*All the windless day snow fell  
Into the King's garden.*

*Where I walked, perfecting and growing old  
Abandoning one by one everybody;  
Randomly in love with the Paradise*

*Furnace of my Mind. Now I sit in the dark,  
Dreaming of a marble sun  
And it's strictness. This  
Is to tell you I am not coming back  
To tell you instead of my private life,  
Among people who must wrestle their hearts*

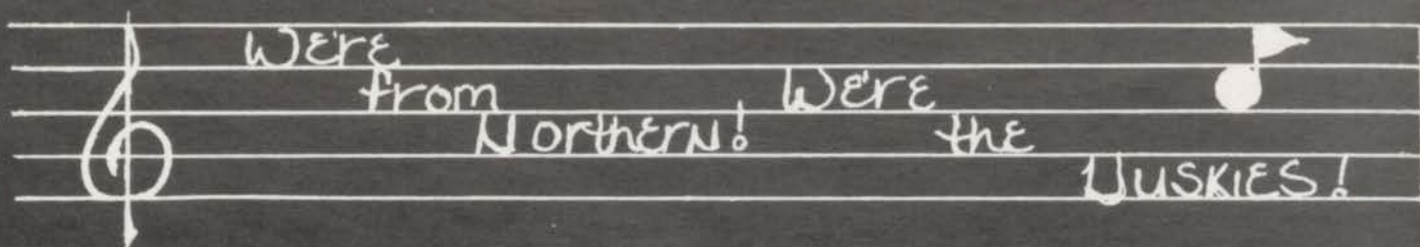

*To feel anything, as though it were unnatural.  
What I master by day  
Still lapses in the night. I go on  
With the cargo cult, feeling the snow  
Come down, learning to flower by tightening.*

*John Gilbert*

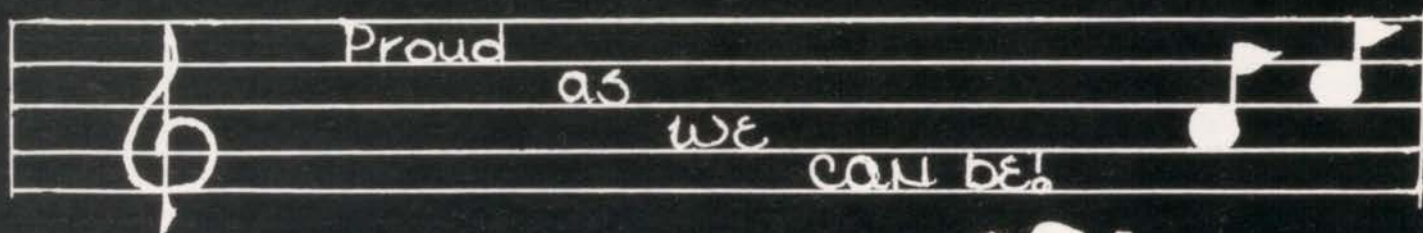

AH! WE're from Northern, We're The Huskies...A familiar "carol" that we all sing and enjoy. Above: The Pep Band really gets fired up during the game with Mike Valko in charge.

Left: The new rookies on the Avalanche Staff are constantly crying, "We're the Huskies, too!" With Mary Ewald, Pam Jefferson and Tina Hoskins.

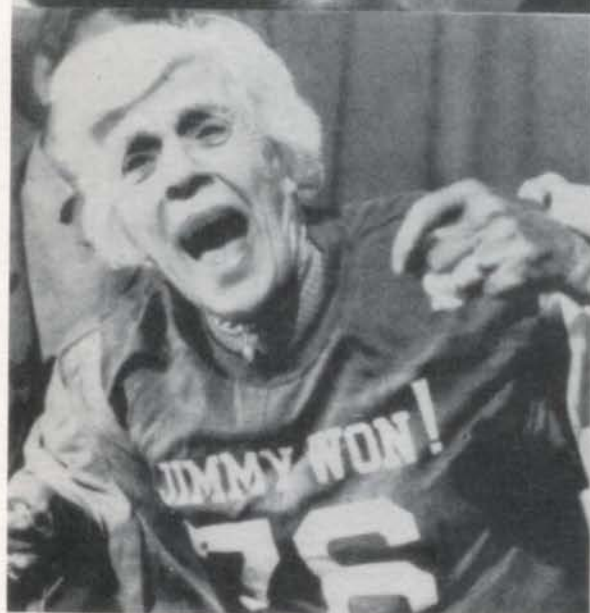

A YEAR TO

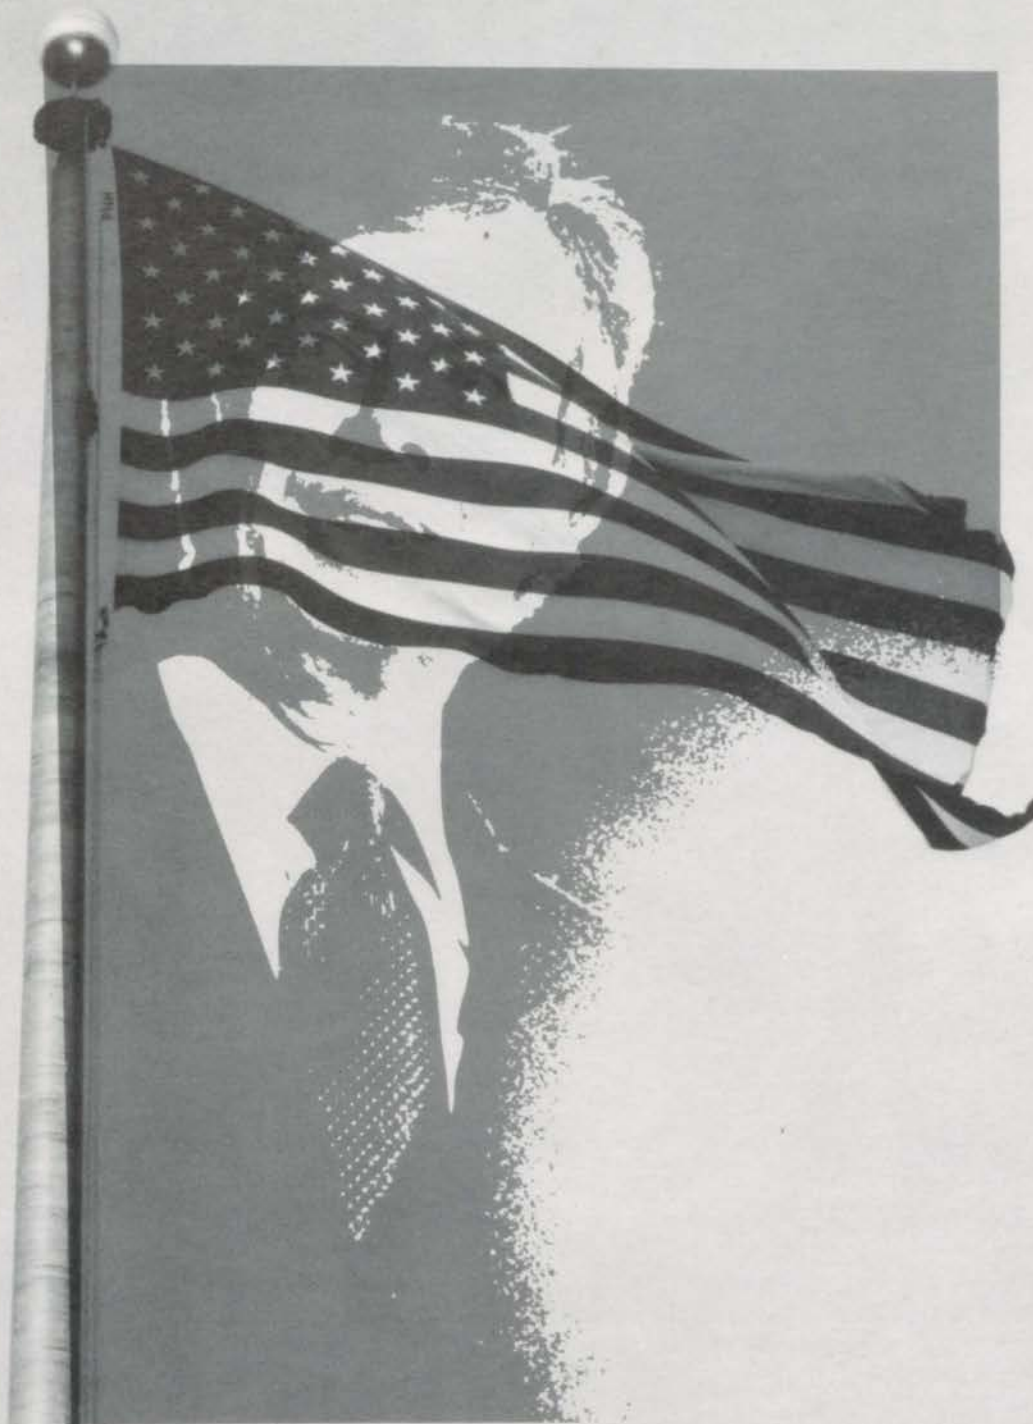

*REMEMBER*

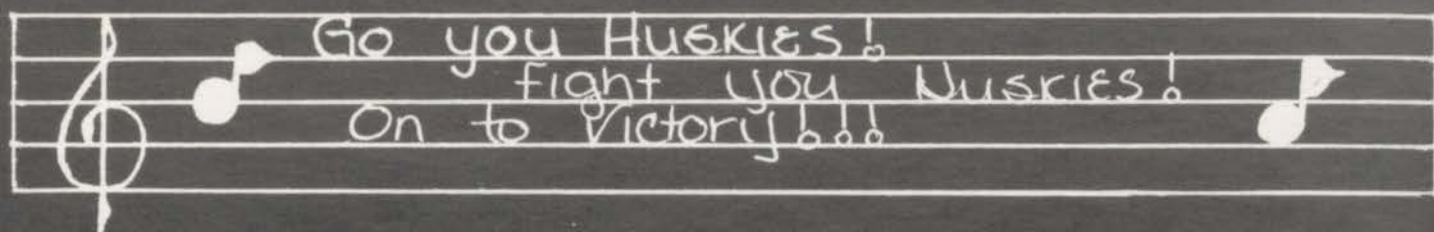

## *Good Things To Come?*

*On January 20, 1977 Governor James Earl Carter was inaugurated as the nations 39th President of the United States. With him in the white house are his wife Rosalynn and daughter, Amy. Many changes have already been made. A black woman has been named to the Presidential cabinet as Secretary of Housing and Urban Development. Along with Mrs. Patricia Harris is Juainta Morris Kreps as Commerce Post. Good Luck Mr. Carter, the job is an old one but the employee is fresh and new.*

Yes, Northern has truly been blessed with talented and outstanding athletes. We've won more Inter-Lakes championship titles than any other school in our league. Here's why:

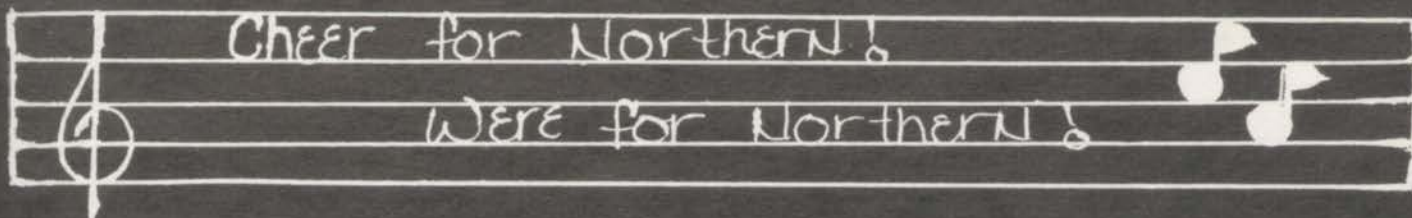

Above Left: Earnest Allen brakes his way through "would-be" tacklers.

Above Right: Shelley Steinhart, Junior, is our "star" catcher and gets ready for the next pitch.

Right: The Varsity Cheerleaders scream with enthusiasm as P.N.H. adds more points to the board.

*Cheerleaders have proved to be essential to Northern's sports programs for years. Here's why: Above: The talented squads have come together for a fantastic mount.*

*Right: Although not a cheerleader, Kari Reaver has put spirit into the 76-77 Marching Band like no other drum major. With her leading the band, you just have to stand back!*

HERE COMES  
the HUSKIE Team!

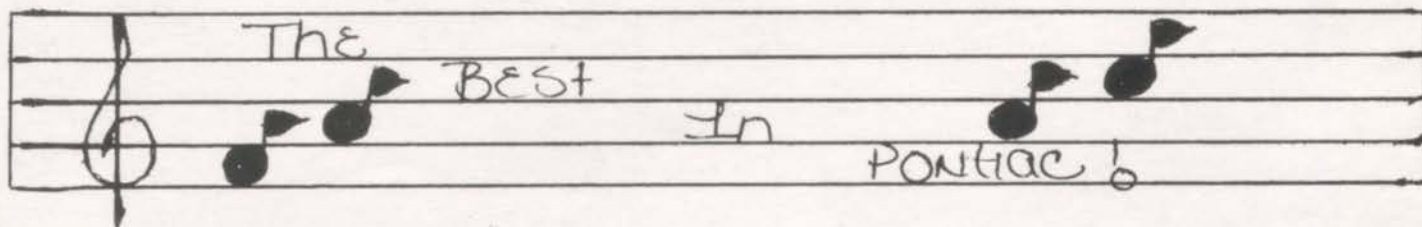

Here come OUR Huskie Teams:

Opposite top: The 76 Huskies are kicking off to a new season.

Opposite Middle: The Basketball Team takes time for a picture.

Opposite Bottom: The backbone of ALL our Huskie Teams are the administrators of P.N.H. Hat's off to you all!

Left: Ending a hectic season the Marching Band leave with ease.

# Student Life

The activist, socialite and exuberant all belong to P.N.H. Personality is a very cherished thing here and when 2,300 of these personalities are combined to expect anything less than utter chaos would be the understatement of the year! But to be honest, one could never say that there was a dull moment when these people get together. Whether it would be Pep Assemblies, Baseball games, Donkey Basketball or just plain fun (running to the Varsity Stand for a fast-selling hotdog) the Huskie Spirit shown through. Meeting friends between classes, "studying" in the orange area or watching our teams win game after game, it's all a part of Student Life and Student Life is a part of P.N.H.S. With these thoughts in our heads we can proudly exclaim . . .

"Go You Huskies"

"Go You Huskies"

# Try and You'll Succeed

One of the most exciting and special events of the school year is Homecoming Week. This year was no exception as our 19th annual Homecoming was a tremendous success. The days preceding Homecoming were busy with many different activities for the student body to participate in. Dress up day, tacky day, letter sweater and button day, red and white day, plus the bonfire and the building of the floats were only a few of the many activities during Homecoming week. The climax of the week came on Friday, with everyone bustling around finishing the last minute details of the float and dance. The excitement started with the crowning of the King and Queen and their court during the Coronation Ceremonies. As the excitement grew and the time drew near for the big football game, the Marching Huskies lead the parade route to Wisner Stadium. The Huskie spirit was high as the students and alumni cheered their football team to a victory over Milford Lakeland. Following the game students danced to the music of the Phase IV Band as the King Jeff Wheatley and Queen Kathy Keesling reigned over the Homecoming Dance "Starship".

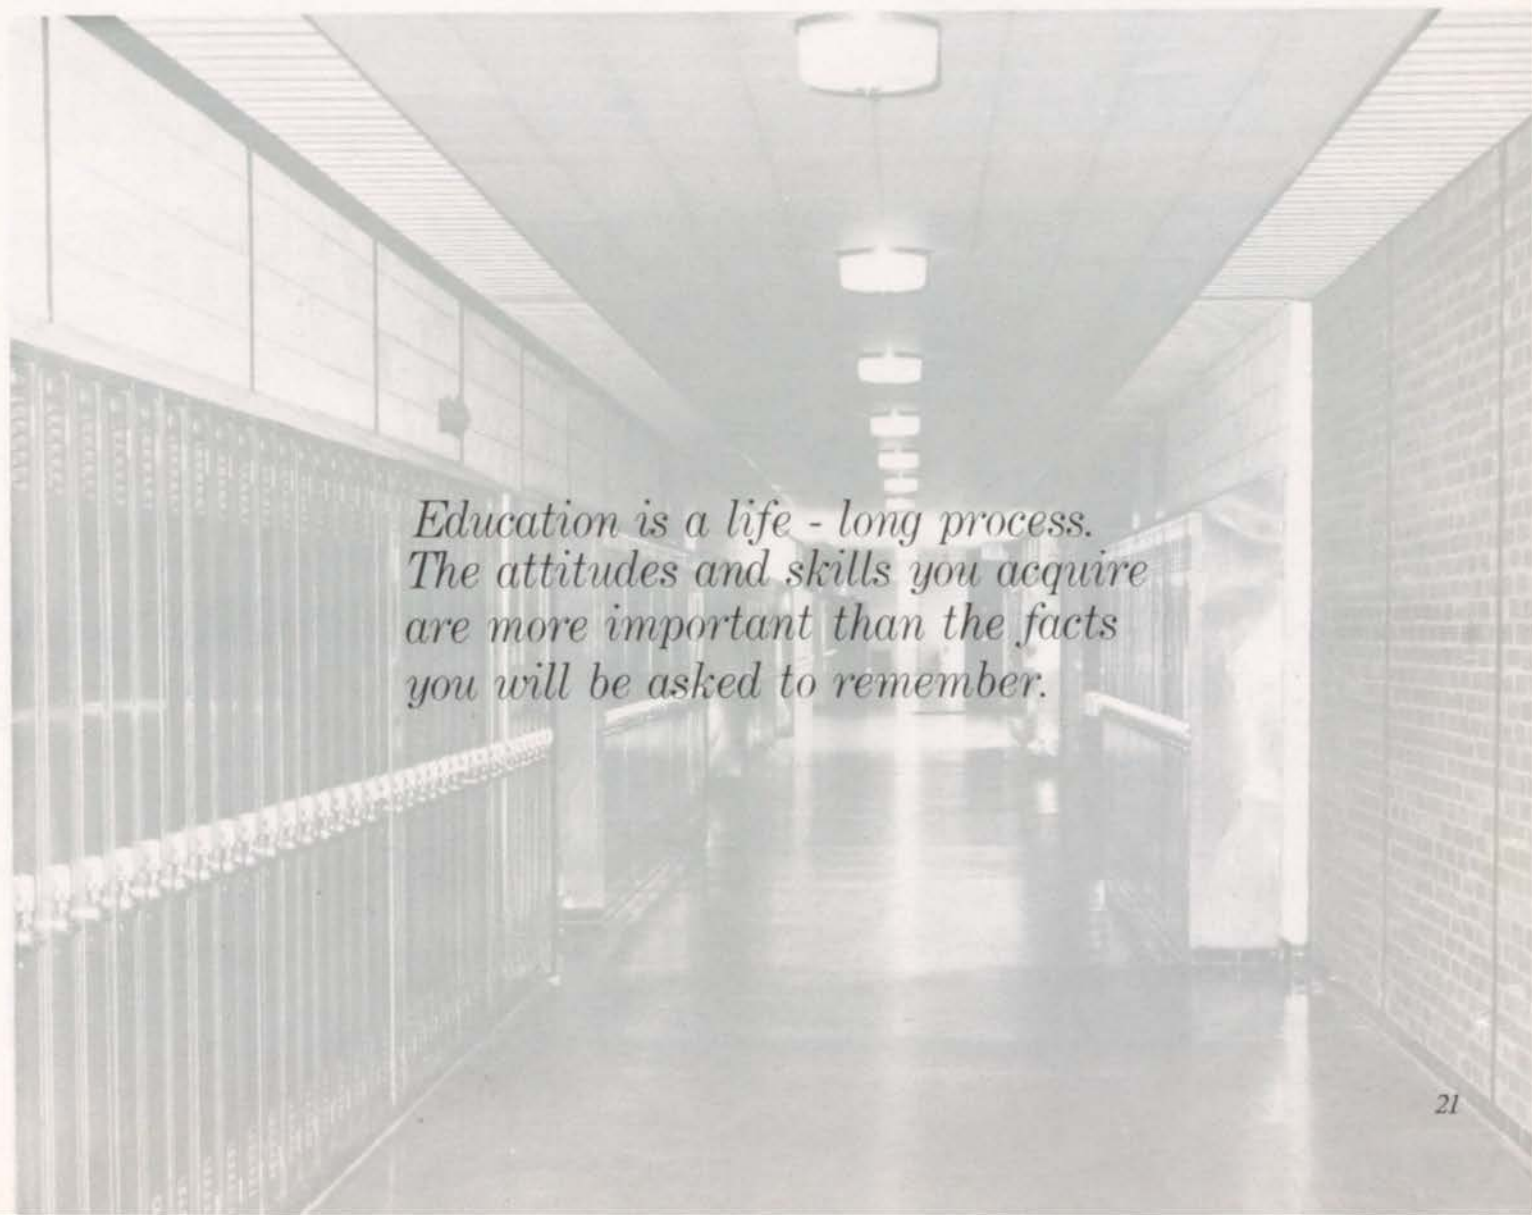

*Education is a life - long process.  
The attitudes and skills you acquire  
are more important than the facts  
you will be asked to remember.*

*There is always something old to be sought and enjoyed,  
always something new to be found and treasured. J. Kiernan*

**We'd like**  
to invite you to join a  
credit union.

**TODAY'S YOUTH  
CAN USE A  
DEPENDABLE  
FINANCIAL  
FRIEND**

And maybe that's why so many young people are becoming credit union members . . . bright young men and women who are finding that all kinds of good things can happen when they take advantage of what the credit union has to offer.

Things like convenient savings plans and borrowing power that can help fulfill dreams and goals.

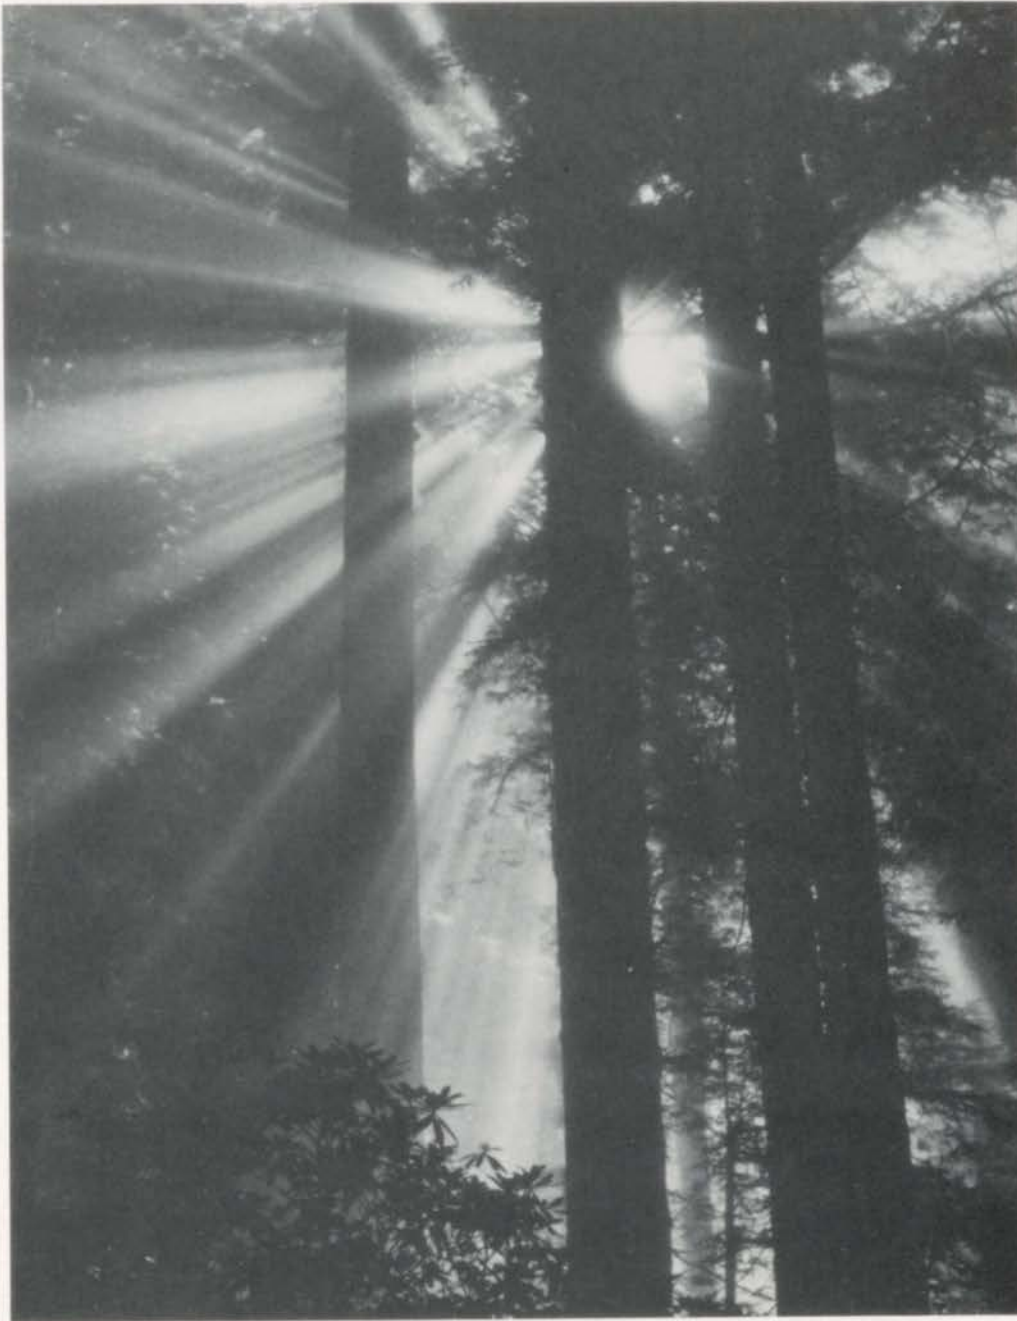

Because our credit union is turned on by youth, we're making every effort to keep tuned in to their special needs with services to make things easier and a staff that knows how to relate and respond.

Like we said . . . we think young people can use a dependable financial friend. The credit union.

**Pontiac Area** SCHOOL EMPLOYEES

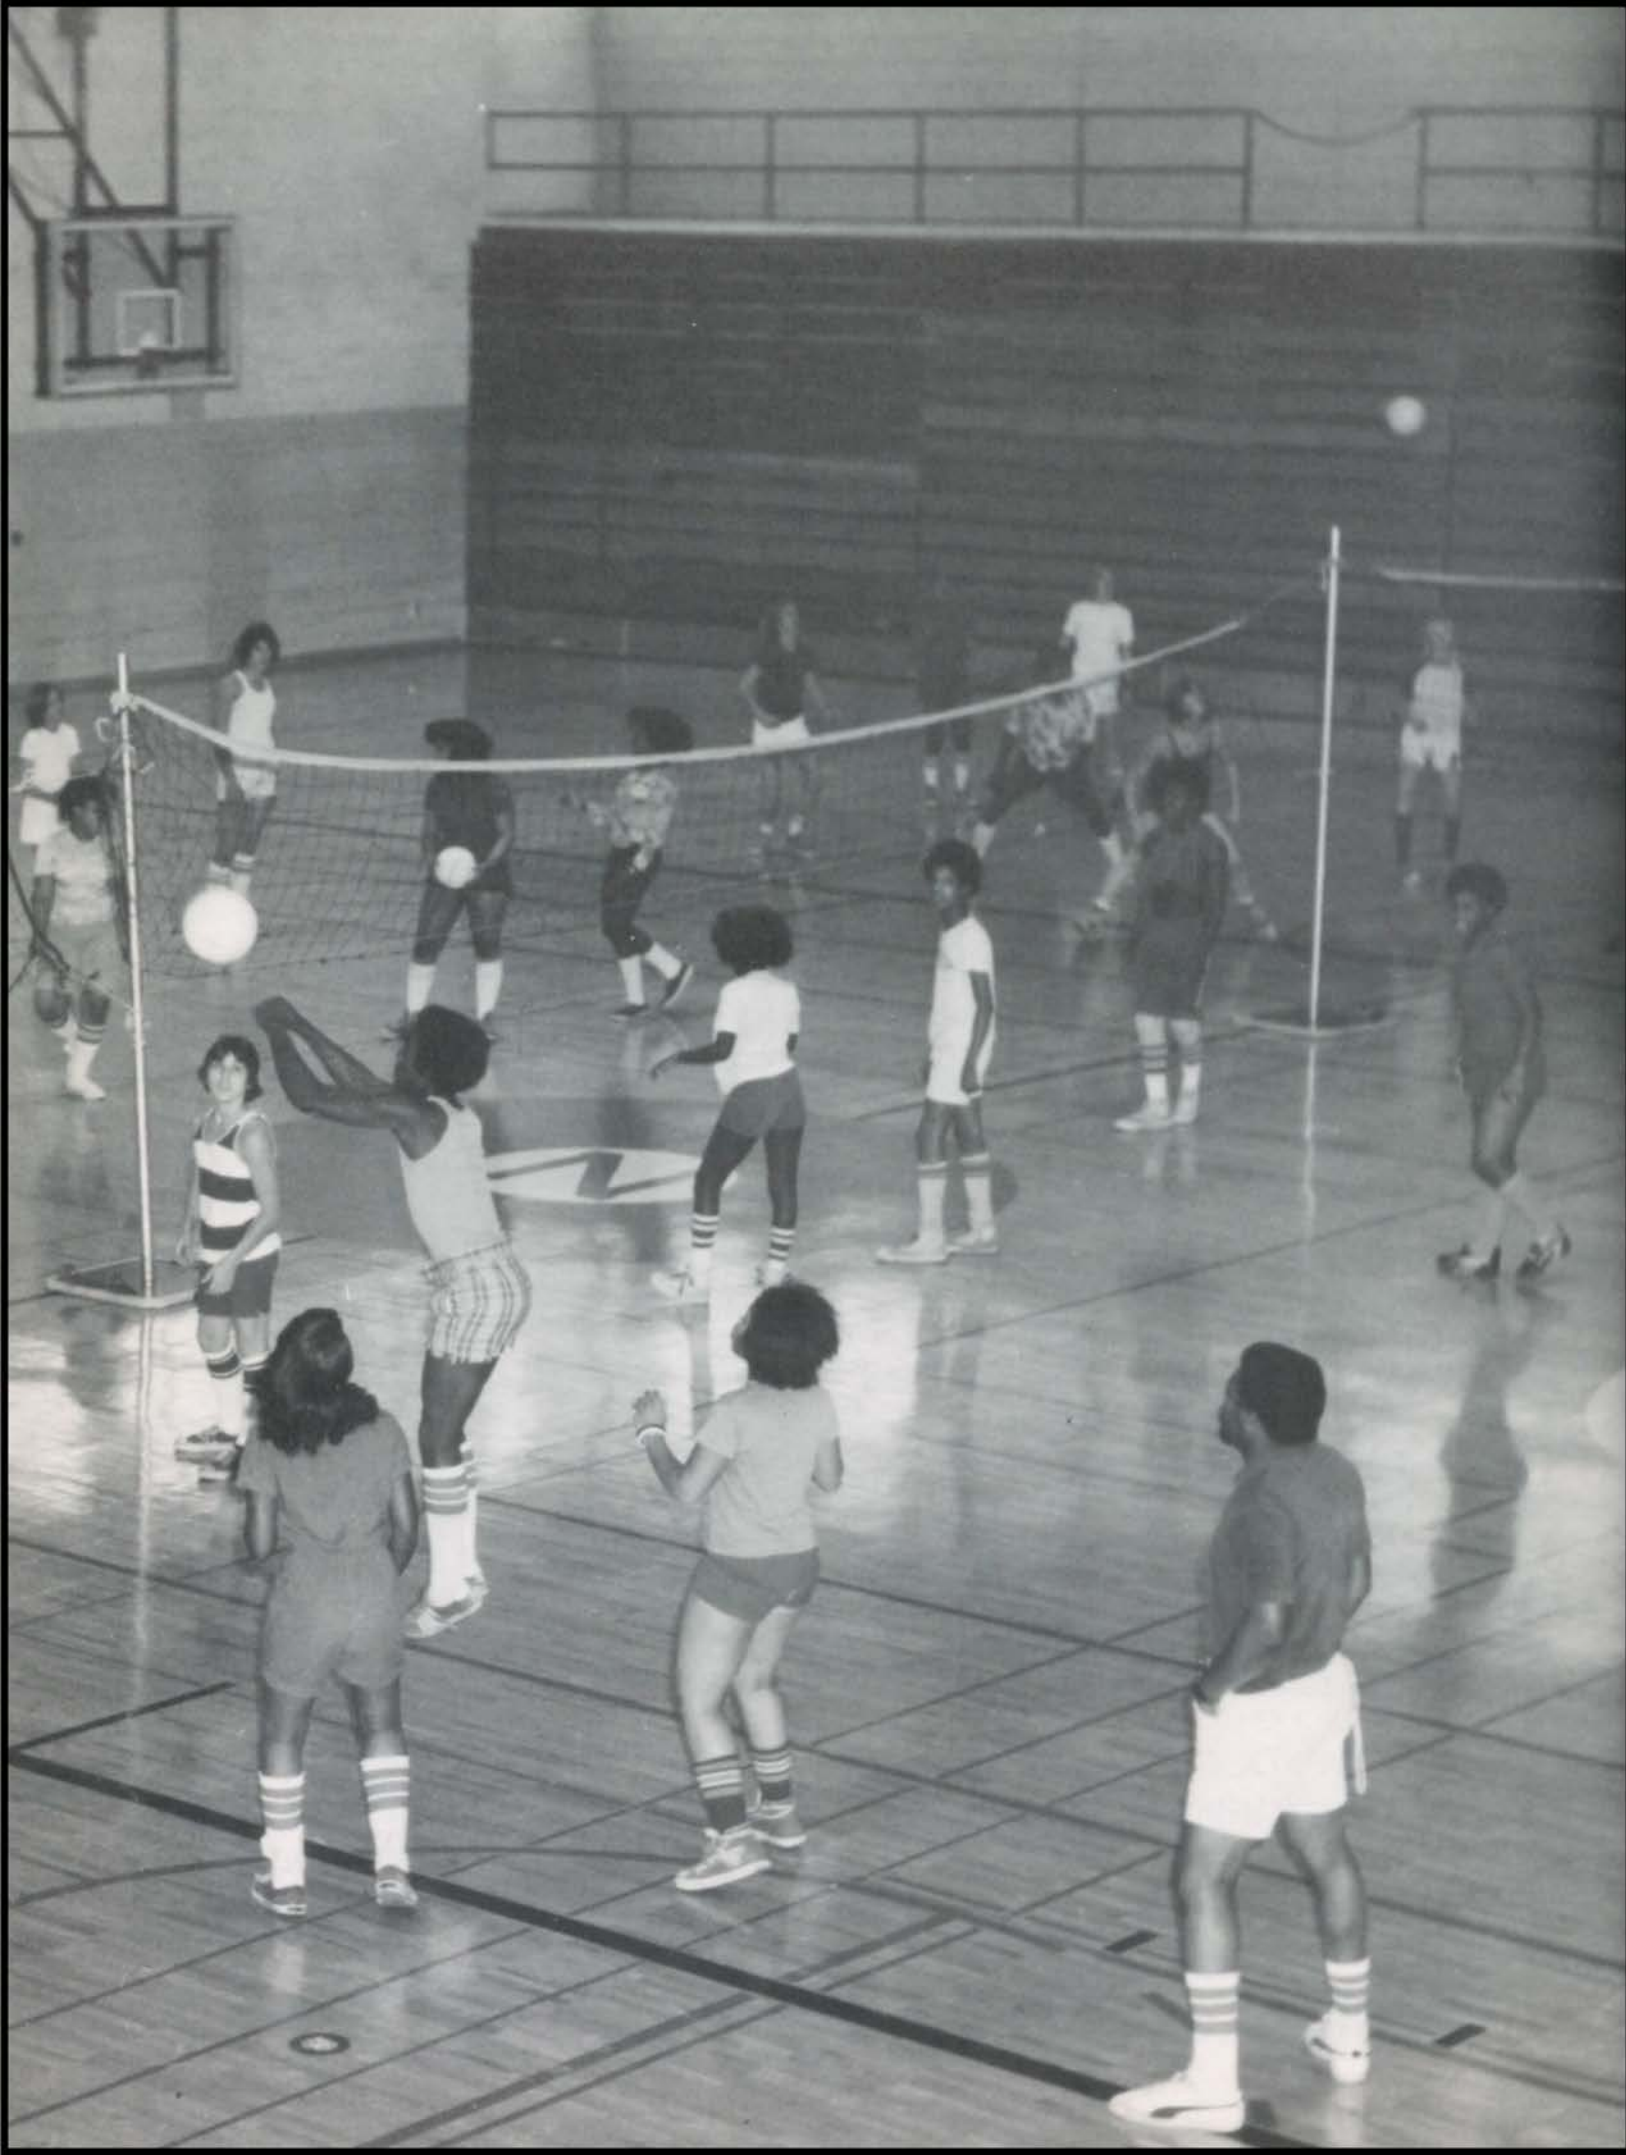

I expect to pass through this world but once; any good thing therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now; let me not defer or neglect it, for I shall not pass this way again.

Étienne de Grellet

# Freshmen

The Freshmen year is probably the most difficult year to adjust to socially. One must mature from a Junior High nature to a Senior High status. Being ridiculed seemed a part of school life for the first few unadjusted weeks as an insecure freshmen. But as all things must come to an end, 9<sup>th</sup> grade was only a beginning at Pontiac Northern.

After registering in High School for the 1<sup>st</sup> time, an excited ache was in my stomach and it would continuously occur all through my first day. I had become a sophisticated high schooler!

Soon the shyness was overcome after the opening football game, being present for this occasion helped me reach my main goal and watch our class become involved and recognized as we cried out,  
"We're from Northern"

## "Were From Northern"

# The Knowledge of the Future

The five class officers shown here were very busy, busy making decisions for the class of "80". You did a great job. CONGRATULATIONS ...

## The Huskies go on Wheels...

The "rookies" of Northern High showed their HUSKIE spirit when they entered a car in the Homecoming Float Contest. The Freshmen very excitedly decorated a car with high hopes of winning. The car was very artistically decorated with red and white paper mache flowers. The Freshmen did not win first place, but by entering the

contest and meeting the deadline, along with adjusting to high school they have proved they will fit with ease, perfectly, into the HUSKIE FAMILY. With a firm resolution for next year's float contest, and not to let their first try deter them, the class of '80 say...WATCH OUT!!!

Go Team! That's two very familiar words for the Freshmen Cheerleaders. The spirit of the Freshmen practice every day from 1:30 to 3:00. These girls are typical cheerleaders...bubbly, full of enthusiasm, and giggly. Not only do they have spirit that urges the players, but they are part of the scenery. Can you imagine a game without cheerleaders??? Who would lead the cheers of the crowd? What would happen to half time? Who would inspire the players? But, do we have cheerleaders! In their own way, they are responsible for Freshmen winnings. These cheers for the Freshmen cheerleaders who say...Freshmen, Freshmen, don't be shy..Monica Young, Pam Estell Jeanette Goodson, Debra Ross.

The Freshmen of this

 contribute quite a bit to  
 the team. Being new at  
 this is quite an experience.  
 They work just as hard as  
 anyone on the team, and  
 love every min. of it.  
 Linda O'Connor works  
 bars, beam, floor,  
 tumbling, and vault.  
 Dawn Melaga works bars,

# Academics

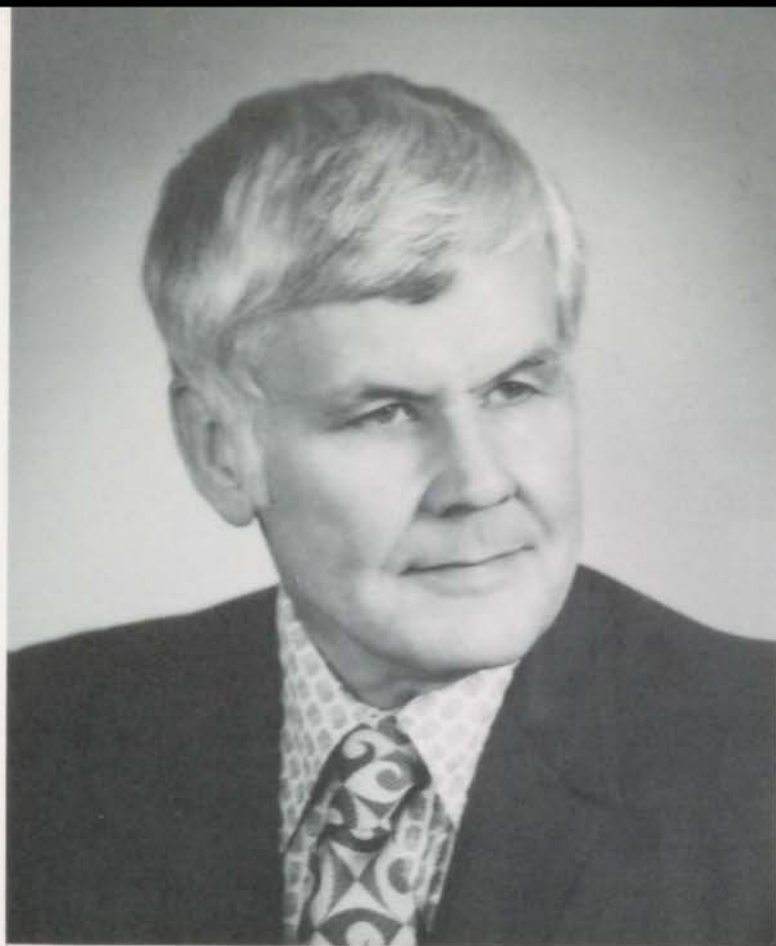

Wow! Are those teachers ever brilliant? The atmosphere has completely changed from Junior High. They're all so "human"! Can you imagine that? They scream, annoy, swear and sometimes even verbally (with a touch of sarcasm) threaten us and turn around and become some of the best friends, companions and idols many of us will ever know or meet. They put up with so much that by the end of the day they're total wrecks! Thank heavens their sanity (and ours!) is saved by two things: X-mas vacation and student teachers!

Their importance to our scholastic achievements in college, career and constant encouragement deserves recognition, that's why we students feel that our administration, secretaries, teachers, maintenance are...

# Board of Education

*The Board of Education has many responsibilities concerning the operation of the Pontiac schools. These dedicated individuals make major and difficult decisions about the school's budget, operational procedures and future plans. It is necessary to have good leaders to make sure our school system runs smoothly. This year's members of the Board of Education certainly meet that requirement. It is safe to say they are "The Best from Pontiac". Not pictured on this page, but still an important element of the board are; Dr. Guy Blackburn, Trustee; and Archibald Mosley, Trustee.*

*The administrators of Pontiac Northern are a vital group of men. They concern themselves with all the aspects of school life; be it curriculum, the faculty, students, discipline, extra-curricular activities, sports and other details too numerous to mention. These dedicated men have, you, the student as their primary concern. They want to make your stay at Northern the best ever. Our administrators are; standing, (left to right): Assistant Principal Daniel Hutchins, Assistant Principal Henry McShan, Assistant Principal Vernell Duffy and Attendance Officer David Craigmile. Seated, (left to right): Assistant Principal Elden Johnson, Head Principal Dr. Edward G. Daww and Assistant Principal Gale Hixson.*

## *Administrators*

*Pontiac Northern's seven counselors have many duties and responsibilities that keep them busy all of the time. Their primary concern is scheduling all the students into the proper classes. Another aspect of a counselor's work is career planning. The counselors can help you plan your future and assist you in going to college if that is your goal. Our counselors are; standing, (left to right): John Maturo, Fred Smith, John Nellenbach, and Charles Rickard. Seated, (left to right): Antonia Sanchez, Madeline Thomas, and Lois Mercer.*

## *Counselors*

*The English Department here at Northern is one of the largest and most important. Every student that graduates from Northern is required to have completed four years or eight semesters of English. Pictured here are some of the dedicated teachers of the English department: standing, (left to right): John Cass, Jeannine Gagarin, Joanne Battle, Patricia Gaubis, and Clement Cleveland. Seated, (left to right): Dorothy King, Jack Brown, Christine Gary, and John Buchanan.*

*A variety of courses are offered by the English department. Some of these courses are: English Literature, American Literature, Mythology, World Literature, Radio Workshop, Drama, and Science Fiction, besides basic English courses concentrating on grammar, speech and reading. Standing, (left to right): Department Chairman Raymond Hull, Linda Ross, Inez Owen, Alycia Petteway, and Leonard Griffin. *A year of Mathematics is required to graduate from Northern. This requirement can be fulfilled by a number of different math courses; from basics to Algebra, Geometry, Trigonometry and Calculus. All students are required to take a math course during their freshman year. However, many students choose math courses as electives. Mathematics is an important area of study for anyone going into the arts or sciences. Here are our Mathematics teachers: standing, (left to right): Tarlton Small, Glenn Cheek, Essie McGhee, John Goodwin, and Donald Chuey. Seated, (left to right): Marlene Castagna, Gayle Genereux, Noreen Shaw, and Department Chairman Ruth Dulzer.*

*One of the most challenging areas of study here at Northern is Science. The study of Science includes Biology, Geology, Chemistry, Physics, and Life Science, to name several. One year or two semesters of Science is required to graduate from Northern. The fulfillment of this requirement leads to many exciting moments of interest and discovery of the elements that make the world go around. Our Science teachers are: standing, (left to right): Department Chairman Clifford Wilcox, Richard Hall, and John Schmidt. Seated; Joyce Pagano and Gary Wanamaker.*

*The Social Studies department of Northern concerns itself with the teaching of much more than just history and government. Although every student must take two years of U.S. History and a half of a year of American Government, many other elective courses are offered. Some of these courses are Psychology, Current World Affairs, and Social Problems. Standing, (left to right): Department Chairman Raymond Stimac, Thomas Shara, and John Osler. Seated, (left to right): Linda Tillery, Joseph Shara, and Denise Morgan.*

*Social*

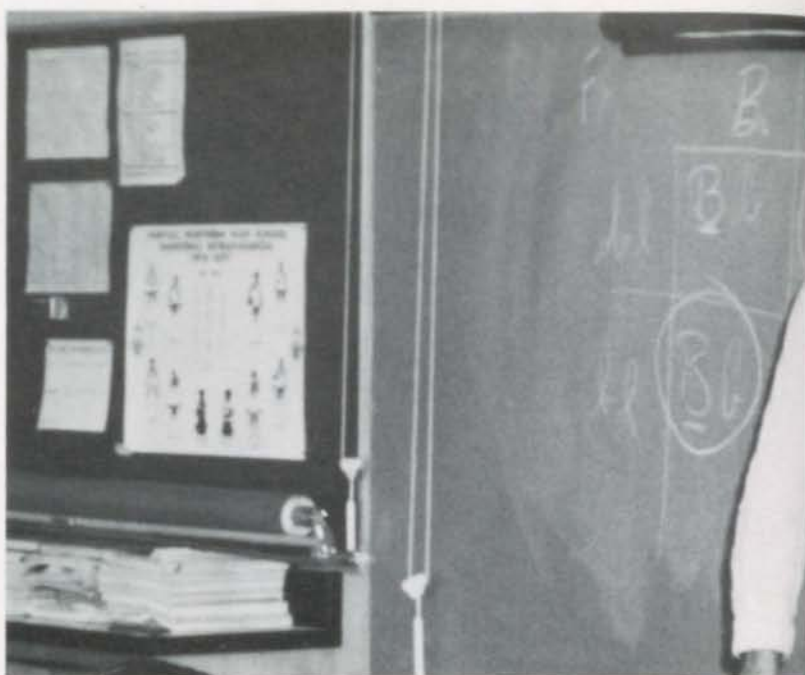

*This year the Social Studies department sponsored the Homecoming, Senate and our own presidential elections. Students from American Government classes supervised the voting which took place during students' History or English classes. Our student body picked Jimmy Carter for U.S. President by almost a 2:1 margin. *Business Education covers a wide range of business, office, typing and secretarial courses. The most basic of all business education courses is typing. From typing, you may move on to Shorthand, Accounting, Office Machines and Data Processing to name a few. This department is most valuable in preparing you for a career in the business field, or even just a basic background knowledge of business. Every teacher wants you to gain useful, practical information from your business course. The Business Education teachers are; standing, (left to right): Donald Friebe, James Nelson, Department Chairman Kenneth Ferguson, Harlan Green, and Leo Kawieki. *Industrial Arts is a fast growing department at Pontiac Northern. The increasing popularity of vocational training has a lot to do with this. Many young men, (and Ladies, too) are choosing careers in Industrial Arts; such as Graphic Arts, (printing), Woodshop, Auto Mechanics and Electronics. All these courses and many more are offered here at Northern. A lot of these classes can help you in every day life, but many of them can launch you toward your vocation. Our super professional industrialists are; standing, (left to right): James Goodrich, Joe Carr, Department Chairman Mike Karageusian and Michael Davis. Seated, (left to right): Ralph Milner, James Bruno, William Lewis and John Hovis. The faculty and students of Pontiac Northern were saddened to hear to the death of Mr. James Bruno on December 28, 1976. We extend deepest sympathy to his family.*

*The foreign language program at Northern is rather small, but good things come in small packages. This year we are proud to have a new Spanish teacher, Mr. Zatirka, joining the Huskie family. Northern's foreign language program offers four years of French, four years of Spanish and a relatively new course called Introduction to Foreign Language. This one semester course familiarizes the student with basic French, Spanish and German. In a foreign language class you not only learn how to speak, you learn of customs, people and different countries. Maintaining our language program is Gregory Zatirka and Department Chairman Gail Moreau.*

Pontiac Northern is "proud as we can be" about our great music department. Almost everyone loves to sing, dance or play a musical instrument, and in one of Northern's bands, choirs or orchestra is the very place to do it. Pontiac Northern offers three different bands; Symphony, Concert and Varsity, also Pep Band and our proud Marching Band, all under the direction of Mr. Welton. Our A Capella, Concert and Mixed Choirs are all under the direction of Ms. Setterlind. Mr. Holliday conducts our fine orchestra. What better way to relax and enjoy working hard than in Music. *Home Economics covers a broad range of learning. Here in Northern's Home Ec. department these classes are offered: Child Development, Men's Foods, Intermediate Clothing, Home-Family Living, basic Home Economics and Food Service. Food Service is a relatively new Hotel-Restaurant Management course taught by Mr. Henry. This course teaches students basic food preparation and management, while giving them practical work experience in the Gazebo, our own cafeteria. Home Economics is a valuable area in which to study for you can gain practical knowledge that can be put to use in later life. Standing, (left to right): Syrenia Taborn. *Pontiac Northern's Art Department is designed to appeal to all students. Whether you are a budding Rembrandt, or are just plain interested in art, this department has something for you. Basic Art and Drawing are offered for beginners and several classes of Intermediate Art, Advanced Art Design and Studio Art are also taught. Each spring, the Art Department sponsors a Creative Arts show, in which students' paintings, sculptures, and handicrafts are displayed and judged. Art is an elective subject here at Northern. Many find creative talents in themselves through the guidance of our Art teachers. They are, standing, (left to right): Theodore Prueter, Suzanne Kiser, and Q.T. Ross. *Here at Northern, all students are required to take one year or two semesters of physical education. The gym requirement is fulfilled by choosing mini-courses in different areas of athletics. Some of these areas are archery, bowling, dancing, basketball, baseball, ping pong, tennis, softball, swimming, and gymnastics. It has been said that a healthy body equals a healthy mind, and our gym teachers try to make this possible. They try to teach leadership, responsibility and most of all good sportsmanship. Pictured here are three of our six Physical Education teachers. Standing, (left to right): Rozanne McGraw, and Colleen Beale. Seated, Jimmy King. *Our library is a valuable part of our school. It is a regular treasure chest of information. Keeping all the library's books, magazines, newspapers and audio visual aids in order is a gigantic assignment, but our librarians and aides get it and keep it all together. Our librarians must be the most knowledgeable people around. They are very helpful in finding the material you need. Standing, (left to right): Aide Mary Graham, Head Librarian Russell Buller, and Evelyn Davis. Seated; Beryl Cook.*

## *Librarians*

*This hard working group of nine women is collectively known as our secretaries. Each one of these ladies has individual jobs and responsibilities that all come together and keep Pontiac Northern running smoothly. These ladies behind the scenes keep our school on an even keel, that is why we can say they are "The Best in Pontiac". Standing, (left to right): Donna Sanderson, Alice Whitehead, Rose Gerjekian, Ann-Marie Kosek, and Thelma Harris. Seated, (left to right): Gene Rayner, Carol Pringle, Kaye Dyke, and Florence Konzen.*

## *Secretaries*

*NAC, the Northern Assistance Center serves an important need in our school. Students may be sent there from their regular classes to receive extra help. NAC offers basic skill-building programs such as reading and mathematics for those who need them. Our dedicated NAC teachers are, standing, (left to right): Lily Sonara, Ruby Kuhns, Chris Mieras, Joan Smith, Greg Gwisdalla, Thelma Oliver, and Mary McGrath. Sitting, (left to right): Mary Choate, Atta Campbell, Debrah Klein, Mary Jane Kelman, and Mimi Reed. Kneeling, (left to right): Bob Faust, Dorothy Layman, Bill Willson.*

# *Sophomores*

The Sophomore year is a year of many cherished moments. We become experienced, competitive and bright. We have all these qualities and many more! We're now "old pros" at High School life, but many of us can still remember those horrid jitters as freshmen.

By finally receiving our cherished class rings we feel a sense of maturity and are accomplishing a great deal. Looking forward to our Junior and Senior years will keep us busy, but we will manage because,  
"We're the Huskies"

## *"Were The Huskies"*

The sophomore class is very proud to have such fine officers to represent them. It takes a great deal of work to get class spirit and a moneymaking process going. It is surprising to see that we have all-girl officers this year.

The sophomore advisory board are the decision making group for the class of "79". Their goal is to do a good job to make the class of "79" a success. They are selling candy to make money for the class also. They also show much authority in making judgements and good ones at that. The sophomore class are proud to have such a

good group of people leading the way. They are left to right: Row 1: Karen Wheatley, Connell Watson, Denise Hall, Lisa Leith, Row 2: Angelia McCoy, Linda Bailey, Scott Porritt, Mary Ewald, Tina Hoskins.

# The Dream of a Lifetime

Homecoming is one of the highlights of Pontiac Northern. It is the dream of students to become representatives for their class. Many students ran for class representative for court but as usual the best were chosen. For the two picked it was a lot of work finding formal wear and practicing for the coronation. The sophomore class were very proud to have such good representatives. The two selected were liked by everyone and that fact was shown when the final votes came out.

The representatives of the sophomore class were the lovely Cynthia Berrios and the handsome Jesse Gonzales.

The class of "79" were proud to have a float entered into the Homecoming Parade. The Homecoming theme "Starship" was unusual but original. It was much work trying to figure out the style of the float. The upperclassmen floats were designs of spaceships and the sophomore class wanted something original. The actual floatbuilding took place at Becky Boyd's house. The sophomore class would like to thank Becky for having the float at her house

and putting up with everything, Mr. Harris, for all his hard work and effort to make the float a success, Mr. Hovis, for pulling the float and the use of his trailer, tools, and keeping the float in his classroom until we could move it. We would also like to thank the small group of people who helped build the float and make it a success. We especially would like to thank Karen Wheatley for her terrific idea for the design of the float.

## We Are the Class of "79"

The class rings are the most important highlight of the year for the sophomores. The school ring is a treasure to it's owner. It represents the years of learning through your life and the final feeling of accomplishment at highschool. There are many school rings to select from to suit everyones taste. The ring itself gives you a feeling of proudness to be a "HUSKIE" and a part of PNH! The rings range in style from the gold or silver rectangular ring, to the oval style ring which Chris Maciag and Tina Hoskins show's here.

Gymnastics is one of the hardest sports to participate in. It takes a lot of hard work and practice to become good. The girls practice from 1:30 to 4:00 every day of the week. It is a big task to be in gymnastics, have schoolwork, duties at home, plus being sore and tired. The girls, though, are doing a fine job. Most of the girls are in at least three events. At the end of the year the girls had their annual gymnastics banquet. Besides dressing up, having fun, and

eating all the yummy food, they show films of the girls in action. The sophomore catalinas work very hard. They have to know certain skills of swimming in order to be in the synchronized swim program. The theme for catalinas this year was Salute to Dancing and the title of their show was Dance the Night Away. The girls have to work very hard fitting various stunts into different dancing music.

This years sophomore catalinas are front to back: Sheri Beltz, Connie Holland, Valerie Sample.

The sophomore members of the swim team are the backbone of the team. Most of them are second year swimmers and have put a lot of time and practice plus lift weights afterwards and still are a strong team and ready to go.

The sophomore members of the swim team are left to right: Row 1; Doug Eberle, Dale Bigger, Gary Davis, Tony Hall, Row 2; Jerry Smith, Glenn Daniels, Steve Yates, Andy Letlow.

# We're the Huskies Here to Say "Hi"!

The sophomore cheerleaders are only beginning to lead us on to victory. They work very hard practicing many cheers. They must be very coordinated to do most of these plus have strength to do

pyramids. They also have much spirit and enthusiasm. They are left to right: Janice Bradley, Theresa Ochoa, Rosemary Smith, Jackie Page, Linda Bailey and Connell Watson.

# *Juniors*

The Junior year, just one small step away from being on the "top of the world." An exciting, hectic year which is probably the most difficult to adjust to academically. College begins to come to mind and a career seems like a must to others. We must become independant, to lead instead of follow and to enjoy our hectic year to its fullest.

Maintaining our supreme positions we venture forth to reach success, one of our many reachable goals. We Juniors have the capable ability and are...

# Huskie Spirit, Huskie Pride

Homecoming is a very important part of our Huskie spirit. The whole school beams with excitement. Even though this event takes place towards the beginning of the year, its memory lingers on forever. Karen Lektezian and John Kincaide can surely tell you this. I am sure that they will never forget that happy moment as they stood together before the school, dressed in red and white and full of the Huskie spirit. The Juniors will always remember these two outstanding students and be proud to have them represent the class of '78".

This year the Juniors really put their Huskie pride into their float. They spent many hours after school and during school, working together to produce a really fine looking and unique finished product, that won them first prize in the Homecoming float competition. The Juniors did a very fine job, and I'm sure they

will all agree that the victory over the Seniors was worth working such long hours for. The Juniors want to extend a special thanks to Dale Parker and Phillip Gallero for planning and building the 1st place Junior class float. Congratulations class of 78.

# Pride is the By-Product of Work Well Done.

The Juniors have a very interesting case this year, as far as the Senate is concerned. The whole Junior class will be run by a totally female staff. Now running a class, especially the Junior class of '78" was a tough and nerve racking job. But as you can see these ladies used all their hard work for intelligence and made the class of '78" a profitable one. Remember the dances like the Disco Dazz for Valentines day. What an exciting night. Those of you who went will have a hard time forgetting it.

The Juniors advisory board this year was quite a group. We could have naturally expected this from the Juniors seeing as how they are such an enthusiastic group and have added much fun and excitement to the year of '78. Naturally all of these outstanding students could not be part of the Senate. Just imagine if they were, so many different ideas and opinions. The meetings would be outrages. But never-the-less these Juniors gave it a good try, and I'm sure will try again next year.

# Organizations

Indeed Northern's tradition is carrying on as it always has. Our clubs are constantly expanding with new blood and are getting better and better.

Becoming involved is so simple at P.N.U.S. They have a club for everything and everyone! For the exuberant there's cheerleading and Pep Club, for the "brain" there's chess and bridge clubs, for the jocks there's the Varsity Club and for the "gentle jocks" there's G.R.A. So many to choose from that it makes your mind boggle and spin! There's room for everyone, everywhere! Getting involved means friendship, companionship, adventure, good times and just plain fun. That's why the student body can say...

"Cheer For Northern"

**"Cheer For Northern"**

## The Best Athletes

This year the Varsity Club has made a big change. Now any girl who has earned a Varsity letter may also join the club. They have also excluded initiation, which used to be a necessity to become a member. Every day after school and at all athletic events the members of the club open the Varsity Stand. The money they make goes towards scholarships and for the club's activities, which include ski trips and outings.

Above: This is a typical scene at the Varsity Stand at 1:05.

## Girls on the Go

G.R.A. is an outgoing group of girls who are active in the school and recreation. It is a way for girls to earn a Varsity letter while having fun. Every year they have their annual initiation for the girls' wishing to join. This year on the spur of the moment, the club decided to enter a float in the Homecoming parade. They also plan to go on a canoe trip this year. Their other activities include going bowling, horseback riding, having pool parties and volleyball games. Every Thursday after school the group meets to discuss their future plans.

Members of the Home Economics Co-op are: Michele Houston, Deborah White, Mrs. Peete.

Northern's Co-op is a worthwhile program which gives students on the job training in a variety of fields. These fields include office work, retailing, industrial trade, and home economics occupations. While earning money they are also gaining valuable work experience which will help to prepare them for their future in the working world. The members of office co-op use secretarial skills such as typing, shorthand and accounting. The students in retail co-op use such skills as running cash registers, stocking shelves, displaying products and other skills that deal with working in a store.

## The Best of the Seniors

To be a member of the National Honor Society is a reason to be very proud. This group consists of the top seniors here at Pontiac Northern. This year they provided Thanksgiving baskets and Christmas baskets for needy families.

# Helping You is the Huskie Tradition

The Student Senate consists of the president and vice-president representative from each class. They have much influence on the whole school and the student body. They meet every Thursday with Dr. Dauw and Mr. Hixon to discuss different problems of the school and to plan many of the school's activities.

# Hard Work Brings Success

The students who work at the bookstore do various jobs such as selling school supplies, bookkeeping and typing.

Left: Some of the workers of the bookstore are Pam Smith, Shelby VanMeer, Mrs. Whitehead, Lynnette Schneider, Susan Barnes.

Bottom right: Here are students buying school supplies.

It takes hard working and dedicated people to put out a good newspaper, and this is the kind of people that make up the Polaris staff. Once every month they put out Northern's school paper. It covers such things as sports events, school activities, special events, and editorials, in which the students have a chance to voice their own opinions. The members of the Polaris staff along with the help of their sponsors, Mr. Cass and Mr. Hull, put together a very successful paper.

## Helpful Hands in the Library

The Library Assistants play an important part in keeping order in the library. They are very helpful to the librarians and to the students. A few of their many jobs include checking books in and out, returning books to their shelves, checking for passes and filing cards.

# Strikes and Spares Lead to Victory

Every Monday after school the Northern Bowling Club, which consists of about 75 students, meets at "300 Bowl." Many go just for fun and recreation. But there are also some who are very good bowlers and bowl competitively.

Above: The members of the Bowling Club this year are Row 1, Mr. Rickard, J. Wallace, B. Martin, C. Davis, D. Griggs, K. Lektzian, C. Hawkins, L. Angeloff, K. Forsyth, S. Herron, Mrs. Miller. # Show Me the Way

The Ushers Club is a very active organization at Northern. They provide service to the school in several ways. They are at all plays, concerts and other events to pass out programs, collect tickets, or to help you to your seat. They are also guides at parent-teacher conferences. This year they plan to have a candy sale to purchase pins for members of the club.

## We've Got the Spirit, How 'Bout You?

The Pom-Pom girls are a very talented group of girls here at Northern. They perform at basketball games and other activities during half-time. All the routines are made up by the girls themselves.

For the more outgoing, spirited students there is the Pep Club. These young ladies try to restore school spirit in all of us by showing their own enthusiasm at games and assemblies.

## Keeping a Good

Putting together a successful yearbook is a very hard thing to do. Writing copy and headings, working a picture schedule, pasting up, meeting deadlines, and getting the book in on time are all part of the work that goes along with being a member of the staff. But determination, hard work, and McDonalds make it a success. And with the guidance of their advisor, Mr. Ferguson, who keeps them on their toes, makes the job even easier.

Our competitive nature and thriving abundance shall never die. We're actively growing and becoming stronger. Success is our motive and goal, and so far in our football season we've achieved it, we scalped Central 31-0! Our basketball team did equally well with their victory over the chiefs 86-75. J.V. is very promising as an added boost to Varsity teams next year. Learning to accept defeat along with victory with a fine character of one's self is vitally important. They have proven themselves many times. All our competitive teams, male and female, are constantly expanding and achieving a greater competitive nature.

All this and much more is going on while our fans are continuously screaming . . .

## Huskies Are On the Loose

This year the Huskies had a winning season. Their record was 5 wins against four losses. The climax of the season was the last game of the year against Pontiac Central. The Huskies beat the Chiefs 31-0. This big win proved that the Huskies are the "Best From Pontiac" in football.

# Ah, On the Loose

The Huskies had a difficult season. Their record stood at 2 wins and 6 losses. The big win for them was an 8-6 victory over the Pontiac Central Chiefs. The Varsity football team will be looking forward to these young men joining them next year.

## The Human Wrestling Machine

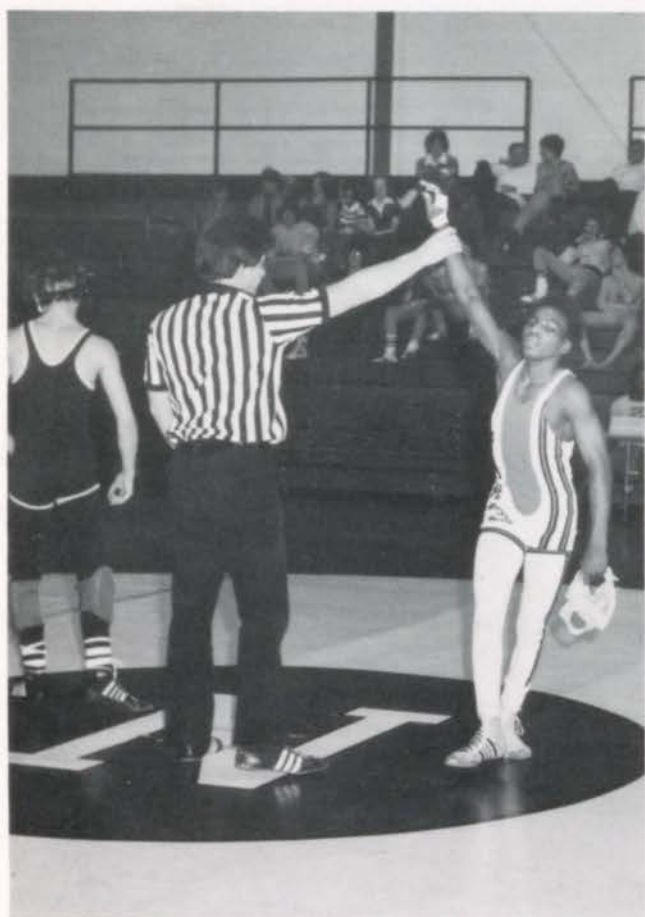

The Varsity Wrestling Team did extremely well this year. They compiled a record of nine wins against only three losses in dual meets.

In the District Tournament, held at Northern, the Huskies finished in first place. The win was due to their overall team depth. In this tournament, the Huskies placed nine wrestlers in the Regional finals.

## Keeps On Rollin'

The Junior Varsity Wrestling Team consisted mainly of freshmen and sophomores. Next year, most of these young men will be moving up to Varsity. The experience that each of them gains this year will help them tremendously in the coming years. The Huskies had a disappointing season. They only managed to come up with one win, against ten losses.

## Hup! And They're Off!

The Varsity Swim Team for the 1976-77 school year consisted mainly of underclassmen. With the help of many returning swimmers and a good crop of freshmen, this year's team did, however, manage to come up with one win. And with only one senior on the team, next year looks even more promising.

## If A Person Can Walk;

If a person can walk; he can run. This is the philosophy behind the sport of cross country. Unlike any other sport, the test of a cross country runner is condition, speed, endurance, perseverance, and desire. The runners put in many hours of practice. During the average practice session, the runners may put in 8 to 10 miles of running.

This year's squad was led by senior captain Floyd Sinkler and junior Jackie Kimble. Although the Huskies showed a great deal of desire throughout the season they were only able to compile a record of 3 wins and 5 losses.

## Rebound that Basketball

The Varsity Basketball Team for the 1976-77 was, without a doubt, the best basketball team in Pontiac Northern's history, thus far. The Huskies compiled a record of eighteen wins against one loss in regular season play.

After the fourth game of the season, the Huskies were rated in the state polls. In one poll during the season, the Huskies were rated number one.

## Is There A Doctor on the Court?

A new shot was added this year in Northern's basketball games. This welcomed addition is the dunk. The slam dunk makes an otherwise uneventful game into a very exciting one. Although this is not the only shot the Huskies use, it is the shot with the highest percentage.

And with a comparatively easy win over Livonia Stevenson, the Huskies clinched the Inter-Lakes League title for the second year in a row.

## We're Number 1, not 2 or 3

The Junior Varsity Basketball Team did very well this year. Under a new coach, Mr. Green, the Huskies compiled a record of seventeen wins against only two losses. They went undefeated again this year in the Inter-Lakes League. The experience that each player gets on J.V. helps them adjust better to Varsity play in the coming years.

# *We're Number 1, Can't You See?*

*The Freshmen Basketball Team had a very disappointing season. They only managed to come up with five wins in eleven outings. Inexperience proved to be the major factor of this season. The experience that they did gain should help in the coming years as they continue to play basketball.*

Left: The members of the 1976-1977 Freshmen Basketball Team are from left to right, Row 1 - C. Bradley, M. Cole, E. Smith, A. Patrick, W. Graham, C. Pryor, V. Lavallis, R. Lance, G. Dinkins. Row 2 - Coach King, T. Perkins, G. Dean, J. Bridgewater, G. Cross, T. Bolden, R. Terrell, L. Bond, E. Ewing, M. Houston.

Top Left: Glenn Cross shoots a layup and it's good for two points. Top Right: Michael Cole shoots a jumper from the top of the key. It's good!

## Yes, We Had Snow

Well, one thing is for sure. Michigan's weather was just right for skiing this year. There was enough snow to last us for a long time.

Even though there was enough snow this year, the Huskies had to rebuild this year's ski team after last year's graduation. The team, consisting mainly of underclassmen looks promising for next year.

Right: Captain Steve Porritt shows great skill in skiing. He is the only senior on the team.

Bottom left: Kevin Cleveland stays close to the gate to get a faster time.

Bottom right: Coach Balzarini shows the young skiers how to ski with perfection.

Opposite Page Top Left: Steve Morris controls his skis very well.

Top Right: Steve Featherstone skis with ease around the gate.

Bottom left: Mike Justin shows determination as he comes to the gate.

Bottom right: Rick Hoisington, although only a sophomore, shows a talent in skiing.

## When Things Get Rough

The Varsity Track team won all of their dual meets, except one. The Huskies won many trophies at different invitational meets and placed first in the Oakland Country Meet held at Bloomfield Hills Lahser. Coach Pizza had a lot to be proud of this year.

Right: Bobby Hudson is well over the bar on his way to a good vault.  
Bottom Left: Greg Taylor has a good start against his opponent.  
Bottom Right: Darryl Herring clears the bar with ease. He is one of the more important people on the team.

We

Get

Tough

*The only dual meet the freshmen had, they won. This win was at the hands of the Pontiac Central Chiefs. The team did outstanding in the field events. They were many talented freshmen on this team. Hopefully, they will be on the Varsity team next year.*

*Left: Earnest Allen makes the long jump look easy but it is one of the most difficult events in track.*

*Bottom Left: Curtis Johnson long jumps.*

*Bottom Right: Charles Quinn heaves the discus for good yardage.*

## Just A Bunch of Swingers

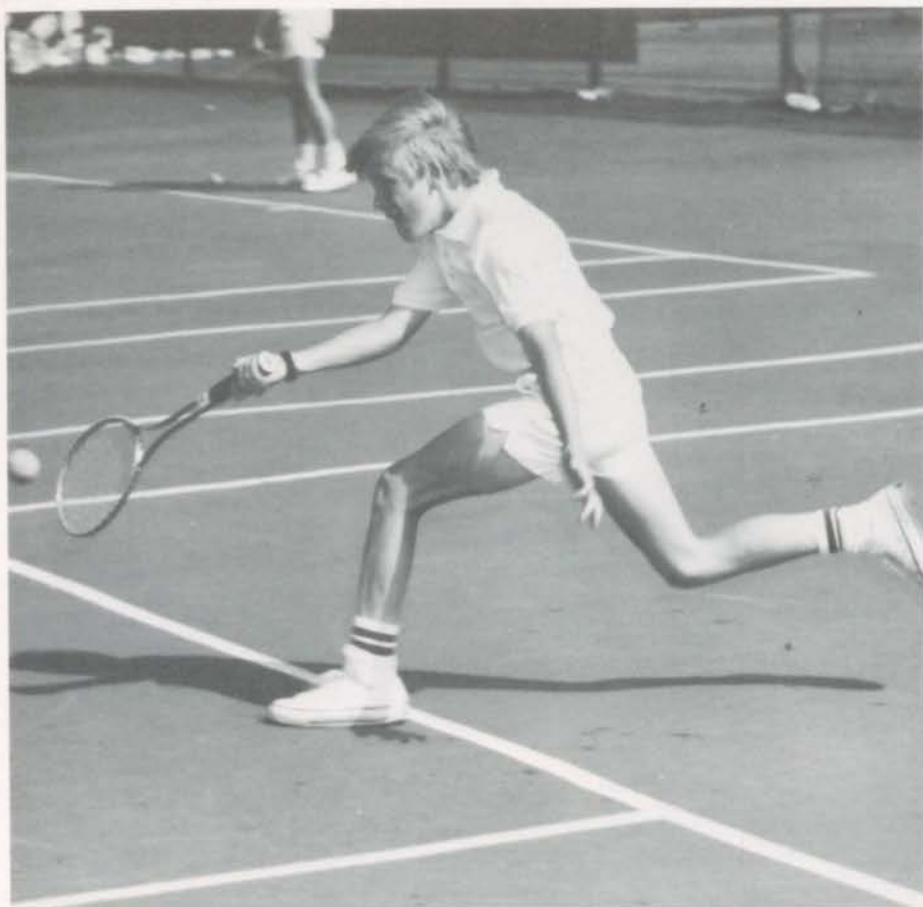

Although they won only two meets, the Golf Team improved greatly over the last year. With most of this year's players returning, next year should be even better.

Right: J. Navarro, A. Letlow, K. Broadwater, T. Miller, P. Tribble, S. Yates, D. Willson, Coach Willson.

Bottom Right: Steve Yates shows concentration as he putts the golf ball.  
Bottom Left: Tom Miller keeps his eye on the ball as he follows through.

## *Practice Makes Perfect*

*Tennis is one of the most strenuous sports here at Northern. In order to be good you have to have quick moves; good stamina, and great coordination. The many returning players to this year's team will help a great deal in improving their record this year.*

*Left: Kevin Tilton attempts to score against his opponent.*

*Bottom: Roger Rusk concentrates on hitting the ball over the net.*

*Bottom: Tim Findley gets ready to smash the ball over the net.*

## Three Strikes, You're Out!

A good double play combination, a good staff of pitchers and good hitters, all go into the making of a good baseball team. The "Big Red Machine" will put all of these things together to make the season a winning one. With a lot of last year's starters returning, this year's team should be one of the best here at Northern.

Bottom Right: Jim Rockcole takes time out in the game to have his picture taken.

Bottom Right: Coach Green looks on as his team is up to bat.

Opposite Left: Larry Martin scoops up this grounder to make the play at second.

Opposite Page Top: The baseball team cheers their teammate on.

Right: Terry Dalrymple waits for the pitch.

Opposite Page Right: Mark Edgeworth waits at the ondeck circle for his turn at bat.

## *Run, Steal Slide*

*The Junior Varsity Baseball Team puts a lot of hard work into their practices. They work hard so they can make the Varsity Team next year. The year or two that these guys play on Junior Varsity Helps them prepare themselves for Varsity play.*

*Right: The Junior Varsity Baseball Team listens as Coach Carr gives them their strategy for the game.*

*Top Left: Dave Nichols rips one into the outfield for a base hit.*

*Top Right: Randy Batton fires the ball into the catcher's mitt as he finds the strike zone.*

# Ten is Perfect

The Girl's Gymnastic Team won only one dual meet this year. This was due to the fact that the team was very young. With no seniors and only one junior, the team has had to rebuild after last year's graduation. This year's team has been complimented by being "the friendliest" team that their opponents have faced this year.

Left: The members of the 1976-77 Girl's Gymnastics Team are from left to right Row 1, Coach Beale, P. Jefferson, L. O'Conner, C. Williams, C. Kearns, S. Sanders, P. Sewell, I. Rogers, T. Hoskins, P. Ervin, K. Twitty, L. Hoefelmeyer, D. Malega.

Top right: Linda Hoefelmeyer does a toe rise on the balance beam with extreme concentration. She does this as a part of her balance beam routine.

Top Left: Ibbie Rogers, the only junior on the team, displays her good ability in the floor exercise.

## A Basket Equals Two Points

The Girl's Basketball Team improved greatly over last year. The experience of one year really helped them. Many of this year's players will be returning to help them to be even better next year.

Right: Row 1, C. Gilchrist, F. Wescott, J. Lavallas. Row 2, L. Anderson, S. Sanders, Y. Threlkeld, K. Green.

Bottom Left: Kathe Green rebounds the basketball and passes it off to her teammate.

Bottom Right: Stephanie Sanders shoots for two points over the arms of the opponent.

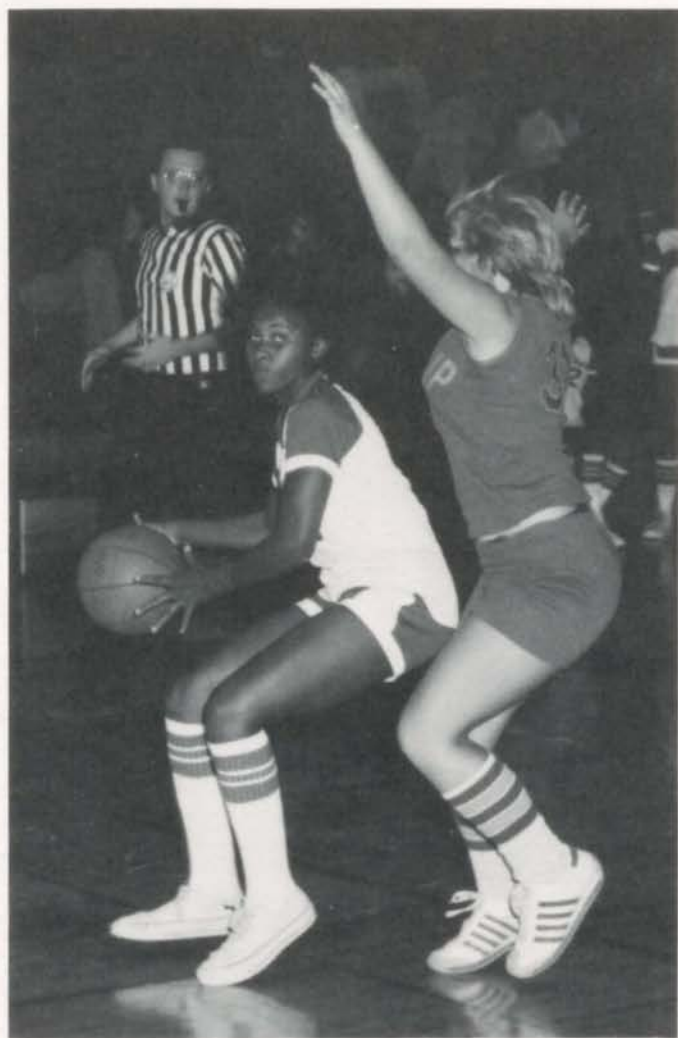

# Sink It

The Junior Varsity Girl's Basketball Team was added to our sports program this year. This will give the girls an extra year or two before they play for the Varsity Team. This experience should really help them a lot!

Left: Row 1, M. McNair, V. Threlkeld, O. Winzer, J. Prince, K. Twitty. Row 2, R. King, K. Ware, Coach Carr, B. Spillers, J. Brinker.

Bottom Right: JoAnne Brinker tips the ball to one of her teammates. Bottom Left: Rose King dribbles down court and out maneuvers her opponent.

## Three Up, Three Down

*This year, as in previous years before, the Girl's Varsity Softball Team came up without a win. With a lot of underclassmen making up the team, the girls show a lot of promise for the coming year. In fastpitch softball, a year's experience helps a great deal in developing the certain skills needed for a good team.*

*Right: Mary Ewald pitches the first ball and finds the strike zone.*

*Bottom Right: Marsha Valko rounds second base on her way to 3rd for a triple in this game against Farmington. Bottom Left: Shelley Steinhart yells encouragement to her teammate at bat.*

## Game, Set, Match

A new sport was added to Pontiac Northern's Sports Program. This is the Girl's Varsity Tennis Team. Although they won only one meet, that is really good for being their first year in existence. Next year, the returning players will help even more.

Left: Mollie Ussery, one of the better players on the team, serves one over the net.

Bottom Left: Linda Bailey really concentrates on getting that ball over the net.

Bottom Right: Charlene Davis gets ready to return the volley.

# Seniors

"Let our thoughts all turn to Northern, to the school we hold so dear. Where dreams become realities with each passing year. For the many cherished moments, that shall last throughout our lives, our voices ring, our praises sing, to thee Northern High."

The day has come for us to break away from home life and surroundings and move onto bigger and better experiences. We're no longer labeled dependants, we've become adults. With strong, responsible minds, techniques and ambitions we will accomplish what we've dreamed of for so long. Our high school training will be with us for the rest of our hopefully successful lives, for we've developed ourselves as well as possible mentally, physically, emotionally and socially. For this reason, we feel a softness when we look back and remember . . .

"Let our hearts all turn to Northern..."

**"Let Our Hearts..."**

On behalf of the Senior class the officers are responsible for making important decisions. They are dedicated leaders who try to make things go a little smoother and easier for all Seniors.

The officers most important job may lay in the future. They are the ones who must organize the class reunions after graduation. During the year these students were elected to insure their Senior year will be the best ever.

The Senior Advisory Board Officers are: Jeff Wheatley - Treasurer, Patti Wallace - Secretary, Floyd Sinkler - President.

Contrary to Northern tradition the Senior Class Advisory Board did not contain all "runner-ups" in the class elections. The advisory board was selected by the officers and faculty advisors.

The purpose of this group is to combine their efforts and ideas with the opinions of all the Senior class to try to make their class the best Senior class ever.

The members of the Senior Advisory Board are: First Row: Floyd Sinkler, Patti Wallace, Kathy Keesling, Second Row: Jeff Wheatley, Tony Simuel, Curt Hall.

## A Guiding Hand

The Senior Advisors were the "voice of experience" for the Class of 77 in their three years at Northern. Mr. Davis and Miss Battle were very important during Homecoming; Mr. Davis organized and supervised the float construction and Miss Battle took care of the Coronation ceremonies. Mr. Duffy (not pictured) was the chief organizer of our money making activities and graduation ceremonies. The Senior class relied on these three advisors for good reliable advice and assurance.

Mr. Hull is the "main man" in preparing Seniors for college. His World Literature classes are filled with college bound Seniors learning the necessities like the proper way to take notes and how to write a term paper. Mr. Hull is full of free advice and assistance. His love for students is well exhibited in such instances as this; Breakfast at Sambos before school.

In the evening he opens the entire phys. ed. facilities so students may have something to do in the evening. On behalf of all the Seniors, thanks Mr. Hull for all your patience and advice.

## Moments to Remember

The highlight of anyone's high school days is their Senior Year. One of the most prestigious honors of a Senior is to be elected by their fellow students as Homecoming King and Queen. This year the honor was bestowed upon Queen Kathy Keesling and King Jeff Wheatley. The Coronation Ceremony followed four days of "Spirit Week" activities in which students dressed in a specific way each day.

Unfortunately the Senior Class was short-changed in two of its efforts in float competition. The majority of the student body seemed to agree in Homecoming 1974 and 1976 the Class of '77' should have been awarded first place. As it stands, they were

runnerup all three years. This years float was designed primarily by Dennis Tank who also built most of the frame. Many of the Seniors worked very hard and spent many long hours after school working on it.

## *Memories for a Lifetime*

*Being together is better than any picture, but a picture is the next best thing. Since many of the moments we cherish most, occurred in high school, exchanging a Senior picture is a special occasion with a unique feeling for every individual, such as Karen Russ and Floyd Sinkler. Until we are reunited as a class and able to reminisce, pictures will serve as the key to years of memories.*

Dear Huskies,

As the 1976-77 school year draws to a close, the Avalanche staff wishes to express their thanks to many people. Without all of these people there would not have been such a fine book.

We would like to thank Mr. Welton and the Northern Marching Band for their part in the cover of the book. Also to the Pontiac Silverdome for their cooperation enabling the band picture to be taken at the stadium.

Our thanks go out to Mr. Al Weatherly, of Graphic Creators, and to Mr. Frank Storer, of Storer-Spellman Studios.

A special thank-you goes to Tony Simuel and Steve Porritt, our free lance photographers. Tony and Steve have taken many pictures over the past three years for the yearbook. The Avalanche Staff will miss these two graduating seniors.

The last person we would like to thank is Mr. Kenneth Ferguson, our advisor. He is a one of a kind person to us. At times he made us so mad we could cry, and probably did. At others we would have lost if he had not been there to watch over us. To us he will always be remembered as our fearless leader.

Most of all we shall not forget that, "We're from Northern, we're the Huskies, and proud as we can be!"

Sincerely,

## Remember when Army pay was nothing to talk about?

It's something to talk about now, because we've just raised it. Again.

The Army starts you at \$374 a month (before deductions). That's what you'll earn while you learn a skill.

If you qualify, you can choose to learn how to drive a tank, how to build a bridge, how to use a camera, or how to do just about any kind of job you can think of. And we'll guarantee it in writing, before you enlist.

After six months you'll get a raise to \$417. And that's something to talk about.
