Pontiac Presents Northern!!

The Story of Pontiac Northern High School

Recognizing the growing need for additional high school facilities, the Board of Education purchased the site now occupied by both Madison Junior High School and Pontiac Northern High School in 1951. The foresight of the Board of Education provided for the acquisition of two adjoining parcels of acreage which together totaled 107.7 acres. Realizing that a high-school building would have to serve the people of Pontiac for at least a half century, the administration and the Board of Education wisely provided nearly three years for planning.

From November of 1954 to July, 1956, members of the Educational Planning Committee worked diligently to build a set of educational specifications. In this phase of the development of Pontiac Northern High School it was necessary not only to determine the number of square feet of classroom space, the placement of electrical outlets, and so forth, but also it was essential to look ahead into the future, making sure that planning provided flexibility for additions and changes.

The period from July, 1956 to June, 1957, was used by architects to translate educational planning into architectural planning. The simple, functional beauty of Pontiac Northern High School testifies to their success.

Construction began in July, 1957, and continued through December, 1958. While the building was occupied by students and faculty in September, 1958, some construction continued into the fall semester.

Northern High School as you see it today has a gross capacity of 1229 pupils and a net capacity (80 percent) of 983 pupils. Additional classrooms can be added at relatively low overall costs since planning provides for the extension of various portions of the building. The ultimate gross capacity is 2071 and the net capacity 1656 pupils. The auditorium seats 977 persons and the Little Theatre 192. The gymnasium accommodates 1924 spectators and the natatorium will seat more than 400. When portable bleachers are added, some 675 persons may view swimming, diving and other water activities. The cafeteria dining-room seats 450 persons. Lunche in schedules are staggered to accommodate the student body. The north parking lot which can be expanded presently accommodates 237 cars. The faculty parking lot to the south of the building accommodates another 88 cars. The total area of the building includes 181,893 square feet.

Construction costs at Northern High School including general, mechanical, and electrical trades totaled \$2,953,721.66. Construction cost per square foot was \$16.24. Fixed equipment costs were \$208,831.83. Furniture and instructional equipment came to \$222,050.45. Physical education and site development costs totaled \$226,644.67. The total cost of the project was \$3,611,248.61.

Every possible means was employed to provide necessary facilities at low cost. The location of Madison Junior High School and Northern High School on the same site made possible the construction of only one auditorium and one boiler house. The two schools share these. Certain facilities which would cost substantially more per square foot to add at a later time are included in the present high school plan. The cafeteria, the auditorium, vocal and instrumental music rooms, and counselors' offices, for example, will not require additions under present plans. Additional classrooms and shops, however, can be added easily because of the excellent planning of the building. The use of plywood paneling behind lockers as interior classroom walls effected substantial savings. The use of acoustical tile strips in many classrooms and halls provided adequate sound treatment at low cost. The provision of teacher workroom areas releases classrooms for student use which otherwise would not be available.

A look ahead into the future strongly suggests that classroom additions should be provided perhaps as early as 1963-64. The number of students who attend our high schools will, of course, determine this need.

The story of Pontiac Northern High School is essentially the story of citizens of Pontiac responding to a great need on the part of Pontiac youth. The school will serve its students and the people of Pontiac with distinction in the years ahead.

1983 And Still Going Strong

Can you guess who the people above are? We thought that just in case you couldn't recognize some of your teachers we would give you a hint. These pictures are of teachers who have graduated from either Pontiac High School, Pontiac Northern, or Pontiac Central. We thought it would be nice to see what they looked like when they graduated. Also above is a picture of Mr. Frank Storer, who has been our photographer for all 25 years that Northern has been open. Thanks Frank for all of the work you do to make our year-book successful!

Frank Storer

25 Years Ago

The next two pages show the difference between 25 years ago and now. Pontiac as a whole has changed but somethings are still the same, such as Atlas, the building has changed and gotten larger but the people are still shopping in the same grocery store as 25 years ago. Northern has changed a great deal from inside to the outside. The bottom right picture, shows our library as it was 25 years ago and on the opposite side the bottom right is the library as it is now. A big difference huh! Also the top right was taken while the addition was being built. The top left picture is after the addition was built ... Nice change!!

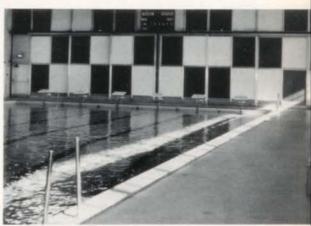

Also even our pool has been changed, from a glass back wall to a solid back wall. Which do you like better? Now comes the biggest change of all...the students and their styles. As you can see by the pictures the styles have changed greatly in both girls and guys styles. Also a change in the places people went to go see movies. Students 25 years ago the big thing to do on a date was to go to the Drive-Ins, but now more students go to the inside cinemas rather than the Drive-Ins. Well 25 years later and we are still here, things may have changed but only for the better.

AMERICAN TECHNOLOGY, EUROPEAN SOPHISTICATION, WORLD CLASS.

The new Pontiac 6000 is an American road car designed for the world's most discriminating drivers.

Its advanced suspension system, which includes front-wheel drive, MacPherson front struts and power rack and pinion steering, provides impressive handling. Its 2.5 liter 4-cylinder engine, with the excitement of Electronic Fuel Injection, delivers responsive

performance. And its sophisticated, fivepassenger interior and stylish wedge shape have an appeal that's universal.

Take the wheel of a Pontiac 6000, sedan or coupe, and experience this exciting combination of American technology and European sophistication.

Some Pontiacs are equipped with engines produced by other GM divisions, subsidiaries, or affiliated companies worldwide. See your Pontiac dealer for details

STUDENT LIFE

The life of a high school student ... Well over the past 25 years things have changed alot!!! From the styles of their clothes and hair to their hangouts and the best places to take a date. One thing will never change in lives of Northern students and that is the spirit they show toward their school. The student life section in the yearbook is just what it says, the life of a student. The section explains where students go after school, the popular hangouts and what to do on a Saturday night. The hangouts have changed alot in the past 25 years. Teds use to be the place to take a date on a Saturday night. Of course all that has changed now!! McDonalds is the place to hangout and the cinemas is the place to take a date on Saturday night. Of course all of these things will change by the time we have children but the life of the student will always be considered the best time in a persons life.

Another Regular Day At PNH

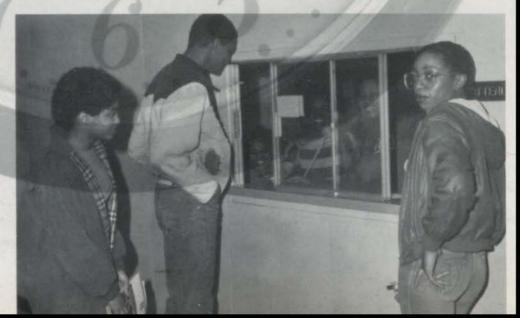

The day begins early at PNH. The students are always on the move. trying to get to class on time. The excitement of learning all of your friends' news in the morning makes it hard to concentrate on daily work. There's the daily use of the facilities, of course, such as using the lavatory, or getting a drink of water. Do we really need to use them, or is it just an excuse to learn some more news? Often we don't understand the assignment and need help from our teachers to get the correct answers. The teachers are always more than happy to help. At 1:10 when the fifth hour bell rings the halls are full of students talking, walking, laughing, and knowing that one more day at PNH ends.

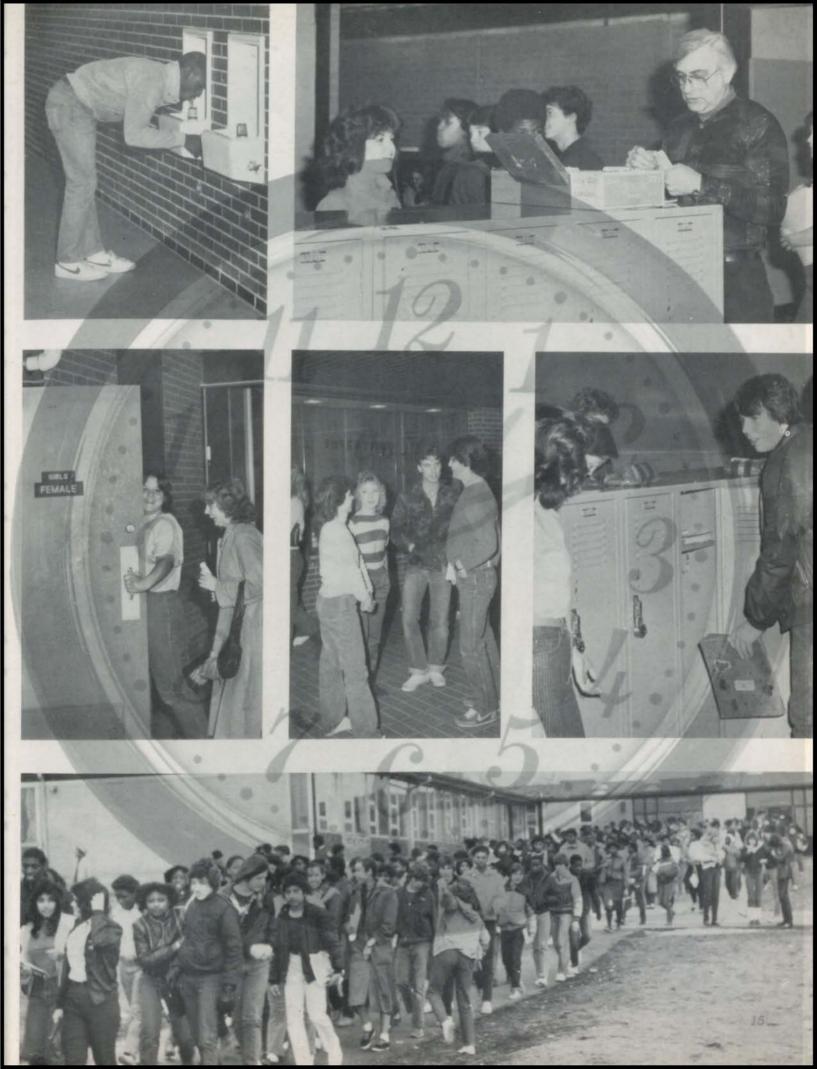

Spirit Week

Pontiac Northern has a great Spirit Week which is very important. Unique days during this week bring out each Huskies' feelings toward his or her school. Students as well as faculty compete during this time for originality. This tradition has brought many laughs through the years; our's is no exception.

The fashion Northern picked out for this year is Punk, Dress Down, Dress Up, Letter Sweater, Button Day and of course our school colors, Red and White Day.

Burial of Central's Chief

Pontiac Northern like all schools has an arch enemy, ours is Pontiac Central. During Homecoming we defeated Central in our pep assembly. It's traditional to bury them and we did just that. With the help of the leather gang, Spirit ghost, and Cheerleader squad, the Huskies successfully buried the Chiefs.

Homecoming

Football Game

The memories of last year with no sports made all Huskies realize how much we missed them. This year made up though! A good part of the student body backed Hornecoming making it a very happy, memorable one.

- 1. The Cheerleaders cheer the Huskies on.
- 2. A Rocket puts on the show.
- 3. We want first!
 4. Who's going to win?
 5. Pac Man is No. 1.

We're Cool!!

Another regular day at Pontiac Northern?! Well, not really. Here are a few participants who joined in on the fun this year. Some guys dressed as girls and some girls dressed as punk rockers. These Huskies filled the halls and crowded the classrooms in the most unusual way.

- 1. Wanna dance?
- 2. Just hanging around. 3. It's like far out, man! 4. Totally New Wave!

A Friend Is ...

When things don't come out right, he comes right in.

When none of your dreams come true, he is.

He never looks for your money, except when you have lost it. He never gets in your way,

except to clear it for you. Nothing is more important to him, than making you important.

He is your corner when, you are cornered.

He turns up when, you get turned down.

King and Queen "83"

The excitement of Northern's first homecoming is called upon 25 years later, making the "Silver" Homecoming one to truly be remembered. Over the years, the style, the date and of course the faces, have changed. Yet in each unique homecoming, the traditional spirit and memories seep into the present. This year has been no exception. The 1983 Homecoming can be called a success, just as the first Homecoming is remembered as being the same.

Twenty-five years later this tradition is still remembered, Jackie Murray and Montgomery Baker fulfilled the

qualifactions, making Silver year one more to go down in Huskie history.

This is the very first Homecoming Court. They are remembered by many because they started the traditional excitement. They date back with Northern as does their

Today's Fashion

Through the years, Pontiac Northern has made it's changes. Fashion has, more or less, built, and created Northern's frame. Today, the stylish look overranks yesterday's business look. The old has been replaced by "Brooke Sheilds" ruffles or "Tom Selleck's" cool satisfaction. Northern has a few of it's own stars who set their own styles. These pictures explain it all.

I would like to introduce the 25th graduating class from Pontiac Northern High Going to school is always a chore and sometimes montonous but you can always count on Tina Schneider and Pat Leal to brighten up your day with their brilliant smiles and Sandy Armstrong and Chad Reetz to make you laugh. For four years at Northern I can't remember a better couple then Wendy Sizemore and Brian Butler. Its always nice to have those people who are most popular like our king and queen, Montgomery Baker and Jackie Murray. Marc Finch and Pat Martinez are always cheering on athletes like Ira Whitlock and Jackie King. We all like to look nice but there are few people who have great bodies like Regina Prince and Pay Payton. Last but not least are those who will succeed and make something of themselves like Tina Corr and Tracy Williamson. Good Luck Seniors!!!!

Senior Float Making

It has always been a tradition for the Senior Class to put forth the best float. This year they did just that. It was considered a lot of fun, not to mention at times a mess, but the product was well worth while. The Seniors made their flowers, found and stabilized the float's base, built its frame, stuffed, painted and last but most important stood back for "The Senior Pac Man" to take first place!!

The people who worked on the senior float are Eddie Black, Martha Bond, Marty Carie, Mark Finch, William Green, Debbie Hicks, Lon Le, Phoung Le, Tricia Martinez, Thresa Meador, Kelli McMahon, Michelle Nelson, Pat Shallow, Doug Volko and many

It's
Almost
Over!!

Yes, it's almost over! Four extremely long, yet terribly short years. All the worrying about grades, the arguing with the teachers, and the last minute cramming for final exams. But we will never forget all the games and plays we went to, our first date, and of course-the Prom! No matter what bad thing every happened, there were always two or three things to make up for it! It has been said that your teen years are the best years of your life. Well, they are the best-and yet they are years you fear the most. There are so many new experiences to fulfill and so many failures. By your Sophomore years you wonder if you will ever graduate.

A recipe for success

A pinch of desire, a scoop of hardwork, a spoonful of dedication, and a load of discipline are the major ingredients needed to make knowledge pie. Looking at the achievements of several seniors of the class of '83 whose fantasy of receiving all A's or only a couple of B's during their years at Northern has become a reality, only one conclusion can be deducted: They eat plenty of knowledge pie!

We congratulate these outstanding seniors on the excellence of their work and wish them equal success in their future endeavors.

Memories are the times you had to spend in school. Memories are those nights you were out so late and the mornings you did not want to get up. Memories are when you were running behind and that car would not start so you got to school late. Memories are when the days are sun shiney warm and you want to ski but you don't dare because of the days that are adding up. Memories are the teachers you favored so much and the teachers that gave you so much trouble. Memories are standing by your locker with that someone special or just waiting to see that one person you like so much. Memories are in the years to come seeing that one person you were with for so long. Memories are looking through a yearbook and saying "God is that me?" Memories are all the moments you had in your school days. Now that we are leaving its time to start a new book of memories.

We are fortunate to have had all our sports this year. The schools couldn't affort to have sports programs due to the financial crisis, but thanks to the formation of a club called The Booster Club sports were re-instated. This club is combined of parents of students in the Pontiac schols. They work to raise money to pay for sports in the high schools. All of the students are very grateful to this club for restoring our sports programs, especially this year for our 25th anniversary of our school. For 25 years Northern students have enjoyed playing and watching sports and they especially enjoy seeing our teams win. The sports program is very important to many of the students at Northern, it is important to the athlete because it gives them a chance to have fun at something they are good at, it also gives them a chance to earn scholarships to further their education. It is important to all of the students at Northern because it gives them a chance to show their pride and spirit towards school.

MIGHTY HUSKIES IN ACTION!

The Huskies Varsity Football team this year was coached by Mr. Schmidt and assisted by Mr. Brown and Mr. Miller. The Huskie team did very well this year and the entire school should be proud of our fine team! The teams victories this year included the homecoming game and many others. We believe that our team did an excellent job for being away from the field for a year. Of course the scores varied from game to game, but all-in-all the team came out on top.

- 1. Here's the opening kick off.
- 2. Running the ball ... Will they catch him?
- 3. What a comotion ... Who's got the ball? 4. Here's the punt ... Will it be good?
- 5. We're going for the touchdown!!

MORE VARSITY **FOOTBALL**

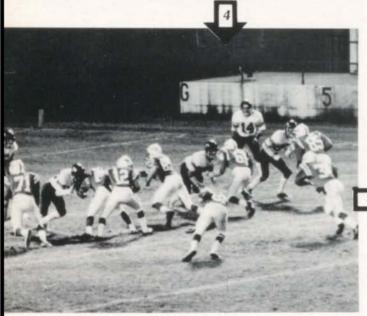

- 1. They think they're hot...But really they're
- 2. Our quarterback has some kinda arm.
 3. We're lined up raring to go!!
 4. We've almost got it! Touchdown!!
 5. They're gonna try again. Don't laugh.
 6. Our turn...I think we're gonna win!

- 7. We gott'em this time. 8. Touchdown!! Huskie fight song begins to
- 9. We give it another try on our way to victory.

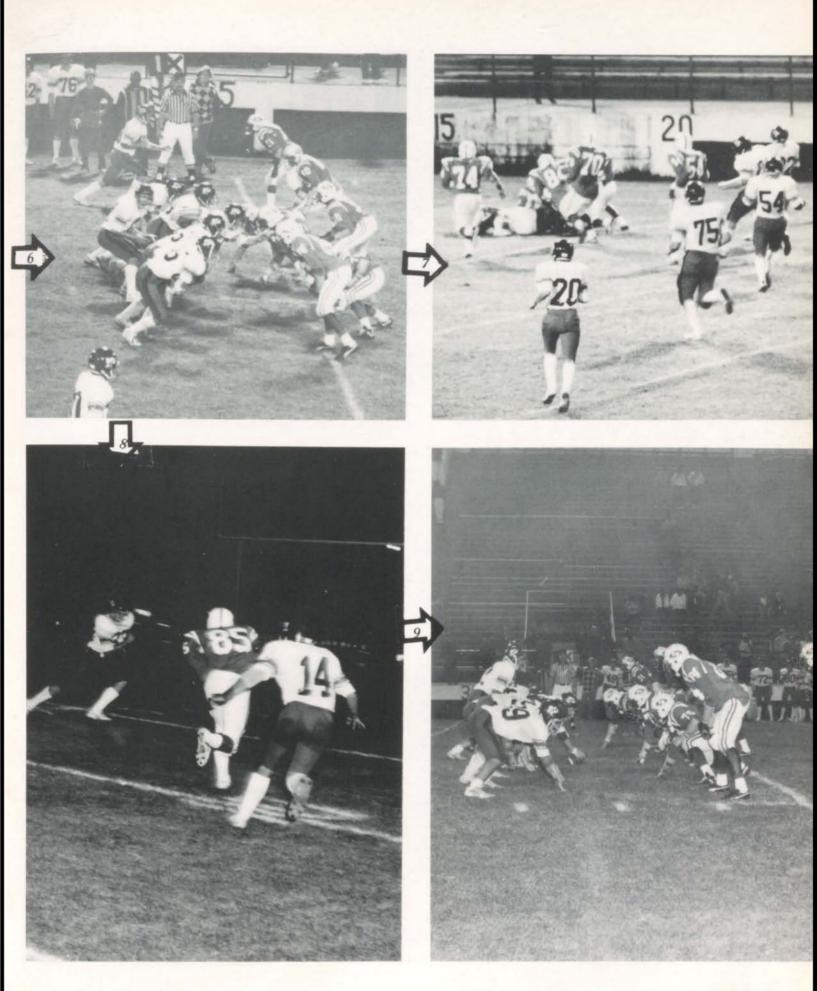

J.V. FOOTBALL ON THE MOVE

Our J.V. team did really well this year. We should be proud of the guys that worked hard to give our school a great year of football. The coaches of this years J.V. team were Mr. King and Mr. Pizza. They held the team together really well. The school has bettered it's history because of the teams many wins.

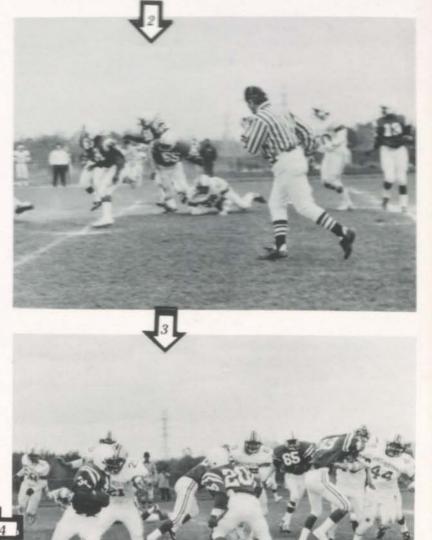

- 1. Number 30 making a sweep to the weak

- Nice try but no gain 34.
 2. Nice try but no gain 34.
 3. 20 breaks tackle for Northerns gain.
 4. Mr. King and Mr. Pizza look real calm.
- 5. We're gonna make it this time.

BASKETBALL IT'S GOOD FOR 2 POINTS!

This years girls J.V. Basketball team was coached by Mrs. McDonald. The girls did a fine job at bringing our school many victories. The professional moves of these girls astounded many of the surrounding spectators. We have to congratulate and thank the girls for their fine job.

- 1. Nice try, but no recover.
 2. Let's go Northern, take that ball away!!

USKIE P

- 3. Great save!!
- 4. Perfect shot good for two points.
- 5. Another two points for us.

GO "FORE" GOLF WITH THE GUYS!

The guys golf team this year faired very well. Mr. Goodwin supported this fine team and together they brought our school many wins. We appreciate them putting an effort forward to put a good name on our school.

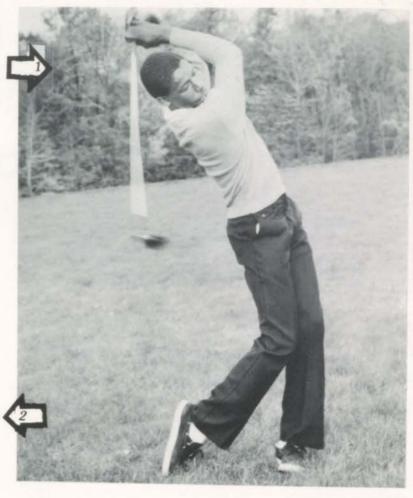

1. Here is one of Northern's finest, Carylton Taylor practicing his mighty swing.

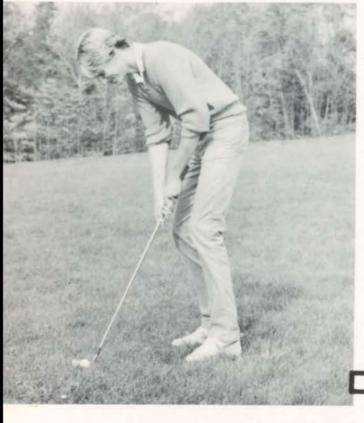

2. Here is Pat Hayner lining up his shot.

3. This is Ken Sharpley and Phil Wright talking

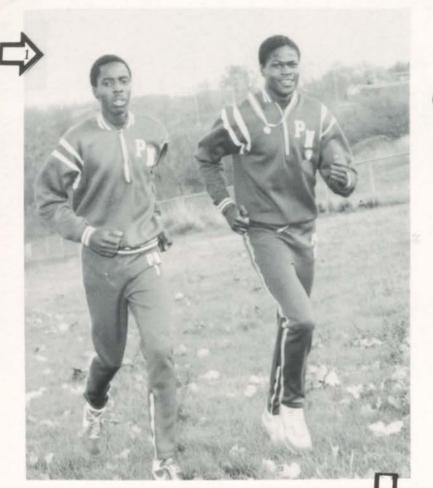

things over.

4. Here is Phil Wright laying back and taking it easy.

OFF TO THE HILLS WITH THE CROSS COUNTRY TEAM!

The Huskies guys cross country team did an excellent job this year. The runners had a great amount of victories to become part of the schools history. This years teams coach was Mr. Nelson. He held the team together well. We regret to say that we were not able to get pictures of the girls cross country team. But they are to be commended for a job very well done!

- 1. Here are this years metal winners.
- 2. Here is the team running to victory.

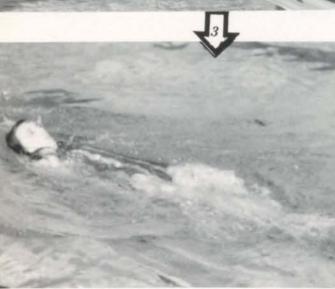

EVEN WET THE HUSKIES ARE MIGHTY!

This years girls swim team was coached by Mr. Osler and Mrs. Oliver. The diving was coached by Mr. Hiller. The team this year put forth a great effort and even though they did not win many meets they always had Northern spirit. One of the high points was when Dana Smith bettered the record for the schools backstroke. Good Luck next year team!!

- 1. Tricia Martinez diving great.
- 2. Take your mark .. Go!!
- 3. Here's a great backstroke!!
- 4. The breaststroke is always nice.

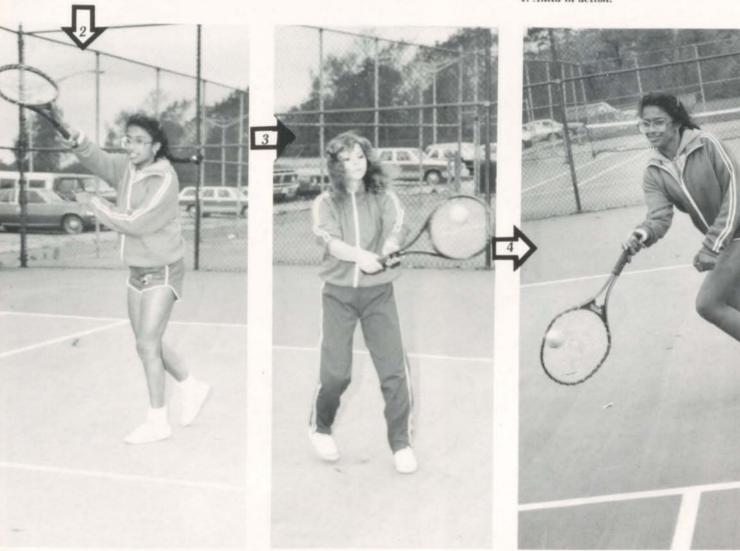

"LOVE" IS A TENNIS GAME!

Mr. Harris coached this years girls tennis team to victories. The girls were full of spirit and were always ready to return any ball hit to them. All Huskies should be proud to have such athletic and willing girls at their school.

- 1. Here's a graceful pair we can tell they'll win.
- 2. Anita at ease.
- 3. Tracy has no problem she can handle it.
- 4. Anita in action.

LEARNING HOW TO BE THE BEST

The Huskie J.V. Basketball team this year was coached by Mr. King and assisted by Mr. Pizza. Our team did extremely well and everyone is quite proud of them. We are lucky to have such willing guys to represent our school.

- At the start we are tight on the ball.
 A great shot number thirty two points for
- 3. Going for a super layup. 4. What action look at the pass.

AIN'T NO MESSIN' WITH OUR J.V.!

Here is the Huskies J.V. in action once more.

- That other team sure is tall.
 Alone all the way ... What a play.
 There's no competition let's take this game away.
 4. There's no stopping us now!!

WE ARE THE BEST AND GETTER BETTER!

Mr. Green did a wonderful job of taking our basketball team to victories. The coach did a great job of supporting the team. But we have to acknowledge the fact that the guys on the team did a super job also.

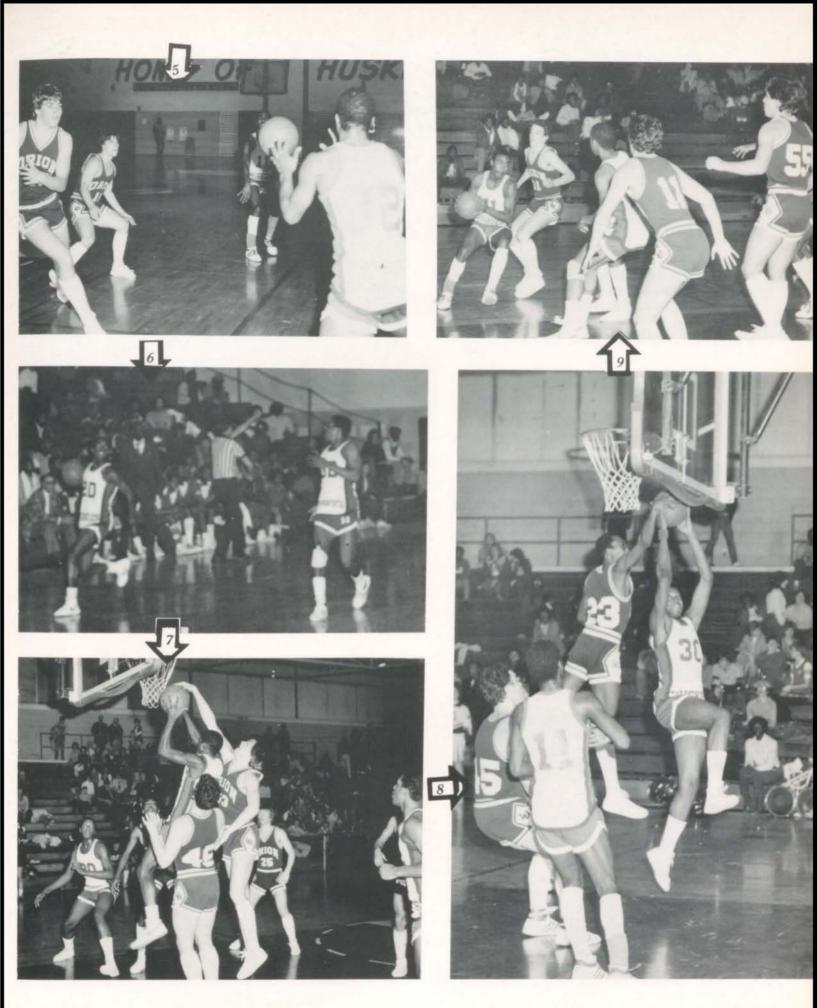

- 1. What a shot... It was great!!
 2. His pass was put in for 2 points.
- 3. Here we start the second half. 4. Even the second half was great. Opposite Page
- 5. Number 32 caught it and shot it in for a basket.
- 6. Bringing it down from a recovery.
 7. Even the pro's miss once.
- 8. A terrific layup.
- 9. Fighting for the basketball.

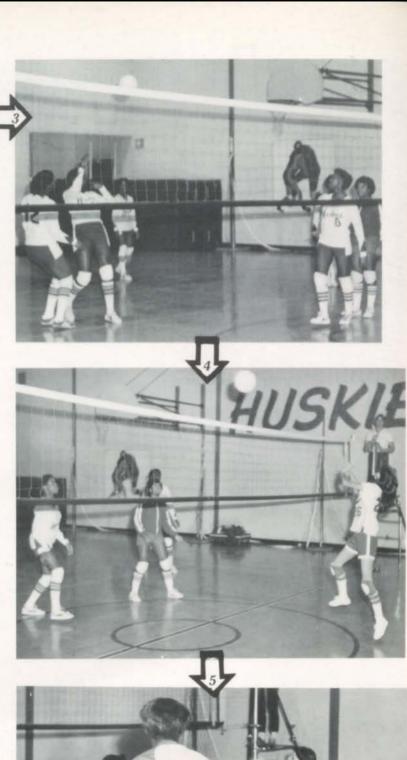

LET'S "SET" UP WITH VOLLEYBALL!

This years girls Volleyball team came back on the court as expected by anyone who was out of sports a year. Though they did not win many games the girls gave it their best at all times. They never gave up with this dedicaton. This girls team should do a great job next year. Good luck girls.

- 1. Nice Bump. 2. Way to set up Tracy 3. Where is it.
- 4. Good save!!
- 5. Keep up the good work girls.

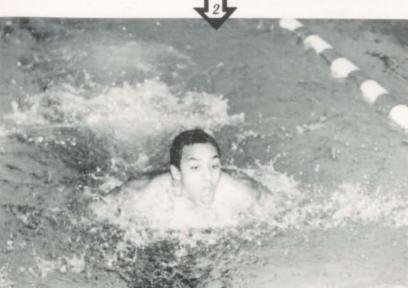

NO STOPPING THE SLY-DOGS!

Coached by Mr. Olser and Mr. Hiller the guys swim team brought a surprise to the school. Because there have been no sports for a year the swim team went their separate ways. This year they gathered a new team and did extremely

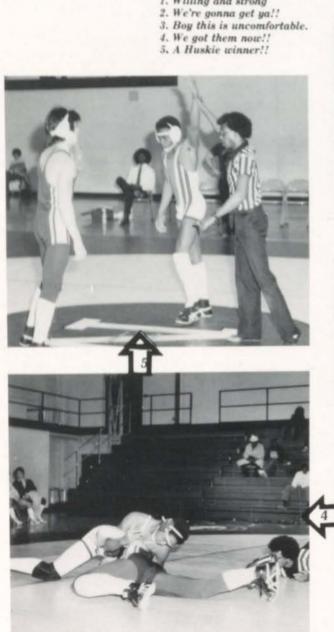

- 1. Pop! and their off.
- 2. Montgomery strokes to the finish.
- 3. One of our finest!
- 4. All alone and in 1st place.
- 5. A super dive.

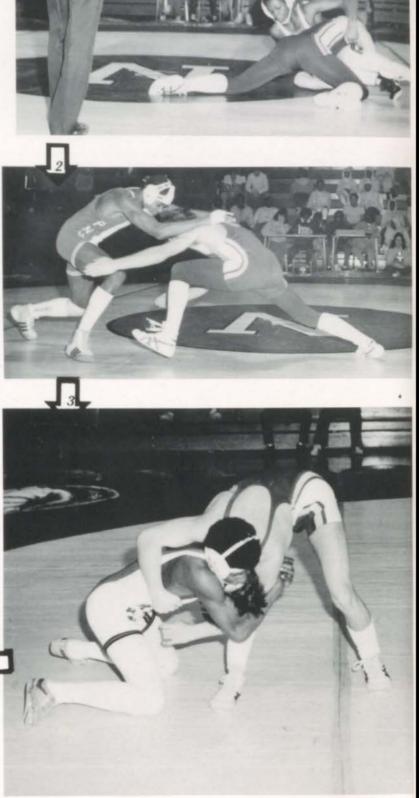

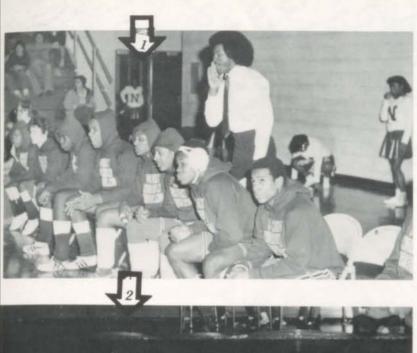

WE JUST CAN'T BE TAKEN DOWN!

J.V. wrestling this year was coached by Mr. Brown and assisted by Mr. Miller. The J.V. team showed a tremendous amount of spirit during their meets. We would like to say Congratulations for a season well done.

1. Willing and strong

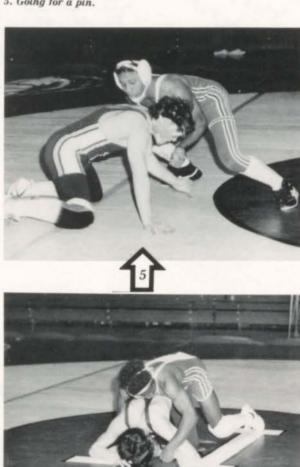

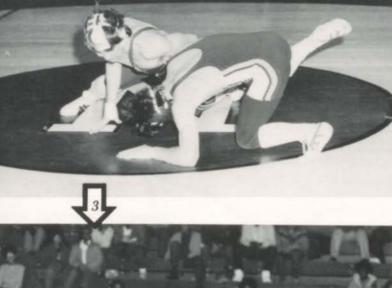

HEY HUSKIES MAKE THAT PIN!

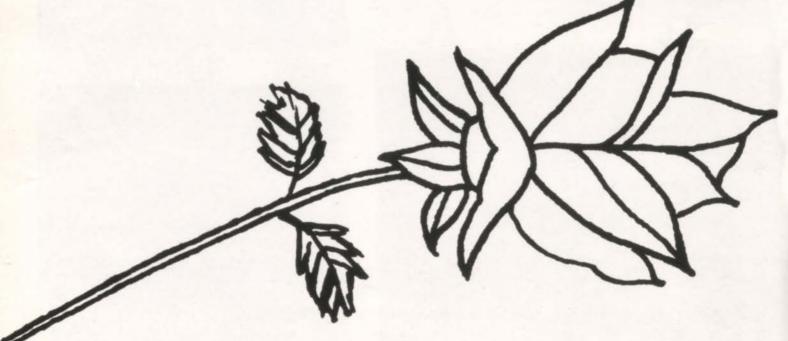

When the Varsity wrestling team was worn out they didn't stop. They never complained about their aches and pains. They just kept winning the meets. We the student body want to extend our thanks not only to the team but to Mr. Brown the coach also. Thanks and we look forward to next year.

- Mr. Brown giving advice as usual.
 Northern is bad!!
 Huskies got the power!!
 Way to hold him!!
 Going for a pin.

The Junior Senate members strive to make things a little easier for the Juniors. They work hard to make things a success. They are the backbone of all the Juniors. The Junior Senate worked hard, with combined efforts, and they accomplished many improvements. The class elected some of the best officers that they can have! The officers are: Rose Rogers, President, and Tamara Connolly, Vice-President, and Renita Barge, Secretary. These three Juniors worked hard to succeed in helping to make the class of '84 one of the best classes that Pontiac Northern has ever had.

In the past 25 years Northerns organization section hasn't changed too much. The faces are different but alot of the original organizations still exist. Some of the organizations that still exist are: Band, Cheerleaders, the Avalanche Staff and many others. Organizations are for students to learn to get along with each other and to learn about each other. Being in an organization is alot of fun and a great way to meet new people. It is also, sometimes, alot of hard work. But the best thing about being in an organization is that it makes school more fun to go to. I imagine that faces will change and some organization will die but there will always be another to take its place. An organization can not exist without a sponsor. Sponsors work extra hard to make their organization a good and fun one. Thank you to all the teachers and other people who sponsor organizations. Thanks for making school more fun to go to.

March On To Victory!!!

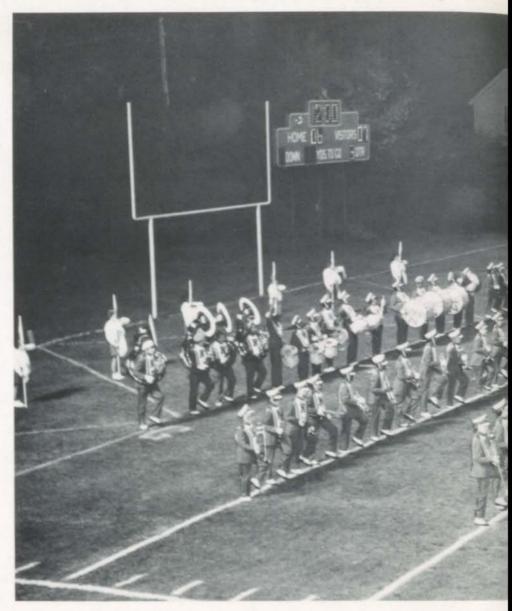

The Marching Band is just about the oldest organization that Pontiac Northern has to offer. Sure, every high school has a marching band, but there is something very special about ours! Mr. Adams worked with them this year, and they have done a great job this year!

The members of the Symphonic Band are: Left to Right-Row 1: C. Garret, C. Gordan, S. Grogan, R. Barge, R. King, L. Wethy, S. Wims. Row 2: J. Brisco, T. Patterson, M. Taylor, M. Nevils, K. Workman, C. Cox, A. Chilkott, T. Marks, L. Prieto. Row 3: R. Samples, M. Valko, A. Williams, C. Whitaker, B. Martin, B. Green, N. May, J. Kersey, K. Daniels, J. Mitchell, B. Franko, C. Murray, D. Valko, D. Richmond. Row 4: V. Herring, L. Williams, C. Pruitt, N. Baumhardt, C. Perry, K. Davenport, T. Parks, T. Paddock, P. Lewis, T. Gardner, M. Farr, L. Humphrey, C. Williams, D. Rockcole, and D. Firgurskey.

Battle Cry!! "V-I-C-T-O-R-Y"

The Pep club isn't an organized club with activities, but its a group of students that are just plain "routie"! The members of the Pep club attend basketball and football games to make sure that things don't get too quiet! The sponsor is Mrs. Taborn, and everybody at Pontiac Northern knows how routie she is!

We've Got The "Huskie Spirit"

The Pep Band, like the Pep club, attends the basketball and football games to make sure the crowd doesn't get to quiet. They play those old Pontiac Northern hymns like The Huskie Fight Song, and "Shake That Thing" to get the crowd fired up! They also play for all the pep rally's that Northern has during the year! Where would Northern be without them??

Play It Again Sam!

The members of Jazz Band are: in alphabetical order; M. Bell, J. Brisco, J. Burkett, R. Eaton, A. Fraizer, J. Love, K. Martin, N. May, B. McDonald, I. Owens, T. Paddock, T. Payne, C. Payton, B. Philips, J. Sornig, K. Workman, C. Zimmer.

Avalanche's 25th staff carries on the tradition!!

This years members of the Avalanche consists of eight young ladies and three young men. Since this is Pontiac Northerns Silver anniversary issue, the staff has put a lot of time and hard work into this years issue. All of the staff members worked on the yearbook on their own time. With only two meetings a week, there was a big rush to meet the deadlines, and to get the yearbook out on time! It's this kind of work and dedication that goes into a yearbook that makes it special, and something to look back at!

This years members of the yearbook staff are: R. St. Amant, K. Gregg, R. Barge, A. Rodriguez, J. Johnson, Row 2: S. France, M. Bond, J. Ewald, K. Bond, S. Belote, and M. Finch and E. Black.

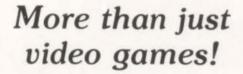

100 FOR X=TO 1000:NEXT X. Most students wouldn't have the faintest idea what this statement is, but ask anyone in the Computer club and they could tell you! The Computer club is an extension of the data processing class which teaches students how to operate and program a P.E.T. computer.

The members of the Computer club are, Row 1, Left to Right, Mrs. Oliver, E. Black, S. Carr, L. Contreraas, Z. Tolbert, D. Salas. Row 2: D. Newkirk, M. Steed, L. Freeman, T. Gilchrist, B. McCarty, Row 3: D. Miracle, N. Cherry, T. Shannen, T. Hicks, C. Lambert, Row 4: T. Huelsenbeck, A. Platt, P. Shallow, and K. Perry.

Members of the comuter council are: P. Shallow, E. Black, D. Newkirk, T. Gilchrist, and K. Perry.

Extra! Extra! Read all about it!!!

Just as Pontiac has The Oakland Press, or The Detroit Free Press, Pontiac Northern has its own newspaper. The Polaris has reporters, editors, and printers. The Polaris offers valuable experience to those that are involved in it, as well as a lot of fun!

This years Newspaper Staff's members were: Left to Right - Row 1: R. Graves, D. Chatman, T. Connolly, V. Herring. Row 2: R. Hoover, P. Buford, J. Hardn, S. Belote. Row 3: R. Evans, G. Louis, C. Freels, V. Houston, and M. Kanayton.

This year the Newspaper Reporters were: Left to Right - Row 1: G. Loiuis, R. Hoover, R. Evans, J. Harden, S. Belote, and M. Kanagton.

National Honor Society, at the head of the class!!!

Being a member of the National Honor Society is truly a big honor because not just anyone can be a part of it. Only the top students of the Junior and Senior classes can be admitted. The candidates are judged by: their participation in school activities, church involvement, attitude, attendance, teacher recommendations, and last but not least, high academic standards. With all these standards, it is no wonder why these students are considered the "Cream of the Crop". The members are responsible for the school calendar by the main office, and they also sell and distribute the Homecoming mums and Christmas carnations. These students have given us all someone to look up to, and an example to follow.

The members of the 1982-83 National Honor Society are, in alphabetical order. R. Barge, B. Brooks, B. Butler, L. Butler, A. Chilkott, T. Carr, K. Daniels, M. Farr, M. Finch, N. Gonzales, R. King, L. The officers of the National Honor Society are; Doug Valko, Wendy Sizemore, Patricia Martinez, and Sandy Workman.

Northern Rockettes Add A Dash Of Class!

The Rockettes are a group of talented young ladies that perform during various times of the year. Unlike the Cheerleaders or the Pom-Pom girls, the Rockettes perform with batons to music. During the year, the Rockettes have performed at the Homecoming activities, and at all the Pep Rally's.

Mrs. Taborn is the sponsor, and she and all the Rockettes have done a terrific job this year. Truly, the Rockettes add a dash of class!!

 This years Rockettes are:Renita Barge B. McDonald, K. Whittaker, C. Childs, and P. Wright.

The Pom-Pon Girls Keep The Huskie Spirit Flowing

The Pom-Pom girls have performed many times this year, like at the Homecoming activities, and at the basketball games. The Pom-Pom girls are very talented, and they have done a great job of keeping the "Huskie Spirit" going.

Lights, camera, action!

"Northern Players", or more commonly known as the Drama club, is a group of talented students who enjoy entertaining others. The Drama club is also very educational because it teaches students how to stay in character, stage direction, and the basics of acting. The club sponsor is Mr. Charles Roberts, who is the "Main Man" behind the scenes. The Drama club members have worked hard and Northern is proud of them!

Members of the Drama Club consist of: Row 1, Left to Right: S. Garcia, T. Garret, J. Warren, T. Aginaga. Row 2: M. Sanchez, C. Yapo, K. Coon. Not pictured: W. Waltman, C. Tucker, D. Jeffery, T. Gardner, and R. Rhinehart.

Bowling is right up their alley!

The Bowling club is a very popular club, and over the years has grown to be one of the largest organizations Pontiac Northern has to offer. This club meets on Thursdays at "300 Bowl" where they bowl against other teams, or just for fun. No matter what reason the students join the Bowling club. It really is a lot of fun. Kevin Davenport Pam Wright FACULTY

The people that hold the school together is the faculty. They work together to make the school a great place to learn and have fun. The teachers try to teach the students to be responsible members of society and at the same time they try to make school interesting to do too. There are some members of the faculty at Northern that should be congratulated, these members have been part of the staff at Northern since it opened 25 years ago. These fantastic people are Mr. Vern Duffy; our principal, Mr. Dan Hutchens; the 9th grade principal, Mr. Maturo; A counselor, Mr. Donald Friebe; Head of the Avalanche Staff and business teacher; Mr. Leo Kawrecki; teacher in the business department, and Mr. Glen Cheek; Math teacher. These 7 teachers along with the rest of the faculty, have over the years, dedicated themselves to their profession and have done a great job.

Administration

The Administration at Pontiac Northern is one of the finest in Pontiac. The Administration includes the entire working force at Northern such as the Principals, Secretaries, Faculty, Teacher Aides, Staff Assistants, and the Maintenance Staff. When these people work as well together as they do, you can be sure that positive results are produced. The Administration handles very important elements dealing with the student's education that could determine success or failure in the student's future lives. This year has brought about many changes. Mr. Duffy became the "head" principal, Mr. Burton came from Jefferson to become the 10th grade principal, and numerous additions within our teaching family. With the passage of the millage, the Administration was able to help carry out activities that the students found very enjoyable. This year has been a good one and we would like to thank each and every one of you for your involvement in making the home of the "HUSKIES" the best!

Secretaries

The secretaries here at Northern are some of the best. Not only do they help to keep the school together, they also help to keep the administrators together as well. Being a secretary requires very much of an individual. These people must be willing to donate most of their time to the operation of the school. Part of their job is filing, organizing events, typing, and supplying the student body with the answers to the questions that they seek.

Principal Mr. Duffy and Secretary Mrs. Brisbois

Mr. Burton and Ms. Russell talks about the Senior class and how the Sophomore class is the best.

Teacher Aides

The Teacher Aides at Northern have just as much to do as any of the other faculty members. They have as much power in the classroom and they do most of the things a normal teacher would. They are here all year long to assist the teachers and students in any way they can. Unlike student assistants, these are adults who get a salary.

- 1. Mr. Thretkeld & Mrs. Watkins are Teacher Aides in the Gazebo.
- 2. Lee Ann Payne is the Teacher Aide for Mrs. Taborn.
- 3. Mrs. Marvin & Mr. Lightcap are Library Aides.
- 1. Mrs. Zender is the Teacher Aide for the Business Department.

Staff Assistants

Staff Assistants, better known as Hall Monitors, are a well known group here at Northern. They have the responsibility of keeping our school free from truancy and disturbing factors that could cause problems among the whole studentbody.Many people feel that this job is an easy one, but it takes skill and technique in order to become a successful Staff Assistant. We thank all of you for your hard work!

- 1. Mrs. Phlegm & Pepi Barge.
- 2. David Chism & John Threlkeld.
- 3. Darlene Brooks smiles for the camera.
- 4. Mrs. Moore takes a break.

Maintenance Staff

The Maintenance Staff have the big responsiblity of making sure that Pontiac Northern is kept clean so that us students may have the chance to learn in an atmosphere suitable for all of us. With the addition of sports and extra-curricular activities, we know that this job is even more difficult. Thanks for all of the hard work you've done in keeping our school in tip-top condition.

- 1. Dean Robinson is Head Engineer.
- 2. Mike Lane is the Custo-
- 3. Ed Mahon is the Engineer.
 4. Belva Chasteen is the Custodian.

Counseling

The counselors here at Pontiac Northern have a very important job. They help us to select that right college, advise us on personal and matters straighten out schedule problems. This year we have lost Mrs. Thomas, but we have gained Mrs. LaFontaine and Mr. Rickard. These people along with Mr. Maturo, Mr. Smith, and Mr. Riddering have managed to keep our students academic and emotional achievements at their best interest.

- 1. Mr. Green checks over a file.
- 2. Mr. Smith con ults a parent.
- 3. That was funny!
- 4. Time to call it a day.

English

English is the biggest department we have. This department offers courses in English, American Literature, English and World Literature, Investigative papers, Public Speaking, and Drama. We also have courses in Bible Literature and Classical Myths. English is required all four years that you are in high school. Without knowing the proper spelling and pronunciation of words, it would be almost impossible to rewarding a find career.

- 1. This is the Department Head.
- 2. Welcome to Northern, Mrs. Williams.
- 3. Mrs. King and Mrs. Petteway chat.
- 4. Who is Shakespeare?

Math

Math, like any other subject, is needed to help us in our every day lives. Math, algebra, daily living, geometry, trigonometry, calculus, and basic math are all taught in this subject. You may ask "Why is math important?". The answer is that you need math for buying, selling, paying bills. and checking over the wages that you may earn in your future career.

- 1. The square root of 36 is 6. 2. This is the Department
- 3. Mr. Goodwin quizes his students.
- 4. Mrs. Tomczak explains Trigonometry.

Art

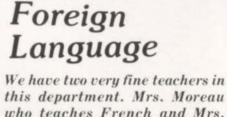

The Art Department is run by Pauline Woodin. She is responsible for teaching her students art, art design, student art and crafts. Running this department by yourself can become a challenging and demanding job. We think that Mrs. Woodin has been able to manage this department quite well. Thank you for your dedication.

- 1. Watch out it's HOT!!
- 2. Checking over the grades.

this department. Mrs. Moreau who teaches French and Mrs. Sanders who teaches Spanish. In these classes students are able to study the French and Spanish cultures, learn their languages and the treat of eating foods from those parts of the world. Some students take the class for fun while others take it to prepare for college.

- 1. Parlez-vous Français?
- 2. Pue de Usted Hablar Espanol?

Library

The library is an important part of our everyday school life. This center helps us in cases or research and it is beneficial to our knowledge. This center also has a career room where we have a chance to study the different types of careers that are in the world. This center also has visual aids and audio aids. The library is under the direction of Mrs. Pomeroy. You deserve our acknowledgement for your demanding role in our school.

- 1. Student searches for material.
- 2. Mrs. Pomeroy helps student.

N.A.C.

N.A.C. stands for Northern Assistance Center. This center does very much to give aid to our foreign students and students with disabilities. Many times, these students are able to benefit more from the N.A.C. than from just attending Northern. These people are not recognized for the challenging jobs that they must face each day. We want to let them know that the student body does need and appreciate them. Thanks!

- 1. This is the Department Head.
- 2. Hello?
- 3. Today's another day!
- 4. Mrs. Irwin explains the assignment.

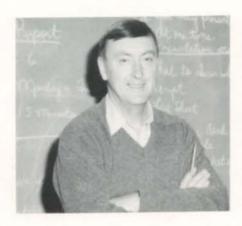

Driver's Education

At Northern, we are very lucky to have a course in drivers education. We also have the privilege of having our own practice course in order to give our newly experienced drivers a better chance to get acquainted with the road.

1. Mr. Dempsey ponders over the next driving generations.

2. Mr. Grubb reads the pamphlet.

Officer Walker

This is Officer Walker's first year here at Pontiac Northern. He is our Police Counselor. His purpose is to try and stop problems concerning the students before the problem becomes too large and has to be handled at the Police Station. Officer Walker is a great access to Northern as well as the community.

- 1. Mr. Walker listens to a problem.
- 2. Making sure everything's OK.

Food Service

The Gazebo, which is instructed by Chelsea Yousif, is the home of Food Service. Here, with the assistance of Mrs. Watkins and Mr. Threlkeld, students learn about the food world. These students learn how to prepare, cook, and serve foods of types to faculty and students who order it. The best known product from the Gazebo are the Chocolate Chip Cookies. The Gazebo sells cookies in order to raise funds to buy materials needed to enhance this food program. Thanks.

1. Where it all happens.

2. Mrs. Yousik demonstrates cooking.

3. CHOCOLATE CHIP COOKIES.

4. The teachers chow down.

Music

The Music Department at Northern is the best. Four different types of bands are taught here with the addition of orchestra, choir, and piano lab. Mr. Holiday teaches the orchestra while Mrs. Setterlind teaches both acapella and mixed choir. We have a new addition to our music family - Mr. Adams. He has been faced with many new challenges such as being in charge of the marching band, the piano lab, the production of four concert bands, and forming the new Jazz band class. 1. Mr. Adams directs his band.

 Do Re Me Fa So La Te Do.
 Mr. Holliday directs his orchestra.

4. This is the Department Head.

Vocational Education

The Vocational Education Department is a very fine one. In this department you learn the skills of graphics, electronics, drafting, auto mechanics and many more skills that will prove beneficial to you if you are in-terested in a related career field. Not only does it take a sharp mind and hard work to excel in these categories, but this field is open for employment in future years. Thanks!

- 1. This is the Department Head.
- 2. That's a battery?
- 3. Mr. Milner helps student in drafting.
- 4. Mr. Davis explains this machine.

Home Economics

Home Economics is a class within itself. Not only does it teach us to realize the importance of the necessity of proper foods, it also teaches us table manners and skills that will be appropriate to our social roles. The two ladies who teach this course are Mrs. Taborn and Mrs. Teasley. Sewing, cooking, family living, and child development are taught in this department. You know that they have to be dedicated! Thank you two very much.

- 1. Umm! That looks good.
- 2. You're putting it in right.
- 3. "Etiquette isn't very important."
- 4. Hold that smile.

Science

Science is a very important part of many students schedule. especially if they are interested in going into the field of Medicine. Science includes: Life Science, Physical Science, Physics, Biology, and Chemistry. We have very modern equipment which makes the lasses easier to gain knowledge from. Not only is science fun and interesting, but you can apply what you learn to your everyday lives. Thanks for a department well ran.

- 1. I heard that!
- Dr. Bates clowns around.
 This is the Department
- 3. This is the Department Head.
- 4. "It's suppose to be yellow!"

History

The History Department is quite important. History teaches us what happened in the past so that we may learn from past mistakes to guide us to a better future. Many students feel that history is vapueless, but it truly helps people out by informing them. Not only do you learn about regular history, there is also a class in Black History that is taught in the English department. American Government is also required. In this class you learn what the function of the government is and how it operates. 1. Mr. McCormick reads his mail.

- Ms. Battle looks over her class.
- 3. This is the Department Head.
- 4. That's not Hawaii.

Business

Business is a course that teaches us how to survive out in the business world. Classes offered here are: typing, accounting, filing, office machines, retail, data processing, clerical skills and many more. This class is especially important if you're thinking about going into secretarial work or computers. Typing is the major class taught in this department because of the overwhelming need in college and our future careers. Thank you for all of your dedication.

- 1. Mrs. Oliver explains about computers.
- 2. Typing is like ...
- 3. I said "25 & 80 margins" ...
- 4. This is the Department Head.

Gym

Physical Education is a class taught at Northern that is required by the Board of Education to make sure that the students are in good physical fitness. Such classes as swimming, tennis, gymnastics, bowling, track, wrestling, weight training, modern dance, and roller skating are taught here. Most of these classes are co-ed which makes them more fun for the participants. There is also an excellent class in Karate in which many students select as a class aside from gym.

1. "Reach!"

Ken Ferguson Advisor

Dear Huskies.

This year has been a very special one for Pontiac Northern. Our class of 1983 will be the twenty-fifth graduating from this fine school. Northern is very proud of this and will continue helping students learn and grow for many more years to come.

Since Pontiac Northern opened its' doors twenty-five years ago, the school has put out a yearbook for its' students. Mr. Ken Ferguson, who originally started the staff, still pushes his staff to make deadlines and makes sure that the final product will be as good as the first book.

The yearbook staff would like to thank our photographer, Frank Storer, from Sterer-Spellman Studios who has been with us for twenty-five years, our publisher, Al Weatherly, from Graphic Creators, and Michael Davis for printing copy at the last minute. Most important we would like to thank our advisor Ken Ferguson for his dedication through all these years.

In closing, I sincerely hope you enjoy this twenty-fifth anniversary edition of the Avalanche.

Thank-vou.

I expect to pass through this world but once; any good thing therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now; let me not defer or neglect it, for I shall not pass this way again.
