Unique Is the Word for New School Features

Architecturally, Pontiac Central High is a reverse model of itself forming two high schools, an east and a west wing. Many common facilities are shared by these two wings including a media center, gymnasium, field house and Olympic size swimming pool that holds 306,000 gallons of water. The auditorium will seat 1,000 people and can be sectioned off for three smaller audiences. Both wings can be quickly and easily remodeled to suit any purpose. The floors were carpeted prior to the installation of wall partitions. These partitions can easily be moved with no damage to the floors or ceilings to make rooms of larger or smaller sizes.

Student Reps Act

Student Advisory Board serves as a representative board of the student body. It consisted of group leaders, club presidents and class officers. The Student Advisory Board and the ESAA Board represented the student body at the dedication program, accepting the key to school. The Board has met this year to discuss student absenteeism, after school safety measures and appropriation of money toward a school sign.

Super Sophs Excel

In 1973, Central's Cross Country team has started on the way back to the excellence it enjoyed in the past. This year's team, although dominated by underclassmen made considerable improvements. With the addition of a strong group of runners from Lincoln, the team should do very well in the next few years.

The season's highlight was a second place finish in the Bay City Sophomore Invitational. Steve Elliott took second place in the Saginaw Valley and qualified for the State Championship run. The biggest disappointment was, as always a loss to Pontiac Northern.

Morgan Leads Chiefs

Led by Dean Morgan, the team's most valuable player, the golfing Chiefs finished second in the Valley. One stroke was the margin in a sudden death playoff with a powerful Midland Dow.

1973 found the Chiefs setting a new team record by shooting a 373 five man total. Five cheers for Morgan, Kelly, Jones Vanderveen and Johnson.

Highlights of the season also included Dean Morgan's low score of 68 in a match with Flint Northwestern, the city championship, a team average of 81.5, down three strokes from the previous year, and third place in the Flint Invitational.

Lee Pondexter, Peter Pratt, Tim Leahy, Brad Newman, Gus Morris, Wayne Jones. SECOND ROW: Coach Peter Ugolini, Scott Vanderveen, Richard Kelly, Dean Morgan, Mike Zubalik, Don Johnson.

Sons of Pontiac bring us victory,
Every man in every play,
Do not falter or discouraged be,
Keep fighting all the way.

Oh, fight, fight for Pontiac,
Ye warriors staunch and true,
Always fight with all your might,
Whatever you may do.
Whether on diamond or gridiron,
or the track (or in the pool),
Fight! Fight! for Pontiac,
For the orange and the black.

Fame has come to us in every field,
Through our efforts in the past,
So keep fighting back and never yield,
Keep fighting to the last.

(Repeat Chorus)

VARSITY CHEERLEADERS: FRONT: Karen Tarpley. FIRST ROW: Sylvia Cairo, Sherron Murray, Rose Isenberg. TOP: Paula Sulaica, Kim Washington.

Moments to Remember

Kim Washington, basketball season captain, given a moment to relive, would go through tryouts again omitting falling on her head during a walk over. Nicknamed "Bright Lite" because cheering makes her light up, Kim was most disappointed when Varsity didn't win a ribbon at camp. Kim wills her Mickey Mouse watch to next year's Varsity in order that they get to practice on time.

Rose Isenberg, football season co-captain, was quite surprised in front of a crowd at a basketball game when on her birthday she was given a birthday kiss by one of the yell leaders. Her worst moment occurred when due to imbalance, she and the rest of the mount fell to the floor. Nicknamed "Goofy," Rose will always be remembered for her cracking voice at the homecoming pep assembly.

Karen Tarpley, football season captain, experienced a trying moment at the POW homecoming when she continuously knocked an officer in the glasses while cheering. Nicknamed "Beany" she was complimented by a guy on her style and also advised to gain a little weight. Her favorite trick to pull on the initiates is to make them sell toilet paper in front of the guy's bathroom.

Sherron Murray, basketball season co-captain, would like to relive the moment the feelings were released after the announcement of the new cheerleading squad. On the other hand, she would like to forget the moment fright ruled over mind as she panicked in mid air during a cheer. She will remember all the fun she had with the guys as her best days at Central.

Paula Sulaica, in the worst moment of her cheerleading career, felt a slight draft when she lost her cheerleading tights. Being the lightest member of the squad Paula is constantly being twisted in mid-air due to a lack of coordination of the mount. Her most embarrassing moment occurred during a football game as she slid face first in the mud during a stomp cheer. Paula considers her best stunt to be flirting.

Yell Leaders Mike Gordon and Dave Harrell are spirited by Joanie Wallace. For two years, Dave and Mike have tried to add more spirit to the crowds.

Desire Unites Players

The 1973 football season began optimistically as the Chiefs, under Coach Szabo, defeated their first opponent. Motivated by desire, but suffering from confusion in strategy and player inexperience, the Chiefs went on to finish the season with a 2-7 record.

The second win was a satisfying Homecoming victory which aroused the fans' spirit and the morale of the team for the game against Pontiac Northern the following week. Co-Captains Eric Brimm and Mike Garcia agreed that the desire to win united the players to defeat Saginaw for Homecoming.

Homecoming Week, 1973, brought the final rush of flower parties and the skipping of classes to finish up the floats. It was during this week that the teachers and the football players campaigned for popularity awards. Each class attempted to brighten up the gray school with orange and black paper and colorful balloons.

It was Homecoming Week when the Class of 76 made up their class cheer and decided upon the float they would enter into competition. It was also during this week that a group of seniors kidnapped the spaceship of the Junior float and deposited it on the front lawn of the Keego Harbor Police Department.

Spirit Week began Monday, October 29, with Sweater Day followed Tuesday by Dress-Up Day. Wednesday brought the Powder Puff Game and Powder Puff Day. Thursday brought Dress-Down Day and enabled the Juniors to rub-in their victory over the seniors in the Powder Puff game.

Friday concluded the week with Spirit Day and the first assembly in the new field house. It was here that the megaphone and hall decorating contest winners were announced, namely the Class of 74. It was here that the Funkiest Football Players, the Powderiest Puffer, and the Ugliest Teacher were announced: Mark Joss and Mike Garcia, Molly McGraw and swim coach Jerry Beckner, respectively.

The football team was escorted and introduced to the crowd by the cheerleaders. The Homecoming Court was also introduced with the reign-

ing Chief, Joel Felt, doing, for the last time, his Chieftan dance before passing on his headdress.

Saturday was the day to finish up the floats and to have them at Central in time to qualify. The floats were done under the theme of "Future Shock". The junior and sophomore float awaited the arrival of the senior float as the time grew near. Meanwhile, the senior float was traveling with police escorts down Square Lake, Telegraph and Huron.

"Future Shock"

Fans and the band marched while the cars and floats followed as the parade proceeded to Wisner Stadium. Halftime brought the Marching Band and Drum Majors, Kevin Light and Dave Schiller twirling batons of fire. It brought the announcement of the winning float, Class of 74, and the new Chief and Princess, Mark Woodmore and Acilene Dembo. Homecoming Week was concluded with a victory for the Chiefs over Saginaw.

One month of running, exercising, passing and complaining was justified on Wednesday, October 21, when the Senior Girls, in their CHIEF shirts met the Junior Girls in the football jerseys for the homecoming Powder Puff game.

Beginning a half hour early in the pouring rain, the two teams of girls proceeded to outwit each other in the mud and rain. The teams were under the coaching of Eric Brimm, Mike Garcia, Clay Terry and Leslie Bridges for the seniors and Mark Joss, Brad Newman, and Kevin Thomas for the juniors, all under the supervision of referees, coach Steve Szabo and assistant coach Bill Richardson.

Molly McGraw, junior quarterback, managed to spin off the senior line and run sixty yards to score the only game points leading the juniors to a 6-0 victory over the seniors, the first senior loss in five years.

The referees, when asked their opinions of working a girls football game, made no reference to the way in which the game was played, but the pieces that were used to play with, they both agreed the girls looked shaplier in their uniforms than the guys team.

The tight races in the Pontiac Central pool will now be as accurately timed as those last year at the Munich Olympics.

The West Pontiac Kiwanis Club gave \$500, raised by peanut and pancake sales, to the Pontiac Central Swimathon Fund. The donation enabled the purchase of the new electric timers for the eight lanes used in competition swimming.

The timers are touch controlled and are installed in the pool for the meets and are removed during regular swimming time.

Former Kiwanis Presidents Albert Flynn and Bob Irwin are presenting the check to swim coach Jerry Beckner and team captain, Jim Dauw.

Dauw Twins Lead Chiefs to Winning Season

The 1973-74 season began with many questions looming in the minds of the coaches. Could we fill the gaps left by graduation? Would we have enough depth to win under the newly devised scoring system, where five places are awarded instead of the customary three? Would the new pool help develop more desire and enthusiasm? Could the team catch Saginaw Arthur Hill who has dominated the Valley championship for the past fifteen years? The answers to all of these questions was yes, except for the last one. Yes, Virginia, there is an Arthur Hill, and once again they went undefeated (after a tough battle in our pool) going on to win the Championship.

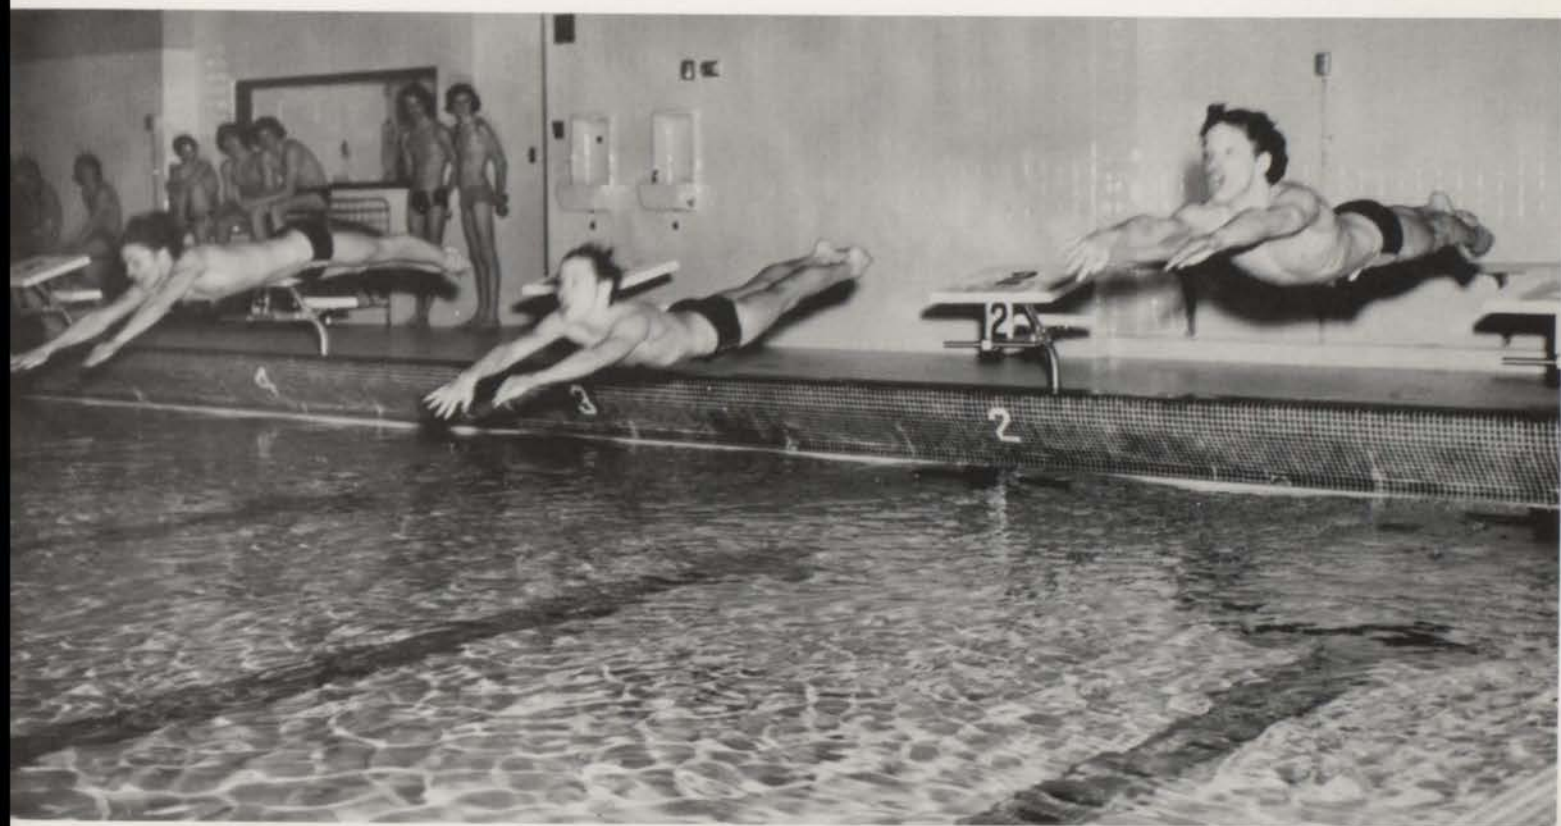

Much of this year's success belongs to the new pool. The longer pool provided better and longer workouts. The team averaged 8,000 practice yards daily, whereas, last year they were only able to average 3,500 yards. The new, clean surroundings of the locker room kindled a proud feeling among the swimmers. But most of all, it was the great backing the team received from our loyal student body and parents who made the difference in the tight races.

Central's nators owe much of their success to the administration of this school. The best equipment and much overtime contributed to a successful season. For this reason, the 1974 Valley Meet was dedicated to our principal, Donald McMillan.

There were exceptional performances this year. One in particular was Captain Jim Dauw. To go along with his 54 records last year, he set 43 new records, one of which was in the 500 yard freestyle in the Oakland County Championship. Not to be outdone, Jeff Dauw, Jim's twin, set 19 records of his own. He established a new pool record and varsity record in his specialty, the 100 yard butterfly.

Dolphins Celebrate Sun in May

Practices for tryouts began in October as the seven remaining Dolphins, under the new direction of Judy Gillies, proceeded to strengthen their club by initiating new members.

Lengthy tryouts were held and those girls who were successful proceeded into initiation. Initiation included ostentatious dress and ridiculous stunts and was topped off by a final party at Coach Gillies apartment.

The Dolphins who remained proceeded to practice synchronization in preparation for their May show, "The Celebration of The Sun". (Due to the publication deadline, the show will be covered in the summer supplement.)

THIRD ROW: Lynn Vonderharr, Laura Sartell, Sue Anderson, Coach Judy Gillies, Laura Smelser.

We Are the Chiefs

This year the Chiefs played well as a unit, winning 15 games and losing 5. Finishing second in the Saginaw Valley West, they played two very fine games with Saginaw High although losing both of them. They out-scored Saginaw from the field but lost from the foul line.

Marshall, Rhone, and Dooley did most of the inside work while Smith, Grandberry, and Brown worked the outside. Holland and Cato did outstanding jobs as replacements "up front" while Marshall and Dooley were the leading scorers and rebounders. Grandberry, Smith, and Brown played well on the pressing defense. Smith, Cato, and Brown are the only returning players for 1974-75 season.

Little Chiefs Are Champs

The J.V. Chiefs completed another winning season, probably their best in the last eight years. They finished the season with an 18-2 record, losing only to Saginaw and Flint Northern.

According to Coach Tom McGhee this year's team was the best he had ever coached, not necessarily in talent but in attitudes. They worked hard, both in the classroom and on the court. Because of their attitudes, they were successful. The team carried an overall 2.1 academic average as a team. They also shared the Saginaw Valley Championship. Congratulations gentlemen for a good season.

Peaks and Valleys

The Boys' ski team finished in a tie for 3rd place in the Alpine Valley Division. The team defeated Brother Rice and Utica and lost to Andover, Walled Lake, West Bloomfield and Milford. Strong individual performances were turned in by Matt McMillan and Tim Larson, who placed eighth and ninth in the divisional race held at Alpine Valley. The team placed fourth in this event.

The girls' team was inexperienced and found tough luck on the slopes as they finished last in their division. Special recognition should go to Nancy McDonald who captured several second place medals in triangular meets. It must have been those doughnuts!

Lack of Depth Hampers Chiefs

WRESTLING TEAMS. FIRST ROW: Dennis Thomas, Kevin Goodson, Jamie Hess, Terry Perna, Jeff Cox. SECOND ROW: Coach Steve Szabo, Jesse Kincade, Leland Little, Don White, Jim O'Neal, Gilbert Simpson, Manager Anita Uballe.

Gilbert Simpson, 138 pounds, is working a whizzer counter on 119 pounder, Terry Perna. LEFT: Junior Don White is working a cross body ride on Junior Jim O'Neil.

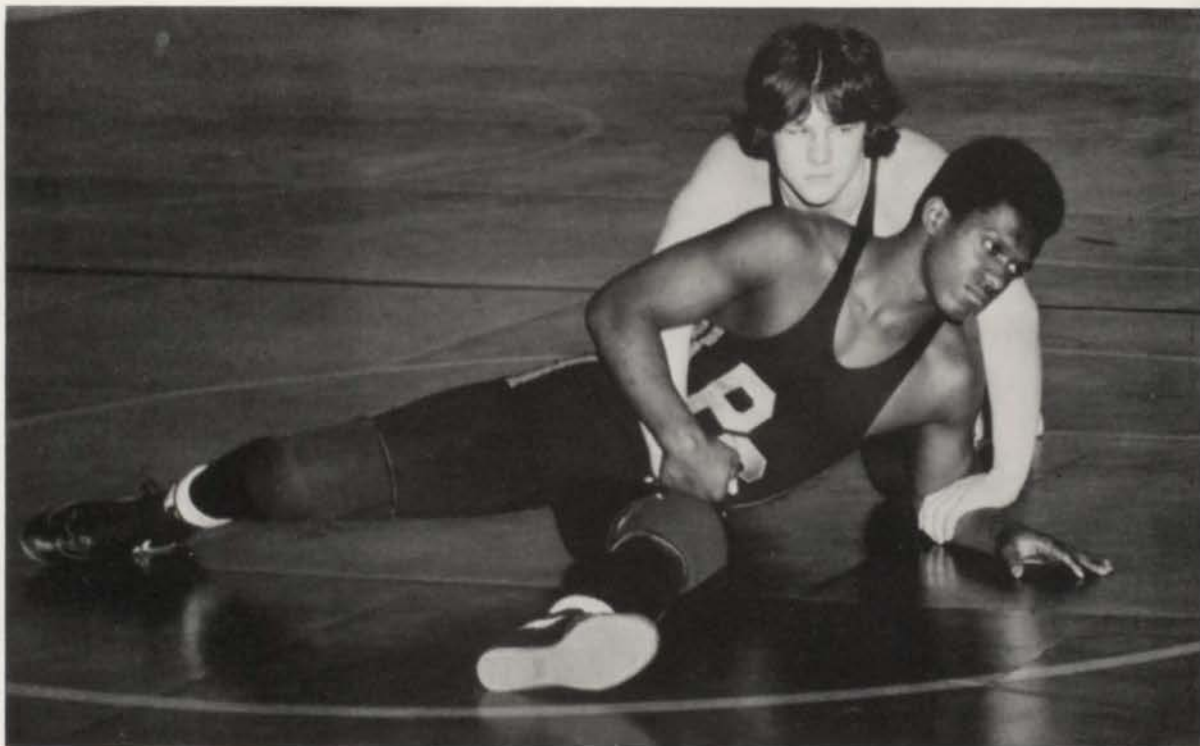

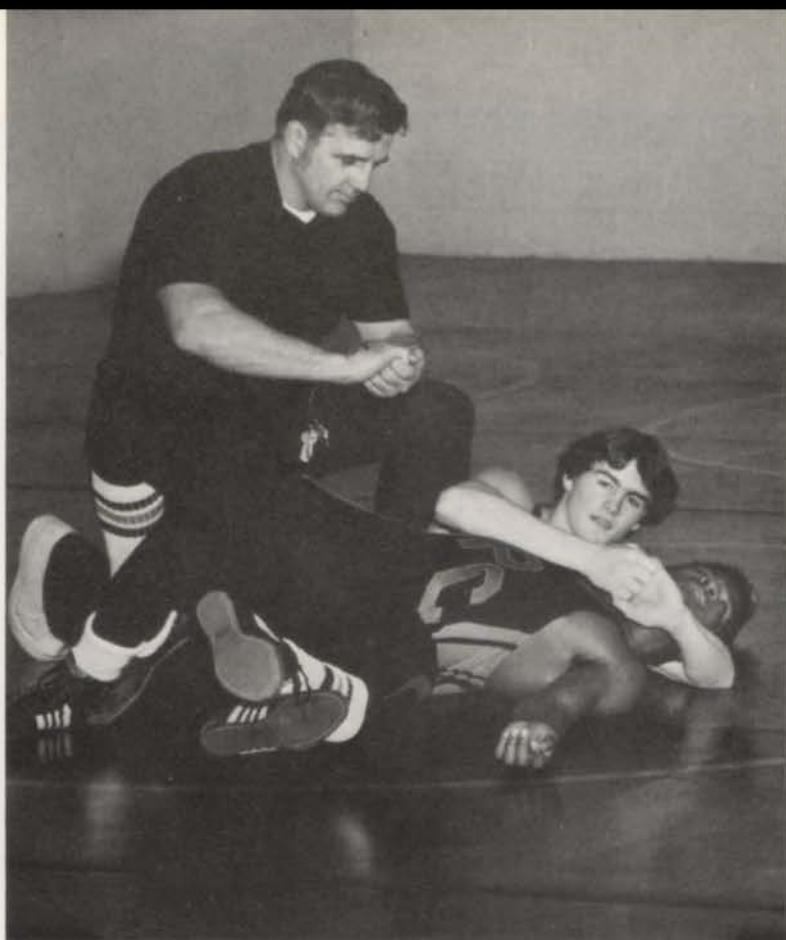

The Chiefs Wrestling team completed its worst season winning only one meet. For the past two years, the junior high wrestling program in Pontiac has been eliminated in all but the ninth grade schools. The assistant wrestling coach was cut for two seasons, bringing the cut of the J.V. team.

In spite of all these problems, the Chiefs stuck it out and did a good job, but didn't have enough team depth to win. Outstanding wrestlers for the Chiefs were Captain Terry Perna 15-6, Gilbert Simpson 14-7, and star sophomore Jeff Cox 18-8. Other standouts for the Chiefs have been Kevin Goodson, Bill Campbell, Dennis Yahner, Don White, Jim O'Neil, Leland Little, Jesse Kincade, Joe Grandberry, Kevin Thomas, Jamie Hess and Conrad Davis.

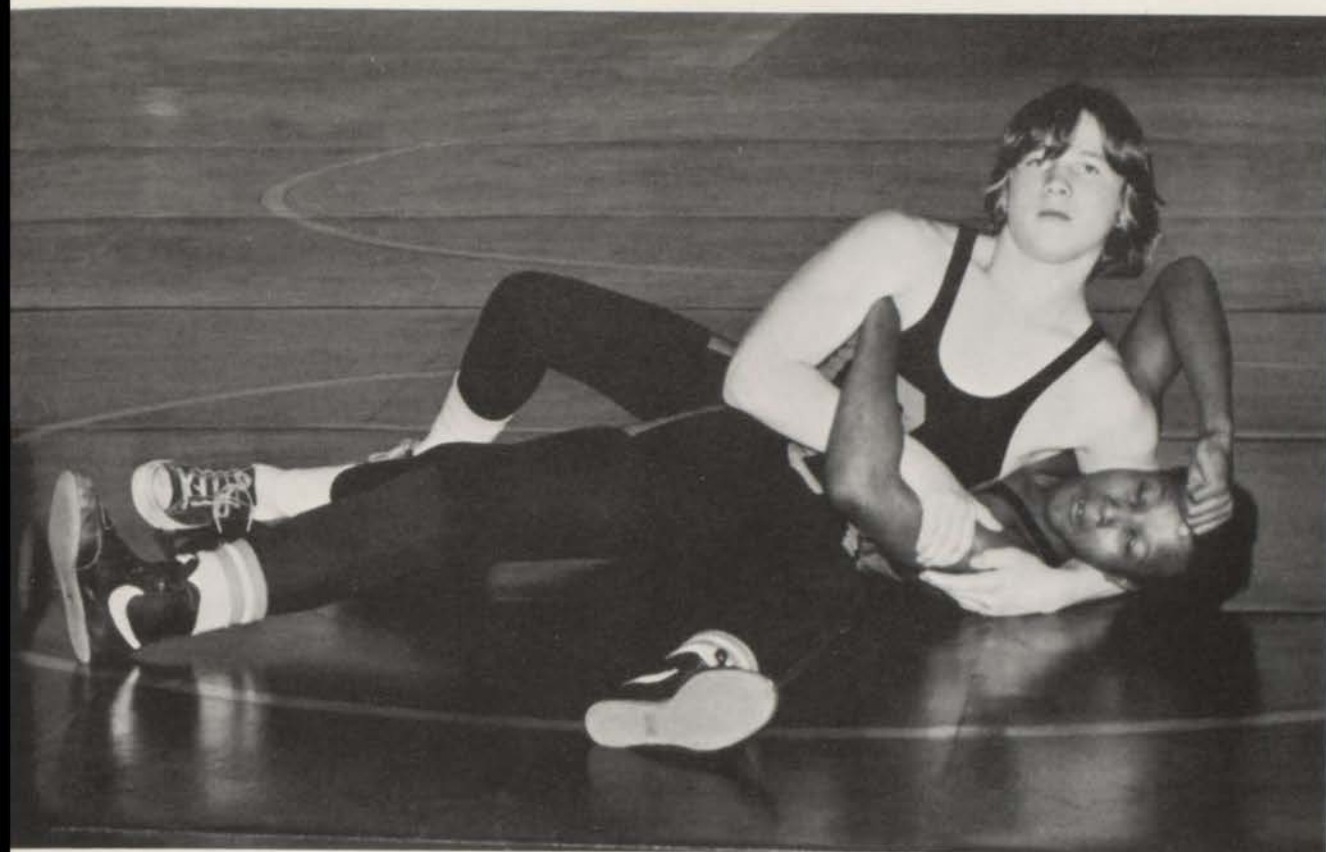

Squad Loses Only Three

These wrestlers will be the core of next year's team as only three men are seniors.

A special thank you from Coach Szabo goes to Mat Maid Anita Uballe and cheerleaders Donna Woodmore and Joni Wallace who helped out at all home meets.

TOP: Captain Terry Perna is working a guillotine, pinning hold on senior Gilbert Simpson for Coach Steve Szabo. ABOVE: Jesse Kincade is executing a sit-out escape against Leland Little.

ABOVE: Jamie Hess is applying a head and arm lock-pin on Dennis Thomas. LEFT: Jeff Cox is applying a cross-arm stack pin on Kevin Goodson.

12,700 Square Feet . . . Wow!

In the Fall of 1973, the new PCHS was ready for occupancy. The library, now called the Media Center, was moved into our new building and now occupies 12,700 square feet in the center of the street floor (3rd floor). It had gradually, through the past six or eight years, and with the coming of technological advancement, become a true "Media Center" or a "Library plus". In other words, it had developed into a center including programs and materials, involving books, periodicals, plus loopfilm, microfilm, cassettes, slides, art reproductions, transparencies and other forms of media.

Librarian Faith Werner.

LIBRARY ASSISTANTS. FIRST ROW: Paula Sulaica, Stephanie Alexander, Nancy Tauber. **SECOND ROW:** Steve Dean, Jim Abel, Greg Jones, Joanne Prevette.

RIGHT: Librarian Doris Haynes. **BELOW:** History students plowing through reams of research are a common sight in the new Central library. Margaret Jones assists Terry Wilton and Brad Strohm with their assignments.

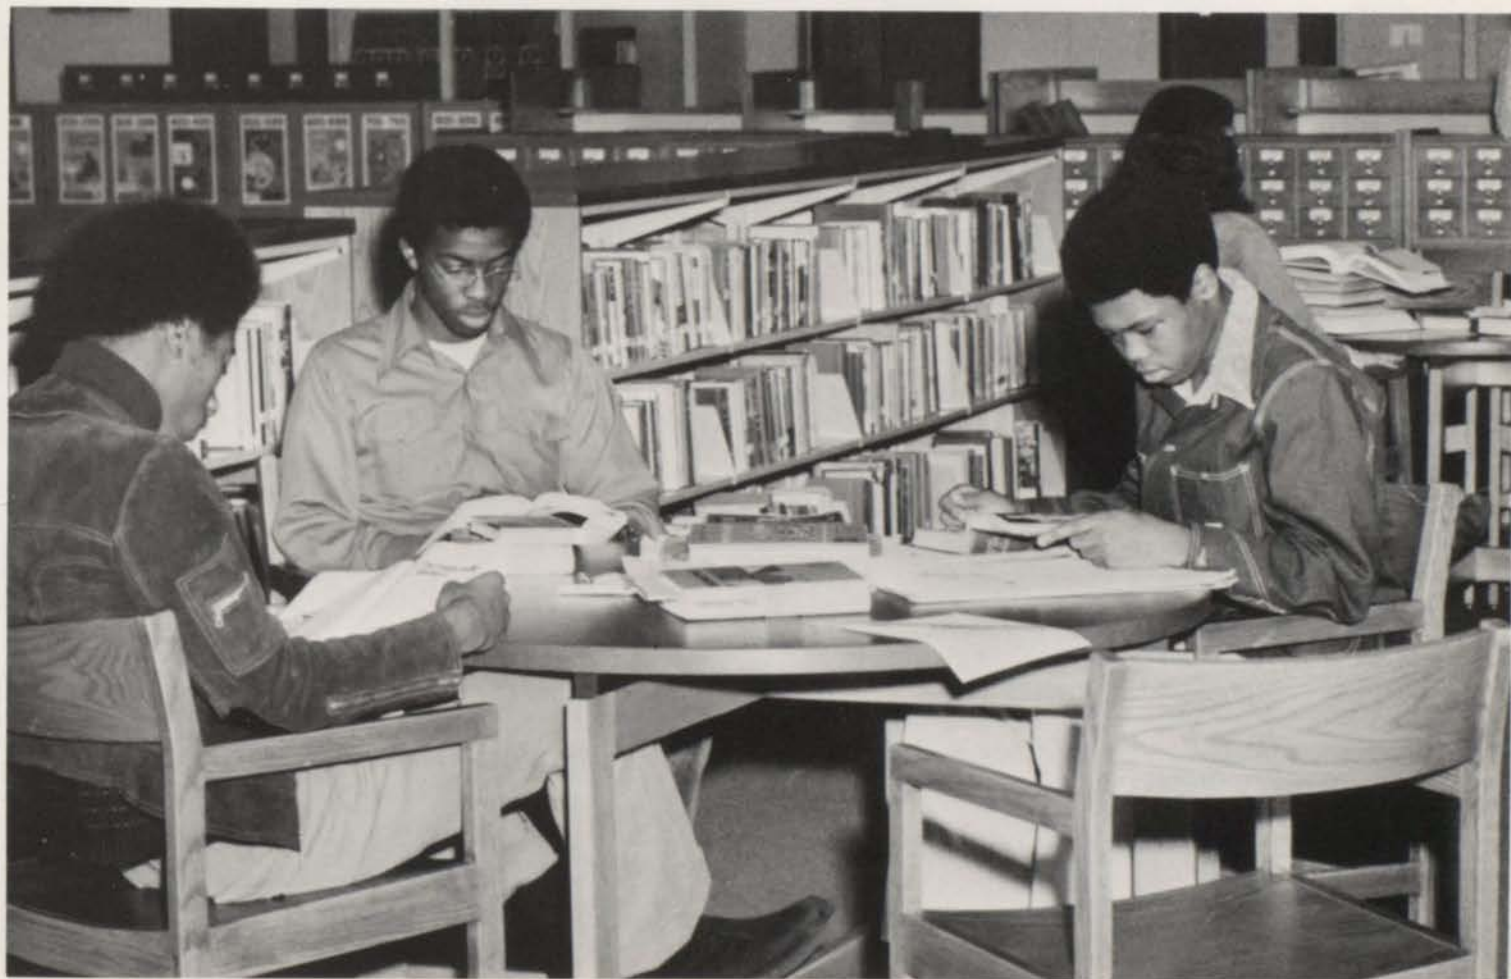

Our new Media Center seats 231 and contains not only a ready room as before, but also a production center, an A-V dept., eight seminar rooms, two small typing rooms, a listening-viewing room, a periodical room, a faculty room, a career center, a tutorial room, eighteen single and double carrels and a library science classroom.

Each student can find areas and resources that will meet his specific personal, social, and curriculum-related needs to enable him to become an independent and on-going learner.

AV ASSISTANTS. FIRST ROW: Bill Langston, Dave Kistner, Melvin Griffin. SECOND ROW: Craig Storum, Joe Alessi. THIRD ROW: Guy Johnson, Jesse Woods, Tommy Johnson. BELOW: Steve Mason, Gary Green, and Kirk Parr work out a research project in Margaret Jones' World History class.

Mary Kay Frances Food Serving class went to Ted's on Woodward Ave. for lunch Wednesday, January 23, 1974, on the tips they made during the semester working in the Wigwam. It is a small restaurant opened to the adult public and the staff of Central.

After lunch they took a tour of Ted's kitchen. Those attending were: Rose Adams, Doris Ross, Cheryl Lance, Belinda Jones, Steve Mason, Lavera Johnson, Wanda Pittman, Robert Magee, Alvin Hollis, Judy Esslinger, Kandy Craig, and Melinda Peterman.

Six Ambassadors of Understanding

This year PCHS was honored by the presence of six foreign exchange students — Barbara Schmelzle from Germany, Walter Van Hulst from Holland, Mansoor Kaiser from Pakistan, Yvonne Sundstrom from Sweden, and Marleweh Dossen and Fulkra Mason from Liberia.

They all consider having been able to come to the U.S. as a great opportunity. The major differences noted between the U.S. and their home countries were the types of classes, and the emphasis placed on sports. Each has made a lot of friends at PCHS and their fond memories are many and varied.

El día de La Raza

Students, teachers, parents, administrators and news reporters gathered in the Media Center to enjoy Latin American food, while watching the Mexican folklorico dancing. The day was a time for Latino students to relate to their heritage and culture. LASO, a Latino student organization, will continue its activities and hope for a better understanding of Latino culture.

The Old School Tradition

In 1849, the first high school in the current city of Pontiac was erected. By 1858, the school enrollment had increased to the point of need for a new school. The new school, built in the Oak Grove on Huron Street, was finished in 1871 and called Grove High.

In 1913, a new school was again erected, called officially Pontiac High School. Additions to the building were made in 1928 and 1953 adding the gymnasium and the cafeteria.

In the old Pontiac High, the front stair wells were designated Boy's and the Girl's staircases. They were done so to keep the sexes apart during study hall!

In the late sixties, it was decided, after parts of the roof came tumbling down, that a new school was again needed. After deciding to build the new school adjacent to the old Pontiac Central, construction began and the doors opened in September, 1973.

Emotions are mixed in feelings towards the new school, as proved by the current debate on the future off the old building. Currently, though, one can still look out one of the few windows and behold the school of the early twentieth century.

THE HISTORY OF SCHOOL ACTIVITIES

The first school newspaper was published in 1891 entitled THE RAMBLER. It was followed by the WOODBEE. THE ORACLE was printed in 1896 and on orange and black paper. That is thought to be the origin of the school colors.

Reorganization of the paper after its steady decline came in 1915. It was in this year that a contest was held to choose a title. THE TOMAHAWK was the chosen name because the name reflected the tradition of the Indian, the first inhabitant of the city.

The first yearbook was published in 1896 by the graduating class and was called in Latin, Le dimur du Espirit, in English The Last of the Spirit. The name "Quiver" came from a student who had seen a book entitled QUIVER READINGS, which dealt with symbols relating to Pontiac's history.

The first class cheer was started by the Class of 1901 and went: Rah Rah Rah Rah Rahrum
We're the Class of Naughty One
Are we? Are we? Well I guess
Pontiac High School PHS
To graduate, yes, everyone
In nineteen hundred and naughty one.

The first football team was organized in 1892 without much support. By 1899, PHS had a championship team.

Golf started in 1924 and in 1927, the team won regionals and placed second in the state finals.

Tennis began in 1917 and won the regionals in that year.

Track began in 1901, in which the team placed fifth in the state. Our track team has produced Olympic winner Hayes Jones, and collegiate star Bill Tipton.

In October of 1946, the first females were added to the squad of cheerleaders. Eight girls began to cheer and since then the number of guys cheering has decreased. In 1973, current seniors Mike Gordon and Dave Harrell began to cheer, rekindling the old tradition.

The first Chief and Princess were crowned on October 11, 1957 and reigned for a week. The Chief represents spirit. The uplifted spear represents the fans' anticipation of a successful season. The Princess stands for unity and brotherhood of the school and the court for the spirit of the student body.

In 1958, the first official PCHS seal was introduced.

As the first year in the new Pontiac Central High is concluded, new traditions will be started and old ones will remain. Sixty years ago, a student body was probably thinking the same thing: What will it be like in the next sixty years?

Thank You, One and All

In order to have a successful yearbook, enthusiasm must be one of its ingredients. On this page we would like to thank those people who helped. Special thanks to Frank Storer, Storer-Spellman Studios of Detroit, for his senior, group and candid pictures; to Sam Slis of Taylor Publishing Company of Dallas, Texas; to the Oakland Press and the Pontiac Times, to the TOMAHAWK Staff and to the faculty, staff and administration for their cooperation and assistance.

Thanks to Kirk Parr for the cover design and to art instructor Jean Smith who assisted with the cover design. Thanks to yearbook salespersons Beyth Hoffman, Gail Merkovitz, Bridget Hayes, Laura

Smelser, Pat Daly, Sue Breault, Debbie Doll, Lisa Gallagher, Jackie Urla, Kerry Baker, Erma Cantu, Ginny Howell, Michelle Moore, and Armonite Maroko.

And also to those who worked on the yearbook; photographers, Kathy Daly, Mike Wiley, Brad Newman, and Tim Leahy, and especially Cindy Fournier, Grace Campanello, Ann Ward, and Kathy Smith.

Lastly, thank you to the six hundred people who cared enough to purchase the 75th volume of the QUIVER.

Holly Ravitz, Editor-in-Chief
Kenneth Brown, Adviser
