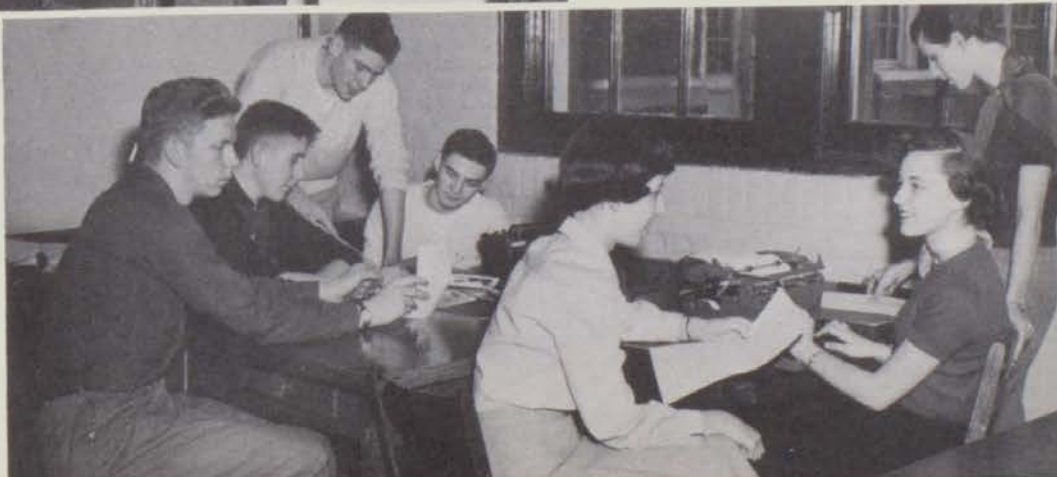

Quiver advisor, Mrs. Fournier, and photographer, Mr. Storer, talk over the huge picture-taking schedule.

Assistant Editor Normalee Braid, Linda Schellenberg, Nancy Nicholson, and Louis Schimmel prove to be capable assets to the *Quiver* office.

Hard at work as usual, these *Quiverites* work on boys' sports and double check on some typing.

EPISTOLAE SCHOLAE

The Epistolae Scholae was first published for profit in 1942. Each year two editions are sold, and all proceeds are donated to three charities and a war memorial in the Washington Cathedral. The three charities are Boys' Town, Starr Commonwealth, and the Red Cross.

STUDENT UNION

The Student Union functions for the benefit of the students. Since 1935 this organization has worked to give them an opportunity to attend school functions at a price they can afford. Outstanding benefits are tickets to sports events, issues of the TOMAHAWK, and the QUIVER. This year the staff collected a record amount of money from the student body.

Above: Mr. Rotsel briefs his Student Union Staff on the "ins" and "outs" of the organization.

FUTURE NURSES

The Future Nurses club was organized in 1950. By making high school girls acquainted with the duties of a nurse, this club encourages them to enter that field of work. This year the club members have held a Mother's Tea, made toys for the Children's Home, and are planning to hold a bake sale, a rummage sale, and a candy sale.

FUTURE TEACHERS

The present P.H.S. chapter of Future Teachers of America was organized by Mrs. Ann Morrow and named for one of our teachers who had always been interested in this group, Virginia McDermet.

The purpose of this club is to stimulate an appreciation of the teaching profession and to study the problems involved. During the past year the club attended workshops in Detroit and Battle Creek.

One of the most recent events took place in March when the Boys' Glee Clubs went to Cleveland, Ohio, for the Music Education National Convention.

P.H.S. BAND

The first Pontiac High School Band was organized by S. M. Dudley in 1911, and Mr. Harris became supervisor of instrumental music in 1927. The band won its first state championship in 1931. As a result of state competition in 1940, the band was one of four Class A high school bands selected to represent Michigan. It was the only one of the four to receive a first division award in the Region III interstate competition of the National Band Contest. Past and present members of the band are proud that it is the only Class A high school band in Michigan to have received only First Division awards in state competition since 1931.

PLAYCRAFTERS AND THESPIAN CLUBS

The P.H.S. Playcrafters Club is the oldest high school dramatics club in existence, organized in 1926 by W. N. Viola. The purpose of the club is to further interest in dramatics and to assist in the production of The Children's Theatre and the two other plays presented each year. Chief among the club's other activities is the annual parents' reception, at which time three one-act plays are presented.

The National Thespian Society, with which Troupe 499 of P.H.S. is affiliated, is an honorary organization. Membership is gained upon recommendation of the sponsor. Playcrafters are recommended for membership after they have earned the required number of points by being in the cast or serving on committees for play production and after they have shown Thespian interest and attitudes.

The P.H.S. Radio Workshop was organized in 1940 and has been functioning regularly since then. Each week the members, under the direction of Miss Vera Mae Adams, give three broadcasts for schools throughout the city over WCAR. Members of the Workshop get a valuable background in radio production and learn to use broadcast equipment.

Jorgen Moritz, popular German exchange student at P.H.S., watches as Mr. Thors gives the morning announcements. Jorgen arrived in New York harbor from Schleswig, Germany, on July 28, 1954. Under the sponsorship of the Rotary Club he came to Pontiac to stay with the Gerald E. Whites, his guardians for the year. Since he has a keen interest in photography, he became an active member of the Camera Club. Aside from this, he finds sailing an interesting hobby. In July Jorgen will return to his parents and two brothers. He will then complete one more year of school and then enter college, possibly a technical university.

Governor G. Mennen Williams crowns Karen Hoff Michigan Peach Queen. In December, 1945, when Karen was seven years old, she came to the United States from Norway. At P.H.S. she has been an active member of the Tomahawk, Student Union, Y-Teens, and G.R.A. She served as secretary of the Student Council in her junior year and now holds the position of co-editor of the Tomahawk and secretary of the Senior Class. Last July she captured the title of Miss Pontiac and Miss United Fund. Later she was crowned Michigan Peach Queen. This fall Karen will enter Michigan State College on a scholarship.

Marvin Caswell, P.H.S. star pitcher, signs with the Detroit Tigers. Upon entering Pontiac High School, Marvin immediately became interested in such school sports as basketball, football, and baseball. During his senior year he served as Sgt.-at-Arms of the Student Council and was elected to the National Honor Society. The six-feet-two-inch, 185-pound pitcher became especially proficient in baseball. With Marvin's over-all record of 16 wins and two losses, and a batting average of .368, the Tigers recognized his ability and signed him to the Pioneer League, Class C Division, at Idaho Falls, Idaho.

FIGHT SONG

Sons of Pontiac bring us victory, Every man in every play;
Do not falter or discouraged be, keep fighting all the way.
Fight! Fight! For Pontiac, you warriors staunch and true.
Always fight with all your might whatever you may do;
Whether on the diamond, or gridiron, or the track.
Fight! Fight! For Pontiac, and the Orange and the Black.

We've got a t-e-a-m That's on the b-e-a-m
We've got a team that's on the beam
And we're hep to the jive
Come on Pontiac skin 'em alive!

Yea Orange———YEA ORANGE
Yea Black———YEA BLACK
Yea Team———YEA TEAM
Set 'em back———SET 'EM BACK
YEA ORANGE, YEA BLACK,
YEA TEAM, SET 'EM BACK

Sock it to 'em Pontiac. Yea Man!
Sock it to 'em Pontiac. Yea Man!
Hit 'em again. Hit 'em again. Harder! Harder!
Hit 'em again. Hit 'em again. Harder! Harder!
Sock it to 'em Pontiac. Yea man! 1-2-3-4 Yea man!
