CLUBS

This section of the yearbook contains pictures of various clubs and organizations - like the Key Club, the National Honor Society, the Band, Choir and other groups here at Pontiac Central High School.

SADD

This is SADD, showing you what could happen when you drink and drive.

KEY CLUB

We congratulate the Key Club for the fine job they have done in our community.

BLACK DRAMA CLUB
BLACK AWARENESS CLUB

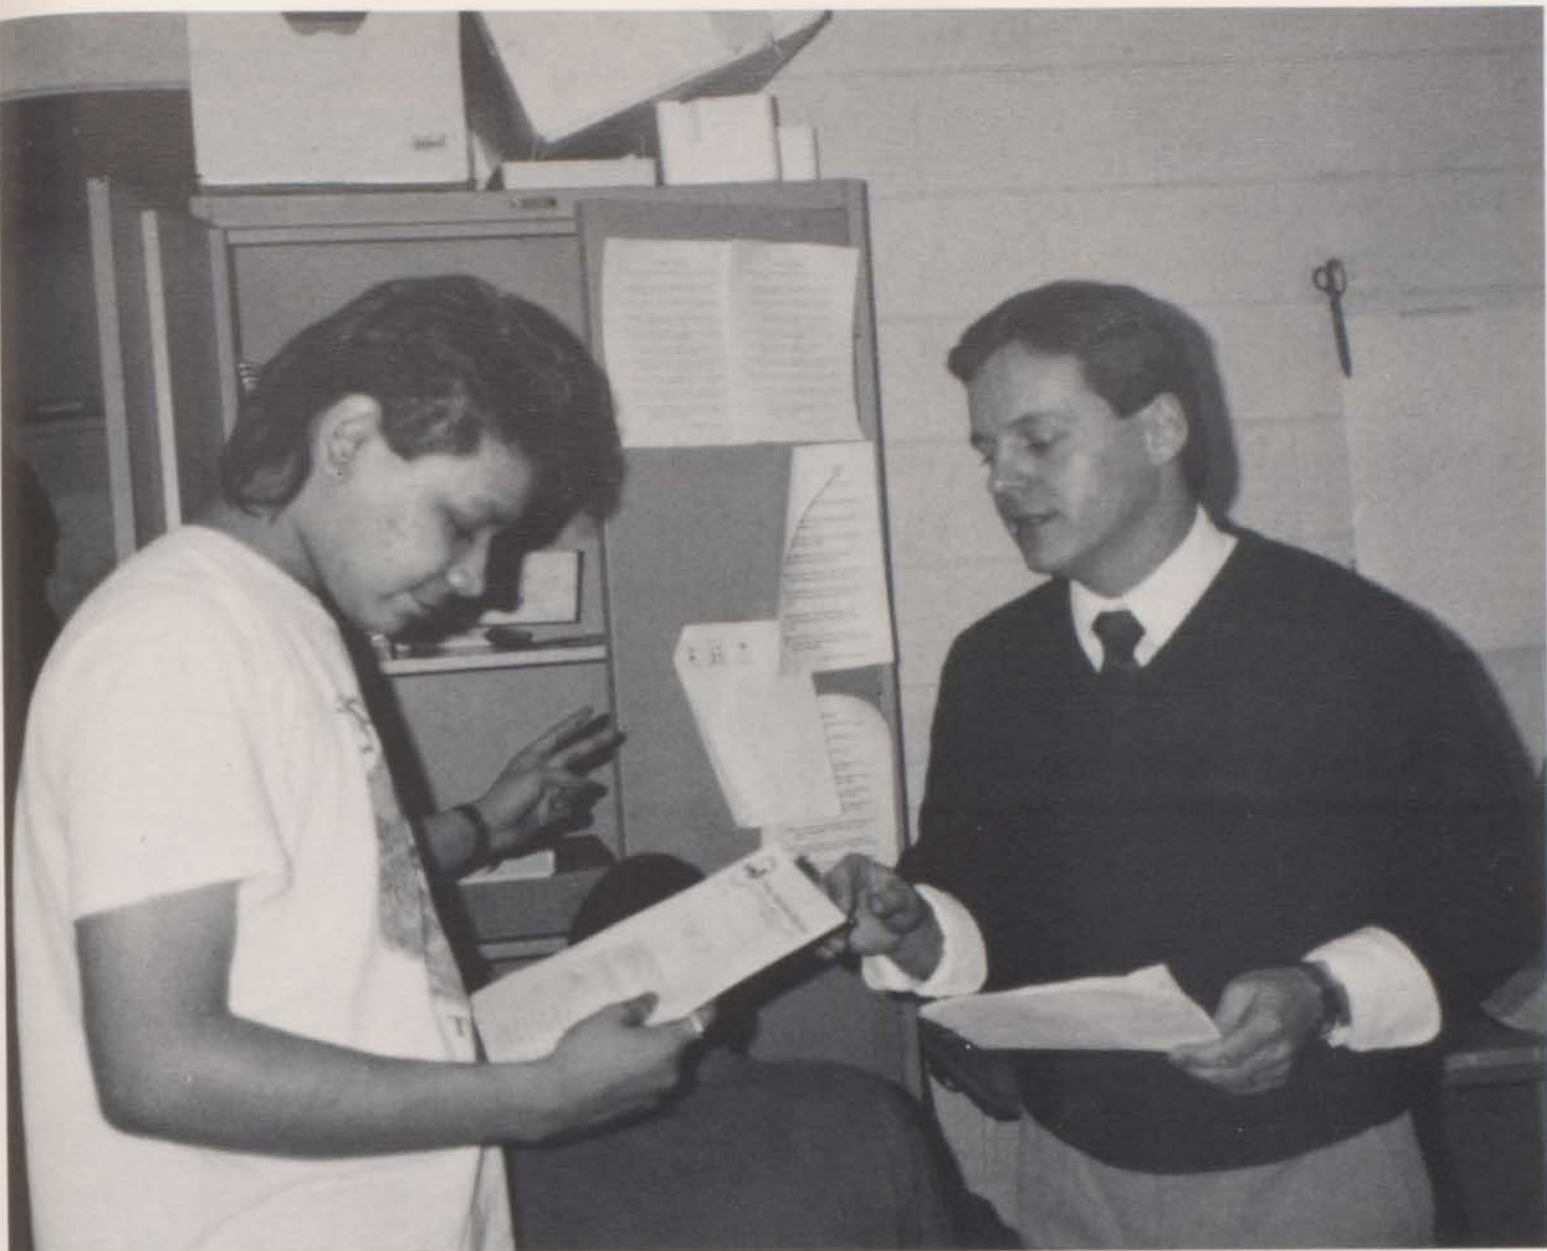

The National Honor Society Chapter of Pontiac Central High School is proud to announce the induction of 26 new members, bringing total membership to 39 distinguished scholars. New senior inductees include: Tasha Barner, Deeda Bowman, Joyce Christian, Kele Santi, James Scribner, and Julian Watkins. Juniors qualifying for membership are: Danny Banks, Jennifer Berkousen, Kamili Brown, Eric Burnett, Kevin Dixon, Victor Evjen, Denise Gallardo, Ann Grismer, Jason Kosek, Aida Maxsam, Tashia McGhee, Sandra Murray, Nancy Oliver, Nikki Robertson, David Scruggs, Adam Strauss, Armeka Sullivan, Chris Tabar, Richardo Tamez, and Marlo Warren.

Students returning from last year include: Lawrence Alessi, Melinda Bouie (Treasurer), Tawanna Bragg (Secretary), Susan Cass, Alyssa Cedo, Susan Cho, Angela Cohen, Kirsten Hice, Susan Maynard (Vice-President), Terry Meinhart, Juanita Perez, Rachel Rogers, and Darrin Woods (President).

These outstanding young people have been screened by faculty in categories of Scholarship, Leadership, Character and Service to school and community. They have earned the highest possible honor for a high school student.

National Honor Society members are presently active in the Pontiac Community Phone Friend: Kids-After-School-Help-Line sponsored by Families in Transition. Senior NHS students volunteer 3 hours a week at the YWCA to answer phone calls from lonesome/needy children who are home alone after school hours. Future projects will address one to one tutoring and community assistance programs.

We are presently planning for "Career Day", sponsored in conjunction with the Rotary Club of Pontiac. Students will identify career interest areas and be paired up with Rotarians for first hand professional experiences. The annual activity will conclude with a luncheon at the Pike Street Restaurant where students will meet and interact with the entire Rotary membership. We are greatly appreciative of the efforts made by this professional organization to assist the youth in this community in career planning. You are a genuine "Partner in Education."
