

Pontiac
Central

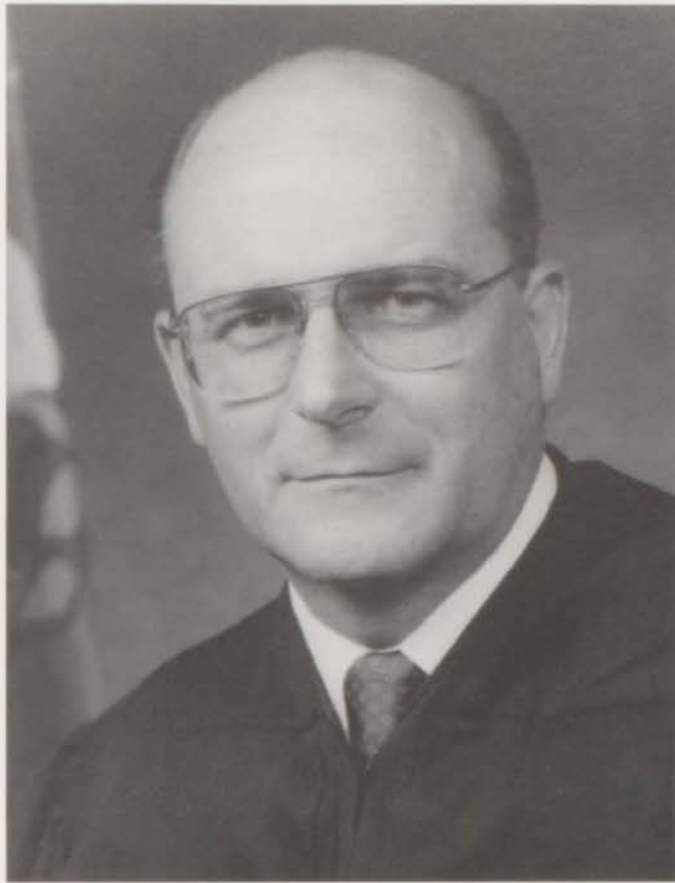

Quiver

Honorable Fred M. Mester
Circuit Court Judge

One of the most exciting initiatives currently unfolding in the school district is the Pontiac Alumni Foundation. For this effort, the school district is greatly indebted to the Honorable Fred M. Mester, Circuit Court Judge for County Oakland. Judge Mester is literally galvanizing the Pontiac community to provide what he said and Superintendent, Dr. Walter L. Burt, term a "certainty of opportunity" for all students who attend and graduate from the School District of Pontiac.

Judge Mester says, "If we are to make a pronounced difference, we need to engage the four legs of the community: Alumni (other private citizens), business, education statement and goals to the extent that everyone we speak to will be motivated to join with us in this endeavor as well as to create within the Community of Pontiac a spirit of involvement that all will understand that in the education of our children it takes the parents, the family and the community."

The Pontiac Alumni Foundation is being constructed around a common purpose that is drawing alumnae and supporters together to build on the hope that it can create for the city's students by providing them with the resources they need to achieve their full potential.

The Pontiac Alumni Foundation has adopted six objectives from which to work, i.e., children will start school ready to learn, children can and will graduate, parents can help, it takes a village and the foundation will work collaboratively with other groups in the community to achieve the aforementioned objectives.

Honorable Fred M. Mester, we salute you for your vision and tenacious spirit towards making your dream, the Pontiac Alumni Foundation, a reality for the students and families of the School district of the City of Pontiac.

Mr. Jonathan Brown, Principal
