## CHIEF PONTIAC

The colorful and noble Indian warrior on the cover of this yearbook is Chief Pontiac, for whom our city was named. This same portrait was originally reproduced in oil by Jerry Farnsworth, an Academy of Arts painter, through pennies, nickels, and dimes collected by Pontiac students. The oil was presented by the city commission to the Pontiac Motor Division of General Motors Corporation in recognition of the firm's contributions to the city and its citizens. The 1956 Quiver is grateful to this same concern for making our cover possible.

A native of the Cleveland vicinity, Pontiac was born about 1720 and came into this section about 1750. He formed a confederation of Indian tribes that extended from the Appalachian Mountains to the Mississippi River and from Lake Superior to the Gulf of Mexico.

He favored the French and fought against the English whom he contended were taking the land away from the Indians without due compensation. During a good part of this time his war councils were held on Apple Island in Orchard Lake. There he laid the plans for his conspiracy to fall upon all garrisons in his domain on the same day so they could not help each other. This conspiracy is considered by historians to have been a masterpiece of strategy—which almost succeeded. Had it done so, it would have made a vast difference on the future history of his entire domain.

Early in May, 1763, was the date selected for the concerted attack. Of the sixteen garrisons in the territory, twelve were captured by his men. He had personally led the attack on Detroit, but Major Gladwin who was in charge there, had received an advance tip and was ready for the invaders and repulsed them.

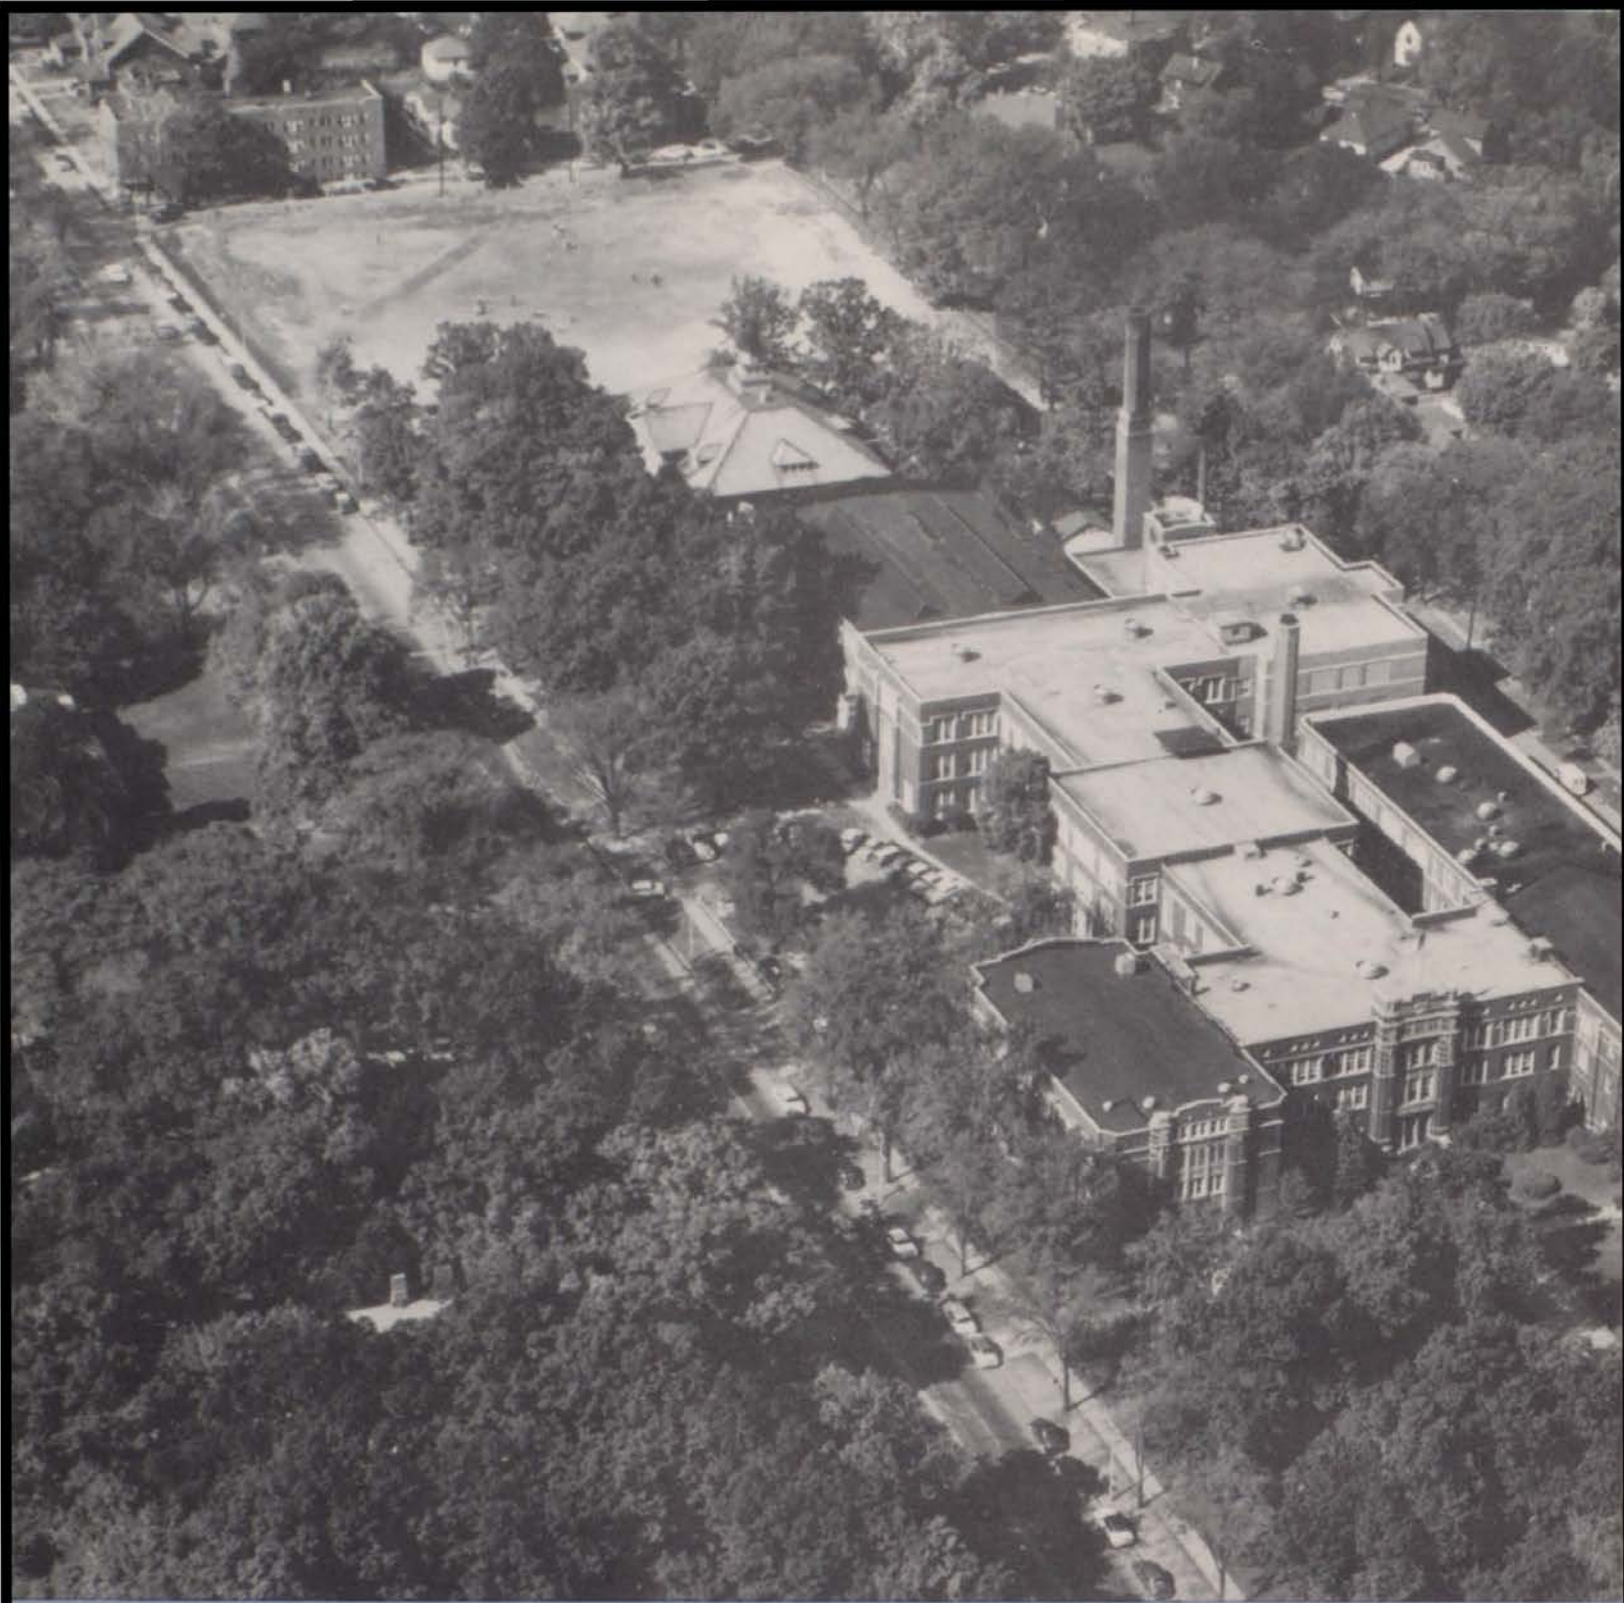

His conspiracy failing, Pontiac's federation fell apart. He returned to Apple Island in disgrace, and a few years later went to Illinois where in 1769 he was murdered by a Cahokia Indian. His warriors who had followed him there were so loyal that they fell upon the tribe of his murderer and nearly exterminated it.

Pontiac, considered by most historians to have been the greatest Indian chief of all time, earned a reputation shared by few tribal leaders for his wisdom, strength, spirit, and honor. No stigma through the years has tarnished his shield of honor.

Sons of Pontiac bring us victory,  
Every man in every play;  
Do not falter or discouraged be,  
Keep fighting all the way.  
Fight! Fight! For Pontiac, you warriors staunch  
and true,  
Always fight with all your might whatever  
you may do;  
Whether on the diamond, or gridiron, or the track,  
Fight! Fight! For Pontiac and the Orange and  
the Black.

We, the staff of the 1956 Quiver, respectfully dedicate this annual to our adviser, Mrs. Charles Fournier, whose gentle firmness, kind disposition, and untiring efforts have helped the dream of this book become a reality.

Mrs. Fournier relives many happy memories as she leafs through one of the nine annuals published under her guidance.

## P.H.S. WELCOMES MR. STALEY

Pontiac Senior High School faculty members and students were happy to welcome as their principal this fall Mr. Francis Staley. Mr. Staley came to P.H.S. with an excellent reputation as an educator and a friend. Having received his Bachelor of Science degree from Michigan State Normal College and his Master of Arts degree from the University of Michigan, he started his teaching career at a country school and from there went to teach at Lincoln Junior High School. He was at the latter only a few months when he went to Whittier School as principal. He had been principal of Eastern Junior High School for 13 years when he came to Pontiac High this fall to succeed John Thors, Jr.

Mr. Staley married Betty Louise Potts in 1936, and they have three children: Frederick, 13; James, four; and Lois Ann, one. Both boys share their father's enthusiasm for sports which dates back to his high-school and college days. Lois Ann's interests are varied at this point, but one thing is certain, she's the pride of the family.

His first year at Pontiac High has been most enjoyable Mr. Staley says. He feels that the previous capable supervision of Mr. Thors and the whole-hearted cooperation of the faculty members and students have made easier the responsibilities of this new position.

Visitors to the principal's office are greeted with a warm smile.

Mr. Staley relaxes at home with his family. From left to right: Mr. Staley, Lois Ann, Frederick, Mrs. Staley, James.

## ASSISTANT PRINCIPALS

**C. T. FORSMAN**  
Assistant Principal

Mr. C. T. Forsman has very capably served as assistant principal for nine years. Students perhaps know him best as an interested and conscientious advisor. Student Council members know him well, for he supervises their meetings and helps them conduct the annual magazine drive.

Mr. Forsman came to P.H.S. in 1930 to teach social science and has Bachelor of Arts and Master of Arts degrees from the University of Michigan. He has enjoyed over the years a very pleasant and friendly relationship with students and faculty and emphasizes this with, "And I really mean it!"

Mr. and Mrs. Forsman are looking forward to visiting Europe this summer. Their daughter Gwen Ellen Harrington, who graduated from P.H.S., is currently living in Ulm, Germany.

**DONALD E. McCRACKEN**  
Assistant Principal

Mr. Donald McCracken became assistant principal this fall when increased enrollment necessitated the need for two assistants. Prior to this, he served as Attendance Counselor. Mr. McCracken has good reason for thinking Pontiac High is one of the finest schools in the country, for he graduated from here and started teaching here following college. He received his Bachelor of Arts degree from Albion College and his Master of Arts degree from Wayne University.

When "Now hear this" comes over the public address system, students know that Mr. McCracken will be giving the announcements for the day. That and "Now you have it" are genially mimicked by many students.

Mr. McCracken married the former Bernice Irwin in 1937. They spend many pleasant hours with their main hobby, photography, at their country home in Farmington.

An osmosis experiment, displayed by Melvin White, attracts the attention of both students and faculty at the Science, Arts, and Letters Fair held last spring.

His name is read by Mr. Staley, his diploma is extended to him by Dr. Whitmer, and Pontiac High adds an alumnus to its roster.

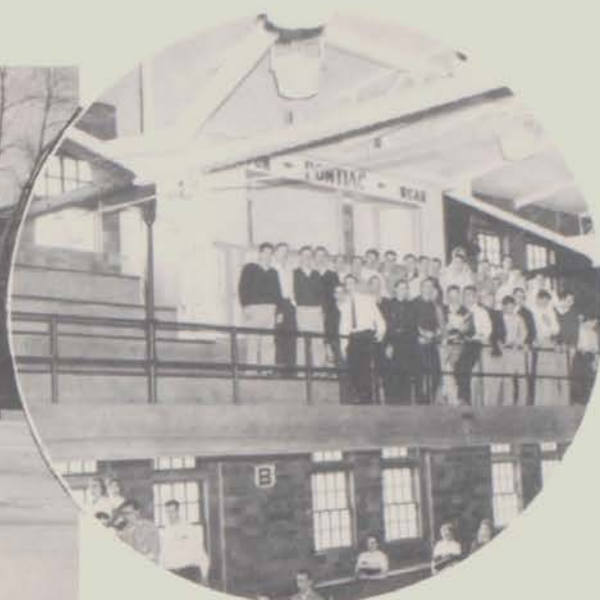

Mrs. Mason pours at the semi-annual tea honoring outstanding library assistants.

Students relax and enjoy their lunch period while others wait patiently for the opportunity.

Mother Nature gives P.H.S. a fresh look, as snow blankets the campus.

The new press box at Pontiac High enables both WCAR and WPON to broadcast sports events.

Mr. DuFrain, former superintendent of schools, returns for a friendly visit with Mr. Forsman and Mr. Staley.

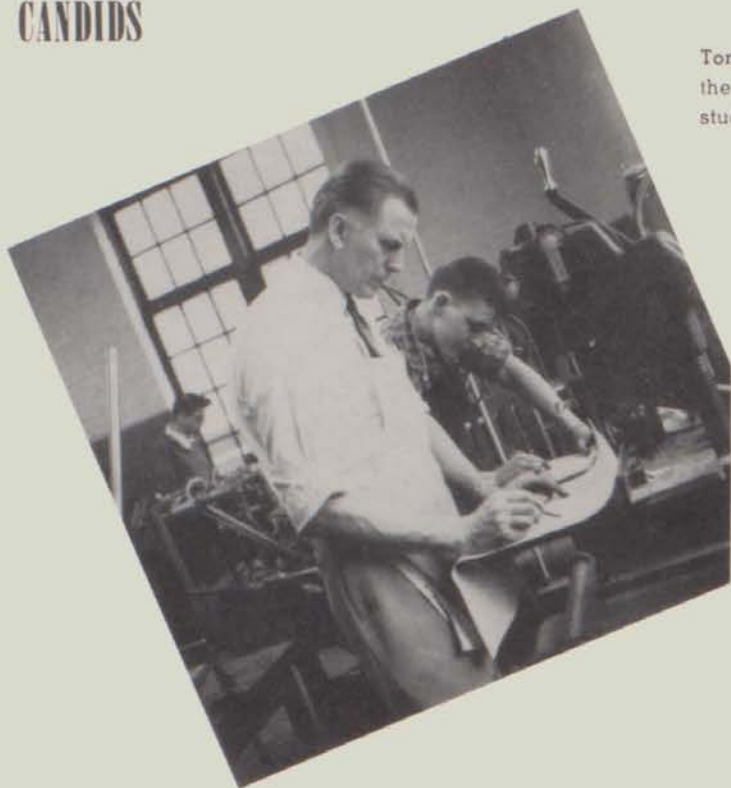

The campus trees, sparkling with an icy glaze, provide a virtual fairyland for students filing up the snow-covered walks to classes.

# ORGANIZATIONS

# QUIVER

This year, for the first time, the **Quiver** features a total of 152 pages, a four-color-print cover, and an index. This is a far cry from Pontiac High School's first annual, *Les Dernier Des Esprits*, which consisted of 62 pages, six pictures, and a circulation of only 118. This year, 2000 **Quivers** have been sold through the Student Union and to individuals. The **Quiver** is completely edited by a student staff advised by Mrs. Charles Fournier.

Nancy Nicholson and Normalee Braid edit the 1956 **Quiver** with an encouraging word from their advisor, Mrs. Fournier.

Lee Patterson smiles in spite of the deadline work thrust on her by editors Fred Roeser, Bob Keavy, and Ann MacDonald.

The **Quiver** staff combines both hard work and fun in producing the 1956 **Quiver**.

The school paper has grown from a hand-printed monthly paper called "The Wood Bee", to a weekly publication with a circulation of over 2400. A student-managed organization, it is edited Monday and Tuesday evenings under the guidance of Mr. Robert Beauchamp, and printed in the PHS printshop under the supervision of Mr. Ted Carlson. The funds for the paper are obtained by advertisements and the Student Union. The staff of 40 members has complete charge of reporting, editing, advertising, and circulating the paper. This fall the Tomahawk received a first-class rating from the National Scholastic Press Association.

## PLAYCRAFTERS AND THESPIAN CLUBS

Pontiac Playcrafters Club, the oldest high school dramatic society in existence, was organized in 1926 by W. N. Viola. Membership in the club has grown steadily, reaching a present total of between 75 and 100 people. These members not only participate in plays, but also plan theatre parties, picnics, a parents' reception, and a special party honoring graduating seniors.

Students who have earned ten points or more through participation in plays are recommended for membership in the National Thespian Society. This honorary society was established to advance standards of excellence in all phases of dramatic arts and to create an active and intelligent interest in dramatics.

The Playcrafters presented "The Land of Oz" as its Children's Theatre production.

The 1955 varsity football season ended on a high note with a 20-19 win over the Flint Northern Vikings. It was the third win for Pontiac, who also defeated Ferndale and Waterford. Although the team was composed of many returning lettermen, it was hampered by injuries through the season.

The little chiefs had a very successful season this year, winning seven games and losing one. They tied Flint Northern for first place in Saginaw Valley competition.

When the scramble was over, Wyandotte had defeated Pontiac, 25-6.

The team opened its season with only one returning letterman, co-captain Rod Treais. Although inexperienced, the team soon proved as capable as the veteran clubs. Pontiac's last game of the season ended in record-breaking fashion with Pontiac defeating Saginaw Eastern 92-73 and Willie DeWalt breaking the individual school-scoring record with 34 points.

The Chief's height advantage pays off.

P.H.S. Nators ended their dual swimming season by tying Bay City for second in the Saginaw Valley Conference. Their losses were to Arthur Hill, the valley power, and to Bay City in a close decision. The Chiefs were paced by 10 graduating seniors headed by Tom Cross in the backstroke, Bob Keavy in the breaststroke, and George Bergstrom in the free-style. Dennis Simonson and Ken Bogard, in the individual medley and backstroke respectively, will be back next year to strengthen the team, along with a number of promising sophomores. Climaxing a successful season, Pontiac High's swimmers placed tenth out of 35 contenders in the state meet.

After a hard practice a few of the 1955 squad members "shoot the breeze."

Bud Hayward sacrifices, to the surprise of Gil Trevino.

# BASEBALL

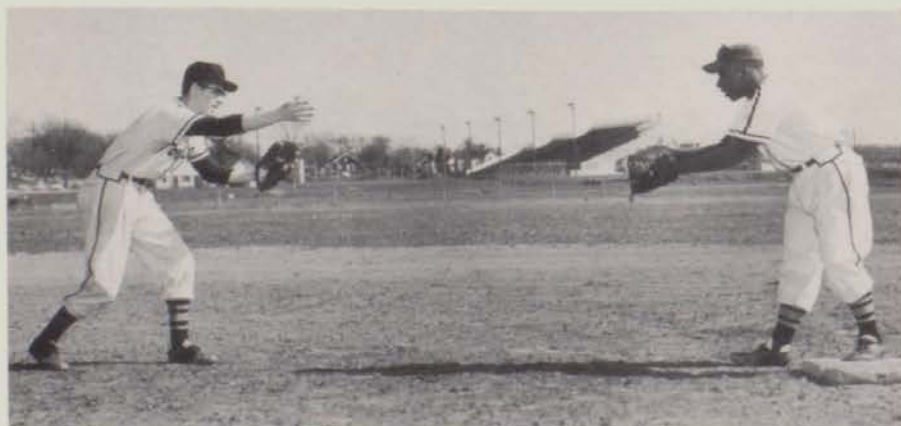

Dave Simmons vainly tries to tag out Bob Casteel as he slides into third.

The Big Chiefs' Arnold Larson heaves his specialty, the curve ball.

Pontiac's ace hurler Jim Jones fires his fast ball.

Bud Hayward and Clay Williams warm up during a practice session.

After a slow start and consequent defeat in the first game of the season, the Pontiac High baseball squad bounced back in the second game to defeat Waterford nine to three.

While four seniors strengthened this year's team, three juniors and two sophomores added spark and power.

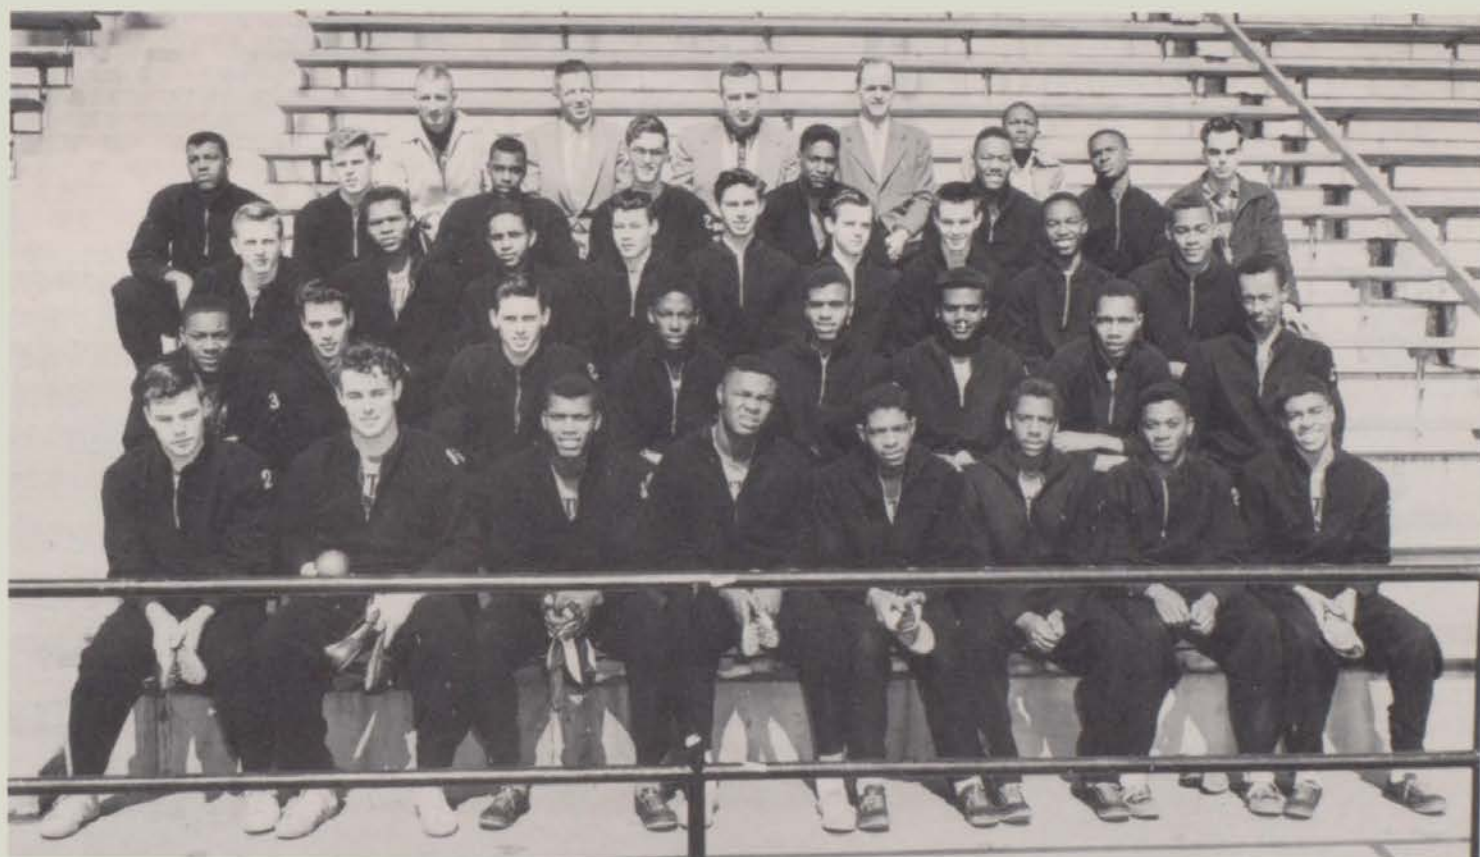

BEFORE: Hayes Jones shows his championship form in jumping the high hurdles.

AFTER: Coaches Schloerke and Lowery proudly display their great satisfaction in Hayes.

ROW 5: Coaches E. Graybiel, T. Lowery, D. Wilson, W. Schloerke, and Manager L. Williams.

# TRACK

Grimacing with fatigue, 1½ miler Bill Douglas breaks the tape and sets a new state record.

Perry Williams sprints the last 20 yards to set the new school mile mark.

Although there was a great height difference, Hudson Ray and Alex Barge tied for first in the "55" State Championship.

Charlie Robinson streaks across the finish line to establish a new ¼ mile school record.

## TRACK

The Pontiac track team should be recorded as the most powerful thinclad team in P.H.S. history—surpassing, if possible, even the undefeated State Championship squad of 1955. Balance and depth, along with individual record-breaking performers, accounted for Coach Schloerke's "dream team".

Outstanding athlete, without question, was Hayes Jones. His accomplishments will go unchallenged for many years to come. Establishing an all-time MHSAA high hurdle record in 1955, Hayes has consistently lowered that timing during the regular 1956 season.

Fantastic high jumping heights, excellent distance running times, and speedy relay teams, combined to make the chief runners a "truly great outfit".

Row 2: F. Cox, E. Cretal, P. Williams, B. Douglas, R. Treais.

### CROSS-COUNTRY

Carrying on with an undefeated dual meet streak, the Pontiac harriers captured victories 33 through 37. This total covers a period dating back to the middle of the 1949 season. Paced by Douglas and Williams, the Orange and Black "hill and dalers" won their third consecutive Saginaw Valley trophy. Heavily hit by graduation, Coach Schloerke must find replacements for seniors Bill Douglas, Rod Treais, and Gene Cretal. Returning to form the core of the 1956 team will be the individual Saginaw Valley champion Perry Williams, along with lettermen Pete Cox, Alex Barge, Don Evans, and a number of promising J. V. members.

The Chiefs are off to another victory.
