# SENIORS

## SENIORS

At the top left is **Mr. DeVoe**, the Senior Class principal.

The Seniors are moving up in 1978. At the top of the arrow is President **Bob Anderson**, next **Cheryl Black**, Vice President; next is **Karen Eggleston**, Secretary; and last but not least **Jeff Boss**, the Treasurer of the 1978 "moving up" class. Now, let's go back in time; we see in the top right hand corner, the first 9th grade class ever at PCH, they called us the funky freshmen, but since then the class of 1978 has raised more money than any class at PCH (ha ha). The President that year was **Cassandra Mapp**; Vice President was **Pam Moore**; the secretary was **Elizabeth Williams**; **Jeff Boss** was treasurer.

There were some small changes in 1976 for the 1978 class. **Pam Moore** became President; **Cheryl Black** at the job of vice president; and **Karen Eggleston** as secretary. The only guy with dollar signs was **Kenneth Brook** as treasurer. Moving down now to our Junior year of 1977 **Cheryl Black** took the position of President, **Kenneth Brook** was Vice President, **Karen Eggleston** as our faithful secretary, and a newcomer, **Brenda Ellis**, was our treasurer. What did they always say? "We are cool we are great that's that great class of '78!!!"

#### TOMAHAWK RESPONSE

In any life situation, one who cares and wants to be part of some group or organization, has the will and drive to make initial and secondary contacts on their own. If we sat around all our lives waiting to be contacted, waiting for opportunities to come to us, not only would we be intermittently bitter and frustrated, but our time would be consumed with boredom and our bottoms with bedsores. If a person wants to, a person will.

Responses like this shabby effort only vindicate the guilty in their own minds.

A 6-0 victory over Northern capped the team's most successful season in over fifty years.

After losing to highly rated Saginaw Arthur Hill and Flint Southwestern early in the year, the Chiefs posted five straight victories, including a 26-7 pasting of Flint Central, to end up with a 7-2 record for the year. The team finished second in the Saginaw Valley West to undefeated Arthur Hill.

Leading the defense was All-American linebacker **Earvin Walker**, who man-handled all nine Chief opponents. On offense, co-captain **Skip McAdams** opened the holes while **Mark Shepler** scooted for 11 touchdowns in nine games. Also big factors in the great season were Seniors **Victor Page**, **Ed Gonzales**, **Eric Carter**, and **Popsie Gonzales**.

The win over Northern marked the fourth straight year Central has downed Northern, after breaking a long string of losses to them.

# HOMECOMING

The Homecoming Festivities were held on October 8, starting with the annual parade at 6:00. The band led the way downtown to let the city see our school spirit. With the victory of the game, 28-0, and Steve McFerrin and Mitzi Reed's election of Chief and Princess, the Homecoming dance was an exciting end.

# CROSS COUNTRY

Led by All-Staters **Kerry Barnett** and **Mark Prunte**, this year's Cross-Country team had a successful year.

**Coach Strachan** said, "We didn't really gel as a team until the Saginaw Valley West, which we lost by two points. We also ran very well in the Regional."

Of next year, **Mr. Strachan** said, "We won't have any outstanding individuals, but (we) could do well as a team by having five men running together."

# BOYS TRACK

The 1977 track team was young and inexperienced but still successful. After winning the Cobo Hall Mile Relay, they won several big meets, followed by a fine dual season that was topped off with a city championship by beating Northern. All of these things seem to be trademarks of the track team. Top track stars were Mark Prunte, Popsie Gonzales, Kerry Barnett, Mike Herron, Earvin Walker and many others.

# GIRLS GOLF

This was the first year for Girls' Golf. The best scores were recorded by **Colleen Stringer**, shooting 59.6 for 9 holes. **Vicki Zielinski**, shooting 61.5. **Terri Brown**, shooting 61.7, and **Kathy Irwin** shooting 61.8, which placed them 10th in the Regionals.

Looking back on the 1977 Golf season, **Coach Ugolini** said he was "expecting a .500 season, (but) the team surprised me with a 10-3 record."

Particularly pleasing for the Chiefs were winning the Flint Invitational Tournament, finishing second in the Valley, and taking a victory from the faculty in their annual shoot-out. Senior **Gary Brown** led the golfers. He had the lowest average and was selected to the All-Valley team. Also All-Valley for Central was sophomore **Todd Cruttenden**.

These accomplishments and efforts were surprising, but as **Coach Ugolini** said, "These are the types of surprises a coach likes to have."

Coach Szabo said, "a 'winner' always puts forth extra effort." Well, the Chiefs wrestlers must have put forth extra effort because they ended up as winners.

State meet appearances by **Skip McAdams**, **Carl Bledsoe**, and **Cary Christy** topped a very successful year. **Skip** took third, in the State and **Cary** took a fifth.

The teams dual record was a fine 7-2, losing only to highly-ranked Mt. Clemens and Flint Northwestern. See how much can be done when you put forth a little effort?

A tremendous victory over tough Saginaw Arthur Hill by over forty points was the key to a very successful season for the swimmers.

After wearing t-shirts that said "Beat Arthur Hill" all year, doing just that, along with victories over Pontiac Northern, Troy Athens, Saginaw and others led the team to a 12-1 record.

Leading the team were tri-captains **Mike Dauw**, **George Jordan**, and **Tim McGinnis**. The three broke a seemingly endless number of varsity records.

**Coach Beckner** said the swimmers were "the most enthusiastic team in the past 10 years. Their enthusiasm was outdone only by their talent, because this was also the most talented team I have had in eighteen years."

# GIRLS SWIMMING

The Girls swimming team had a tremendous season with over half the team qualifying for the Saginaw Valley Championships. This is only the third year for girls Varsity Swim team. The Varsity team graduated only one senior, **Bonnie Walker**, and should make a better showing in the Saginaw Valley next year.

**Carolyn Wright** led the team in scoring, averaging 21 points per game and had an average of 15 rebounds per game. She was selected to the Detroit News All-Metro and the All-Oakland County team, the Pontiac-Waterford Times Area Most Valuable Player, and the second team All-Saginaw Valley.

A mid season nose-dive kept the Chiefs from going undefeated, winning the Valley, being No.

1 in the state and having a street named after them.

After running off with a 9-0 record, and being top ranked in Michigan, a month of road games took its toll, as they lost 6 out of seven games, but finished strong. They won their last 3 games to have a 13-6 final record.

Leading the Chiefs was All-everything, **Walker D. Russell**. Other Co-Captains were center **Clyde Corley**, and guard **Raymond Bell**.

A 59-57 win over Pontiac Northern gave the Chiefs their 15th straight district title, and their 19th out of 20.

## UNDERCLASS REPORT

**JUNIORS** 11th Grade Class This year the 11th grade class hopes to get involved in many projects. One of it's future projects is the Junior Spring Dance. The dance will most likely be in May, it will be mainly for Juniors and their dates (their dates can be in any grade, but must come with a junior) the dress will be after 5. More details will be available at a later date. We will also be selling different items through out the year to raise money. Plans for the end of the year trip have not yet been discussed.

### SOPHOMORES

**FRESHMEN** Ninth Grade Class The first semester we had tune ups for the freshman class. "Tune Ups" are simply having a guest speaker come and talk to us on different subjects. We have "tune ups" every month. Second Semester "Tune ups" will begin in March. From then on, there will be one for each month. We will also have presentations of Cultural and enrichment activities. Pontiac Central Acappella Choir will be giving us information on how the underclassmen can get into the choir the next year. We had a candy drive which raised a lot of money. There were prizes given for the students that sold the most candy. Mr. Russell and the class officers have not had the opportunity to get together on a trip for the end of the year, but hopefully they will get together soon.

## DESIDERATA

**G**O PLACIDLY AMID THE NOISE & HASTE, &  
REMEMBER WHAT PEACE THERE MAY BE  
IN SILENCE. AS FAR AS POSSIBLE WITHOUT

surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ☛ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ☛ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ☛ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ☛ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ☛ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ☛ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ☛ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ☛ ☛

This is the book that was late,  
Very late.  
Very late indeed.  
Our best photography is inside.  
Our most creative opening, also.  
There's not enough pictures of "You";  
We know.  
We know.  
You liked that other book,  
the one where they had . . .  
and . . .  
We know.  
We know.

Clockwise from top:  
Johns, ID'S; Staff eats;  
Freshman thinks; Pfeffer-  
face smiles; Carla  
pretends; LeBrun fixes  
up.

$\vec{A} = 1.5 \text{ km } \text{N}$      $\vec{B} = 2.0 \text{ km } 20^\circ \text{ E of N}$

$R^2 = A^2 + B^2 - 2AB \cos \theta$   
 $= (1.5)^2 + (2.0)^2 - 2(1.5)(2.0) \cos 70^\circ$

 $R^2 = 4.193 \text{ km}^2$   
 $R = 2.05 \text{ km} \approx 2.1 \text{ km}$

$\cos B = \frac{A^2 + R^2 - B^2}{2AR} = \frac{(1.5)^2 + (2.05)^2 - (2.0)^2}{2(1.5)(2.05)}$   
 $\cos B = \frac{2.46}{6.15} = 0.3993 \Rightarrow B = 66.5^\circ$
