the
THE GRADUATING CLASS OF 1966
who during their SCHOLASTIC YEAR
experienced an UNPRECEDENTED EVENT--
THE VISIT OF POPE PAUL VI.
to the
UNITED STATES

CHRIST THE KING OF ALL HEARTS

"How mighty is the human heart, with all its complicated energies--this living source of all that moves the world, this temple of liberty, this kingdom of heaven, this altar of God, this throne of goodness, so beautiful in holiness, so generous in love!"

The heart of St. Michael's is in the depth and warmth of her soul. Breathing and pulsating, it says that St. Michael's is alive, that she can never die because her heart envelops her people and lives on...

Sister M. Callista presents an award to Frances Franzel for her four years of service as student librarian.

Years of unselfish devotion to the welfare of others have left their imprint upon the minds and hearts of all. For this reason, the Class of '66 dedication goes to Sister M. Callista.

We thank you for your lasting faith, the love that grows and gives us grace. The kindness we have known here grew greater still throughout the years. Devotion flows throughout to answer minds before in doubt. Your heart so true and loving kind will last forever in our minds.
