HAT/50's-70's DAY

This was a day to remember at PCH. Hat/50's-70's day! Students went all out. They came to school dressed in the most peculiar costumes. Tight fitted pants, with the flared bottoms, big super-fly hats, and too little suit coat jackets. These were the fads of the day. Some also decided to wear their baseball caps and jogging-suits. Few decided to wear poodle skirts with fluffy can-cans.

Mr. Gerard showing a surprised face on Hat Day.

Jennifer Latham and Andrea Bauer taking a blast to the past.

A Pontiac Central student taking advantage of Hat Day.

Darren Jackson showing school spirit on Hat Day.

Poonie: Striking a pose for spirit.

TACKY DAY

Tuesday's Tacky Day was loose, relaxed, happy go lucky, and in a word PUMPED. Some students decided not to comb their hair, and many others chose to totally uncoordinate colors and styles. There was everything from ball dresses and tennis shoes to rollers and pajamas! Some even went to extreme to create old, ugly, low-down torn and tattered attire.

Maurice Mahone and friend forgot it was Tacky Day.

Freshmen getting a first taste of Pontiac Central's Tacky Day.

Underclassmen are always spirited on Tacky Day.

Damian Harvey and Kevin Manley take tackyness to Another Level.

Shed Curry showing his spirit on Tacky Day.

TWIN DAY

Wednesday during Spirit Week was Twin Day. The Mighty "Matching" Chiefs grabbed their best buddy and threw on their matching outfits. Everywhere you looked, you saw double. So whether they were really twins, or just dressed alike, those chiefs had spirit.

Raina Mack and Devenia Clayter were dressed accordingly for Twin Day.

"Were they meant to be twins"? Patricia Whittaker and Onieda Bouye were all checked out for the occasion.

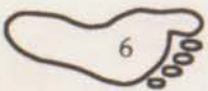

Miami Twins, could it be? Tammie Anthony and Raquel Moore posed to be seen alike on Twin Day.

Even freshmen get in the act by dressing alike.

They were best of friends. Roxanne Robertson and Tamar Weber dressed during Homecoming Week.

DRESS-UP DAY

Watch out Pontiac Central, roll out the red carpet. The Students went all out. There was no mistake between the sexes on the lavish day in the halls. Students transformed right before ones very eyes. The boys were no longer boys. They were dressed in their suits with ties to match. Materials ranged from rayon, silk, to satin. Oh my goodness! As for the girls, excuse me, Women of Pontiac Central, they were so fly, they blew their own minds. Dressed to impress in our rayon fashionables, we made PCH shine. Faculty tried their best but just couldn't hang. Just kidding!

Is it Twin Day or Dress Up? Anyway those Elams are doing it their own way.

Krystal Hainsworth dressed at her best before working on the 1992 Quiver.

Trillium Smith and Tia Smith are 2 good looking "sisters".

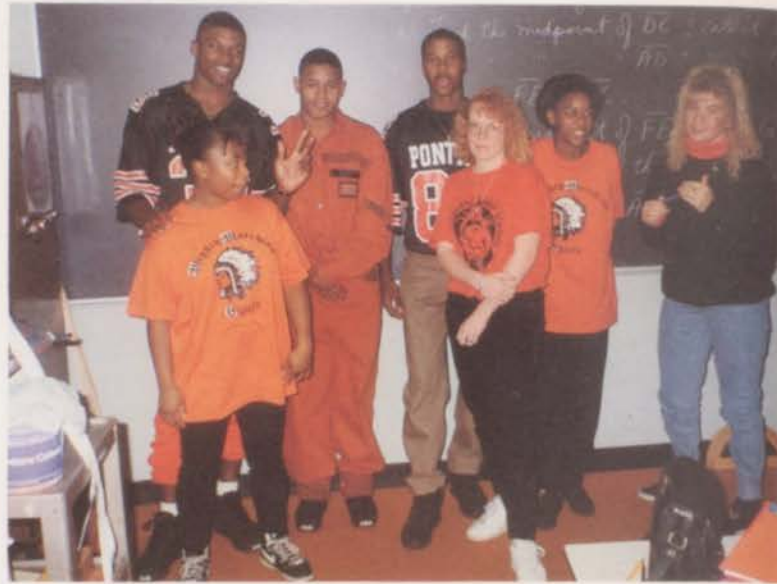

Etleiffe Graves, Kavarus Short, and Tremayne Thomas are looking GQ smooth.

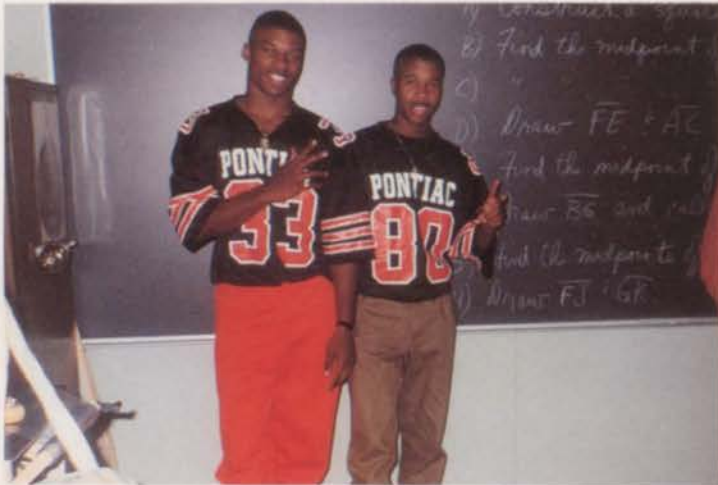

Terrance Anderson stylin' and profilin.'

SPIRIT DAY

It wasn't Halloween yet, but all you saw at Pontiac Central on October 9th, 1992, was orange and black. It was Spirit Day and we all know that Chiefs have spirit. We're so glad we go to PCH and we prove it by the spirit we show when we wear orange and black.

Students always get to gig in Mr. Smith's class.

Louis Adams and Donzell Broadnax always like to pose for Sports Illustrated.

Fall athletes join in the fun.

Shaka and Tamioka Carthane reminisce about the good 'ole days when they were Chief and Princess.

PEP RALLY

Can you feel it? Can you feel the excitement felt by everyone in the field house during the pep rally? It was hype, it was dope, it was fresh, it had it going on... in other words, it was fun. The October 9th Homecoming Pep Rally proved to be very successful. Both the students and staff enjoyed the band, pom-pon squad, cheerleaders, and of course, the football players. If we did at homecoming (42-16) after every pep rally, we should have them more often!

"Go Chiefs Go!" yell the PCH cheerleaders.

Kim Hanes and Jamie Boldrey ask, "Is this Spirit, or what?"

PARADE

"Steppin High and Mighty" the Pontiac Central Chiefs celebrated their annual Homecoming with bright, bold, and beautiful cars honking, spirited colorful banners blowing and a representable Homecoming Court Float. The cheerleaders were cheering, the Pom-Pons girls were steppin, and the band was jammin. All of PCH's clubs and teams participated along with Pontiac's citizens. It was an exciting and spirited occasion to remember.

Seeing double? Check those eyes again, its just Mr. Cotter and his father on their way to cheer on the Chiefs.

Here are the Mighty Marching Chiefs stopping traffic.

The Pom-Pon squad struts their stuff down Oakland.

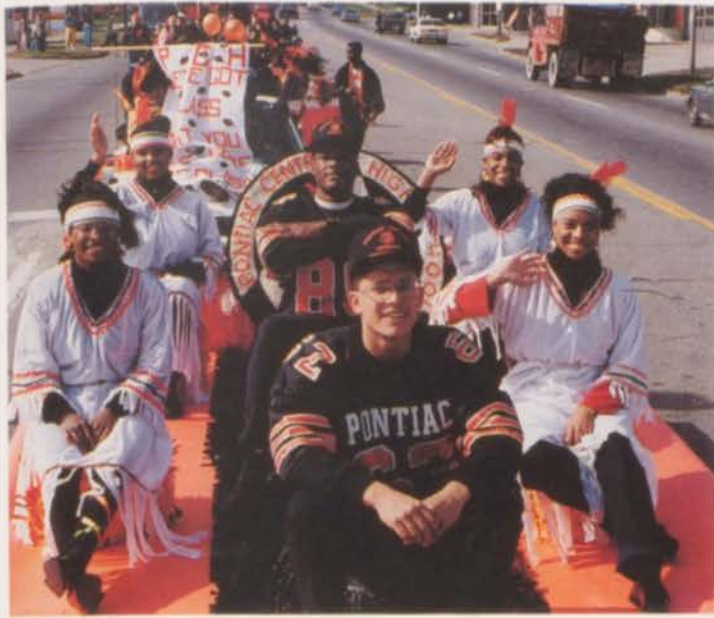

The Band really gets down as the parade continues up Oakland.

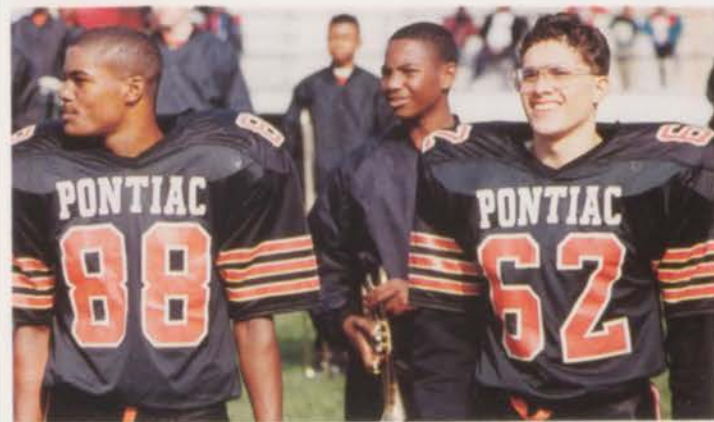

Excitement is in the air as the clubs try to get organized to make the march to Wisner Stadium.

1992-93 COURT

What's the next best thing to winning Chief and Princess? Being on the court. These lucky runner-ups for Princess were Elizabeth Gulley, Krystal Hainsworth, and Nakia Lucas. The runner-up for Chief was Claudio Lopez. The 1992-93 court worked hard to get where they are and we, the Chiefs, were proud to have these hardworking individuals represent us.

Our Homecoming Court waved at the Pontiac citizens who lined the streets to watch the parade.

Our Chief want-to-be's stand waiting to hear who is going to be!

Claudio Lopez must have been watching something funny that none of the rest of the court saw before the parade began.

The Court has nerves of steel anticipating the decision.

During the first half of the game the court tries to enjoy themselves by watching the game and waving to friends.

PRINCESS

Princess! Princess! Princess!

None other than Danielle Arnold, Hollywood herself. Danielle was elected to serve as Pontiac Central Princess because of her outgoing personality and never ending spirit. She's a very outspoken and definitely interesting person. As the crowd cheered, her heart beating, she was greatly honored and relieved with joy as a true princess should be. We have entrusted her with an honorable position. A position that requires dignity and leadership. We know for-a-fact that she is PCH Princess material!

The after shock of being named Chief and Princess, Danielle Arnold and Marcus Terry just stood there basking in the glory.

Danielle's big smile says it all, "Am I the Princess or not!"

"This crowd is big and hard to get through' Danielle is thinking.

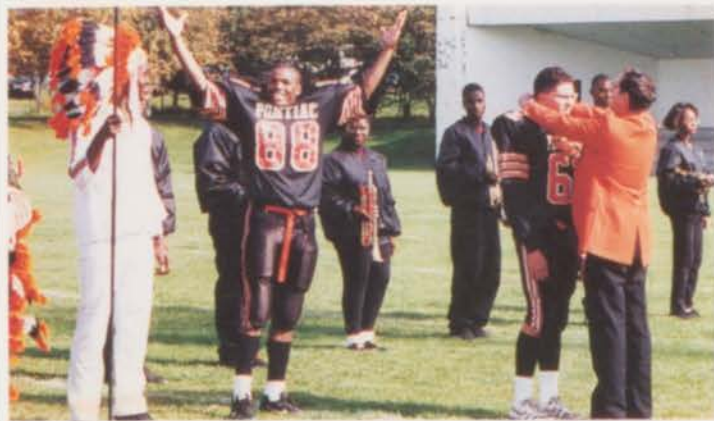

The new Princess and her "favorite" principal Mr. Cotter.

CHIEF

Who's the Chief of the Chieftans? Yours truly... Marcus Terry! Our most precious and prize position was well deserved and most honorably accepted by Marcus. During the Homecoming Court election week he remained calm but still excited. Our Chief never gave us a wondering moment concerning his ability to represent us in "Great' and I do mean "Great' spirit.

Marcus Terry giving the sign of the Chief.

Claudio Lopez being flowered by Mr. Cotter while Marcus is saying, "I Won'.

And he dances! Our new Chief and his Princess.

Is this the best that Marcus Terry can do?

Marcus takes advantage of the customary dance.

HOMECOMING GAME

"We defeated them!" Our mighty Chiefs played like winners at our Homecoming game against Saginaw. With the support of staff, students, and parents, they came out with a final score of 421 Chiefs to 16 Saginaw. Our Chiefs gave their all to show everybody that they are still the "best". Everyone should be proud of the way our remarkable Chiefs played throughout the game. They truly came out on top with their remarkable performance.

Here we have quarterback Ray Adams calling out the plays to the other players.

Avin Benton rushing down the field after the punt.

Excuse my guys, but don't you know that its not polite to whisper?

Quarterback Ray Adams, dodging Saginaw to score a touchdown.

Here we have Monica D. "Mole-D" Mitchell, the only one looking the wrong way during the game.

Chiefs start out as a war and end up on top.

Chiefs eagerly await the kick off from Avin Benton.

When the going gets tough the Chiefs back each other up.

Louis Adams goes for a touchdown.

Great Defense! Chiefs led us to a VICTORY!

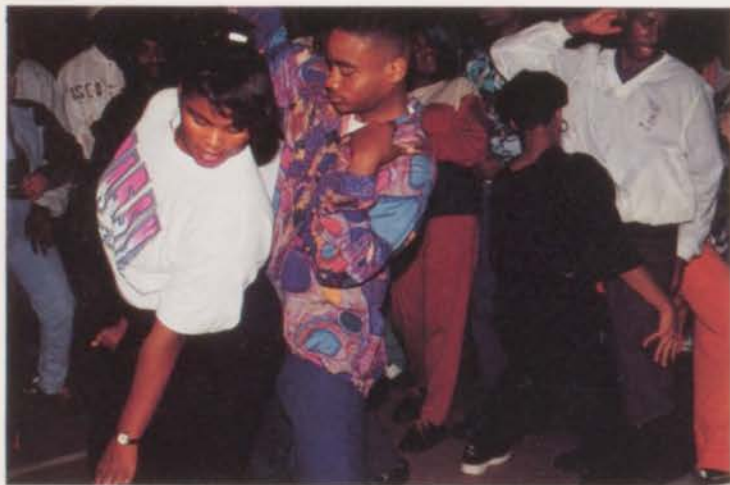

Proud fans of the Chiefs show their spirit.

HOMECOMING DANCE

A Freak ain't nothing but a Freak. The Homecoming Dance proved this true. Students were dancing to Freak Ain't Nothin' But A Freak, Baby Got Back, Drop, Slow Dance, and Forever My Lady. Pontiac Central students giggled until they could gig no more. Teachers and Administrators enjoy a well-mannered dance. Students from other schools, guests, enjoyed the dance also. October the 10th will be a night the sophomores and freshmen will never forget, their first Pontiac Central Dance.

Marvin Scruggs and Tonja Wright a freak Ain't Nothin' But A Freak.

Lavanetta Quince and Keon Edwards enjoy a Good Freak.

Pontiac Central students are true Freaks.

NATIONAL HONOR SOCIETY

The National Honor Society is a nationally organized group of honor students who will later make great contributions to society. These students must maintain a 3.0 grade point average, be active members in the community or sports and receive complimentary recommendations from several teachers. This doesn't mean that the members of NHS kiss up to their teachers or that they are all nerds. It means that they can be (and they're not even in the army).

TAG

The Talented and Gifted program at Pontiac Central is a group of intelligent and creative students. They are chosen for their academic achievements, in the ninth grade. Being chosen for TAG is a great honor to any student. Advisor, Mr. Richardson takes TAG students to a variety of educational activities. In past times, students of TAG have visited the Wharton Center at MSU to see theatre productions, which tie into the literature they read in the classroom. In the spring of each year, students are invited to attend monthly scholar meetings at 7:00 a.m. to hear guest speakers talk about various topics that interest the students.

KEY CLUB

Key Club is a service organization for high school students, which operates under high school regulations and draws its membership from the student body. Key Club differs from other organizations in many ways. Key Club is unique because it is sponsored by a local Kiwanis Club, composed of the leading business and professional people of the community. Key Club's objective is the development of initiative, leadership ability, and good citizenship practices.

YOUTH IN GOVERNMENT

Youth in Government is an organization that teaches high school students basics about state government as well as enhance their social skills. The students simulate state government and take the roles of senators, representatives, governor, speaker of the house and even the media. Youth in Government participants are allowed to use the actual senate and house chambers in the Capital building. While they are there, the students debate and vote on bills that they wrote themselves. The issues range from taxes to capital punishment. This organization proves to be a good experience for students interested in politics.

FOREIGN EXCHANGE

Arantxa Latatu and Fernando Sanz Alonzo fit right into the PCH scene.

My name is Arantxa Latatu and I am a foreign exchange student from the northern part of Spain. My community is known as the Basque country of Spain. We speak Basque and remain to have a different language apart from Spain. Our language is not only different from Spanish but our customs are also different.

I am the second foreign student from Spain. My name is Fernando Sanz Alonzo. I'm from the southern part of Spain which is the Canary Islands near the northwestern part of Africa. Our customs are similar to Spain. We have wonderful weather which is tropical throughout the year.

We come to the United States with the assistance of a special organization (Bendall and LEE).

STAGE PLAYERS

The Pontiac Central Stage Players represent the entire school body. Using their creativity and imagination they put on two productions each year. To include everyone, the stage players open auditions to all. Their performances are a special treat to all who enjoy a variety of theatre. From the classic "Our Town" to the hilarious "Little Shop of Horrors," the Stage Players show everyone that they aren't just amateurs, they're talented amateurs.

BLACK DRAMA CLUB

Under the supervision of Mrs. Phillips, the Black Drama Club performs for various reasons. From serious plays about teenage pregnancy and gang violence to lighter plays like *The Wiz*, the Black Drama Club works to entertain the student body all year around. Besides plays, the BDC go on various field trips, including the one planned for March to Western Michigan University. During the meetings, the members work hard to make the BDC a huge success, and the way things look, they're making it come true.

"LITTLE SHOP OF HORRORS" ... CLOSED

"It was an excellent experience." Sets were built, costumes made, lines memorized, but "Little Shop" never opened. According to Mr. Krontz, director, "Little Shop" far exceeded production expectations.

Tryouts were held in mid-August and rehearsals began on August 17, 1992. 32 students auditioned for the 20 parts available. Once the cast was posted we began eight weeks of rehearsal.

"Never have we had a set as complex as this one," said Mr. Krontz, speaking of the massive skid row flats and intricate "Little Shop" interiors. He added that "for the first time we were able to utilize our new lighting system." Using a variety of shapes, lighting designer, Ethan Schortman, was able to create a technically wonderful spill of lights. Mr. Krontz also said that "Musically speaking, we were very strong."

Even though "Little Shop" never opened, students had a tremendous experience. One cast member said it best... "The experience we've had will be with us forever!"

BAND

PCH Bands have gotten off to a great start. From the incoming freshmen to the outgoing Seniors. PCHS bands do their best to play their hearts out for Mr. Blazis-Voight. The Varsity Band class is mainly directed to the Freshmen and most marching band students. Concert Band is composed of Sophomores and Juniors who are a little more advanced than the Varsity Band. Next is the Symphonic Band which consists of the upper classmen of the Band program, these particular students have been in band since Jr. High and who have continued to pursue their musical education. Drum Majors Janet Chaney and Jarriel Land did an excellent job leading the Mighty Marching Chiefs in the many parades and performances this year. The Chiefs danced their way through the hearts of Central Fans.

CHOIR

Pontiac Central has three choirs which are Mixed Choir, A Capella Choir, and Gospel Choir. This has been a successful year for the singers because each group has its own voice and personality. Of course the director, Mr. Cordell, played a major part in making the students voices harmonize. The choirs performed at many concerts including invitations away and the winter concert held at PCH near the Christmas holiday.

ORCHESTRA

Even though the orchestra is smaller than last year, they're still making beautiful music. The two violins and bass seem to be all that's needed under the direction of Mr. Pescor. The three students practice hard everyday, and as they say, practice makes perfect. So if you ever have the privilege of listening to the PCH Orchestra you will hear the wonderful results of their long hours of practice.

SADD STAY ALIVE

**Keep Pontiac Clean and Green
Get Chemicals off the Scene ...**

Trust me, you say, I know what I'm talking about. The message is don't drink and drive, and please listen to me, I love you, I know what I'm talking about here, the message is don't drink and drive, the message is don't drink and drive.... Who said that? Hello, am I talking to myself?

Your mind begins to wander, you doze off, you wake with a start, there's a car pulling into the driveway, headlights sweep the dark room where you wait. You've been holding your breath, you relax, you feel like a balloon going down. At the same time you feel the anger begin to build in your chest, real anger, you scared me, you kept me up.

Here comes the kid. She's been drinking. He's been drinking. You can smell it.

You wish there was a magic formula, never mind how foolish it sounds, or a magic wand, anything to make your job easier, make this kid understand the truth you're trying to tell, the message you have to deliver: don't drink and drive.

You're talking to yourself now: don't drink and drive. You're talking to yourself, but you're talking to your kid, too. Don't drink and drive. Here comes the kid. Don't drink and drive, and please listen to me, I know what I'm talking about, I love you.

Namiki Bell preparing to distribute red ribbons for the annual SADD campaign.

Eugene Page urges you to "tie one on" for SADD.

Kyarnot Branner knows that drinking and driving don't mix.

Look, you say, you could wreck the car, kill yourself, or somebody else, or hurt yourself, or somebody else. You could wind up in jail. All true.

And so could you.

DEBATE

What is debate? It's not two people yelling at each other with differing points of view. It's defined as argumentation by a set of rules. This year the national topic was that the U.S. should decrease worldwide pollution through its trade or aid policy. Two students are affirmative and two are negative, but together they compete as a team. This year, under the guidance of debate advisor, Ms. Jones, the PCH team made it to the state finals since 1978.

BUSINESS PROFESSIONALS OF AMERICA

The Pontiac Central chapter of Business Professionals of America is made up of students who are aimed towards a business-oriented career. The advisor, Mrs. Ruth Jackson, has attended several business meetings along with the other members. One of the highlights of the year was the regional conference held at the Westin Hotel in Detroit in October. BPA also does a lot of community work. In September, they organized a hurricane relief for the victims of hurricane Andrew.

They also organized a food drive during November. As you can see, the BPA is a group that works for themselves and others.

BOWLING CLUB

"Is it a STRIKE! or a spare?" That is what or PCH bowlers say when their ball hits the pins.

The PCH Bowling Club is a fun-filled opportunity for club members to STRIKE it big. Many members find bowling to be a competitive and fun sport. The Bowling Club is organized by Mr. Martes, the man who "knows his bowling." Every Wednesday at 3:00 our club is held at Savoy Lanes. All club members show up to throw their bowling balls down the alley to a STRIKE. Each and every club member makes bowling a fun thing to participate in.

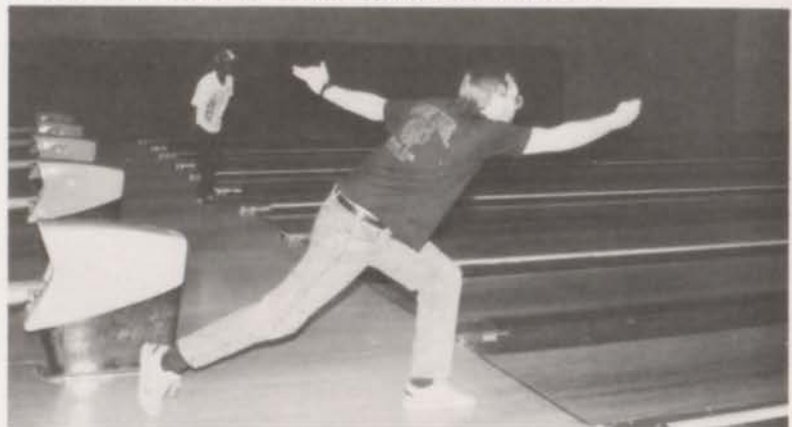

Still, the real fun-filled competition begins with Michigan's High School bowling championship teams. With the support of all the club members and the family, the PCHS Bowling Club is very proud to support their activity, and to be able to come out on top. GO BOWLERS!!!

Tim Sterson anxiously awaits to see if the last pin falls.

The rotation continues as Mike Tozzi finishes Jared Bailey prepares to be up next.

QUIVER STAFF

Right now you are probably looking through this yearbook trying to see who's in it. What you probably don't realize is that it took a lot of hardwork from a group of students devoted to making this a good yearbook for you. Instead of rushing home to catch the soaps or watching cartoons, many afternoons were spent in the class cropping pictures, designing layouts, writing copy and just identifying people. So now that you know how much work was put into this book, how do you like it?

Back - Renaka Mays, Latrice Singleton, Gina Grandberry, Yvette Robinson, Shwante Joseph, Renee O'Rourke, Betty Williams. Center - Quentessa Matthews, Roxanne Roberson, Krystal Hainsworth, Ericka Lewis, Mena Meadows. Front - Rosana Trevino, Tim Parker, Kim Hanes.

ADMINISTRATION/SECRETARIES/COUNSELORS

Mr. Ezra Sloan and Mr. Andrew Terry

Donnie French, Louise Lyons, Grace Laster, Dawn Lyons, Karen Hopp, Margaret Grossnickel

W. Houff, M. Paquette, H. Evans, C. Escobar, C. Lafountain, W. Graham

Ever wonder what it takes to run a school as smoothly as Pontiac Central? Of course it takes terrific students like us, but in case we get out of hand something else needs to step in and take charge. That something else is our Administration Team. They work hard to make sure this learning institution is kept orderly, although they can't do it all by themselves. That's where the secretaries step in (or is it vice-versa?) Their job is to make sure the administrators don't get swamped with paper work. And we just couldn't leave out our counselors. They deal with the students face-to-face so that staff and students can make PCH an enjoyable place to be.

Eileen McFadzean works hard to organize the counseling staff.

Rod Cotter contemplates what the school year will hold?

MEDIA CENTER/PHYSICAL ED/SPECIAL ED

When students first come to PCH they are amazed at how big the media center is. Many of them think it only contains books, but there's more than that. Besides books there are records, tapes, slides, portraits, magazines, and information files. As you can see, the media center is designed to help students. Another method of helping students is the special education program. This program is especially useful to students who need a little bit extra attention. Although academics are important, so is a healthy body. That is why in physical education, physical fitness and good sportsmanship are stressed day after day.

ENGLISH/FOREIGN LANGUAGE/BUSINESS

Brenda White, Lorene Phillips, Ken Brown, Sharon Kennebrew, Linda Holloway, Roger Roller, Elaine Kieninger

William Hoffman, Jackie Jefferies, Jose Coba

Ruth Jackson, Gene Gerard, Kirby Hoffman, Jan DeNio

Many students here at PCH plan on going to college. Others plan on going directly into the workforce. For students with these plans, Pontiac Central has provided a variety of classes to help. They range from typing and computers to Business simulation. Of course, how could a future business person be well-rounded without being able to express him or herself articulately? That's not a problem at PCH because of various English classes that are offered. And for those who like to really be expressive, our Foreign Language department consists of Spanish, French and Japanese.

Co-op employers are contacted by Sandy Macy to see how students are doing.

Jose Coba encourages his students to put emphasis into the language.

MATHEMATICS/SOCIAL STUDIES/SCIENCE

How does the science, math and social studies courses help the students at PCH? They help us better ourselves by preparing us for the future, no matter what you are going to be. You need science to get that extra ability of skill majoring in computer technology, astrology and maybe a scientist. You need math for calculating figures of income for any job/career. Last of all you need social studies to where you are in life. The people around you, your community, the life-style you want and how it can affect you and others. All through every day life science, math and social studies are used.

MUSIC & ART/CLUSTER/FINE ARTS

James Pescor, Chris Botsas, Jeff Blazis-Voight

John VanHull, Marien Kissling, Carolyn Delia, Liliana Sorg

Laura Williams, Denise Morgan, Charles Roberts, Jan Hulett

Many musically inclined students fulfill their goals by participating in one of the instrumental or vocal groups at Pontiac Central. For the artistically inclined, four different fine art classes are provided. Another fine program that is somewhat new to Central is Cluster. A group of students are taught for four hours by four teachers. This provides a more individual and intense learning environment. Another new program at PCH is the Fine and Performing Arts program for students in the 7th and 8th grades.

Jackie Jefferys leads Mr. Hejhal down the path of trust.

What could Mr. Cordell be laughing about?

VOCATIONAL ED/DRIVER ED/VOCATIONAL OFFICE

Do you like working with your hands? If so, are you good at it? If you answered yes to both of these questions, you would be perfect for the vocational educational departments. You could take small engines or drafting. Either way, you could gain the skills needed for a hands-on type of job. Even if you're not so good at working with your hands, you probably are definitely interested in the driver education courses. It can be taken either during school or summer. If you pass you get your permit and you're ready to ROLL!

They make us lunch, they clean the school and make sure it is kept clean and orderly. We owe all of this to our food service and maintenance workers. Where would we be without them? Let's just be thankful they're here. Another group we should be very thankful to have is the Job Placement Staff located on the second floor. Without them many of us would be jobless and broke as a joke. So with money in your pocket and a smile on your face, thank your lucky stars we have such great services provided at Pontiac Central.

Jimmie Harrison and Delores Reid smile as they prepare food for the schools.

WHAT "HIGH SCHOOL" MEANS

High School is a place where students are taught responsibility. Students are also taught how to deal with daily problems and to accept different personalities and different attitudes. Although this is important it is most important that students enjoy themselves, and make the best of their "High School" years but NEVER forget their purpose.

Letter From The Editor

This year has been a year full of changes. Different administrators, policies, and attitudes of the student body. It was the Quiver staff's job to keep up with and capture these changes in order to provide a book full of memories for you. We all worked very hard spending long hours after school. I would like to thank this year's yearbook staff and especially Ms. Simpson for her support and contributions. I would also like to say that even though we, the class of 1993, has had to endure many difficulties over the past four years, we made it, and right now that's all that matters! So until we meet again ... peace out!

Sincerely,
Gena Grandberry
Editor

Special thanks to the 1992-93 Quiver Staff.

LAST GLIMPSE AT 1993!

Special thanks to Ms. Simpson.
